Dear Estimator,

Attached is our bid to provide you with Materials Testing, Inspection, and related Quality Control Services for the subject project.

We are currently providing similar services to Caltrans projects all over California. Our facilities and testing staff are accredited by Caltrans. We have the capabilities and equipment to provide all services for this project in-house.

We are a Caltrans and State Certified SBE / OBE (#35308) and are Signatory to Operating Engineers.

We have delineated the entire QC Testing and Inspection Scope into individual services. Services should be evaluated and selected based on your in-house capabilities and the capabilities of materials suppliers.

Should you have any questions, or need a more accurate bid based on your estimated construction schedule or anticipated placement quantities, I hope you will not hesitate to contact me.

Best Regards, 35

Dear Estimator,

Attached is our bid to provide you with Materials Testing, Inspection, and related Quality Control Services for the subject project.

We are currently providing similar services to Caltrans projects all over California. Our facilities and testing staff are accredited by Caltrans. We have the capabilities and equipment to provide all services for this project in-house.

We are a Caltrans and State Certified SBE / DBE (#35308) and are Signatory to Operating Engineers.

We have delineated the entire QC Testing and Inspection Scope into individual services. Services should be evaluated and selected based on your in-house capabilities and the capabilities of materials suppliers.

Should you have any questions, or need a more accurate bid based on your estimated construction schedule or anticipated placement quantities, I hope you will not hesitate to contact me.

Best Regards, 35

ASSUMPTIONS

1. **Field monitoring may be required** for the Lead Compliance Plan line item. Field monitoring (under the supervision of a CIH) can be provided at a rate of \$2,495.00 per day including all labor, travel, per diem, equipment, materials, supplies, and lab costs.
2. Training specified in the LCP can be conducted (by a CIH) at contractor location. The training can be conducted for a lump sum of \$1,950.00.
3. Job Site Management assumes a project duration of 150 days (field work), or 30 weeks of on-site field work.

$$30 \text{ weeks} \times \$275.00/\text{week} = \$8,250.00$$

This is a weekly rate for Veridico to document required WPCP compliance by completing Caltrans forms 2030 and 2034 by a QSD/P. Veridico will work with your field staff to assess site conditions each week; no site visits are included. Pre-, during and post-rain event site inspections are not included but will be billed at the Job Site Management rate if required.

4. No other plans, reports, monitoring or permits are included.
5. The WPCP and the LCPs are **guaranteed** acceptance for the quoted bid.
6. Contractor to provide completed questionnaire (supplied by Veridico upon notice of award) prior to start of work.
7. Print-ready electronic draft and final copies of plans and/or reports will be provided so hard copies can be produced; no hard copies will be provided by Veridico.

Veridico is a certified DBE contractor (No. 39572) with a number of associates that have supported Caltrans projects for many years. We have the necessary certified personnel to support your efforts on this project and we look forward to providing you our highest level of project support. Please don't hesitate to contact me directly at (707) 317-0002 or at tim.anenson@veridicogroup.com if we can provide anything further.

Dear Mr. Bitar,

As per your phone conversation today with Edna, Globe Electric has been a well-established small, minority, woman-owned, and DBE specialty company since 1976 selling to all the mass transit properties and fleets, cities, counties, states, correctional, etc. throughout the country. We have partnered with many primes and subcontractors over the years successfully with excellent credit of single one-time shipments up to \$745,000. Please review attached marketing plan and credit references. We have partnered successfully with many major Primes as Siemens Building Technology, etc. We have partnered with Siemens on previous jobs in Houston with Cooper highway lighting, Cree, and Sylvania, etc. as well as SBE goal jobs in California.

We can also supply you other commodities and have partnered with major manufacturers. Please review our line card below and let us know how we may partner with you on this and other projects around the country.
