Dear Mr. Mordhorst:

The Department of Transportation (Caltrans) is rescinding its letter, dated September 8, 2016, finding Hazard Construction Company (Hazard) bid on contract 11-237964 non-responsive because it failed to list Summit Environmental (Summit) on its Subcontractor List form.

Caltrans has confirmed that Hazard listed J. Torres Company (J. Torres) on its Disadvantaged Business Enterprise Commitment form as a second tier to Summit Environmental (Summit) to perform the hauling and disposal of bid item 25, Roadway Excavation Type Z-2, (aerially deposited lead). Summit is providing Hazard with hazardous waste management services, which includes a lead compliance plan, excavation and transportation plan, proper waste profiling for hazardous waste manifest disposal paperwork, and disposal coordination utilizing currently registered hazardous waste transporters. These items are considered to be services that do not require a subcontractor license. Therefore, Summit was not required to be listed on the Subcontractors List form.

Based on the above, Caltrans will proceed to award the contract to the lowest responsible bidder provided all requirements are met.

The Resident Engineer will receive a copy of this letter for Contract Administration and Compliance.

If you have any questions, please contact Mulissa Smith, Contract Awards Manager, at (916) 227-6228.

Sincerely,
