**NOTES:**

1. James David Lawrence warrants that all road marking materials meet or exceed California Standard Specifications and Special Provisions, and are referenced on the Caltrans QPL, if applicable. Accordingly, James David Lawrence does not warrant against sub-standard product performance resulting from improper storage, faulty installation procedures, inclement weather conditions at the time of installation, or defective installation equipment. James David Lawrence's sole responsibility and obligation shall be to replace such quantities of James David Lawrence product that is proven to be defective, and no claim shall exceed the cost of the product found to be defective.
2. Material plus all applicable taxes.
3. Terms: Net 30 subject to preliminary notice information, no retention, contingent upon prior credit approval. Quotation based upon payment by means other than credit card.
4. Quote Duration: 10 days after bid opening, firm. Prices subject to change if order placed after that date.
5. Delivery: 3-4 weeks, ARO, for thermoplastic products; all others, 10-14 days, ARO, subject to availability.
6. James David Lawrence quotations are estimated quantities only.
7. Contractor to determine exact quantities and unit price extensions at time of order.
8. Material quoted F.O.B. Origin. Freight to be prepaid and added to customer invoice. Any special transportation or insurance requirements are to be at buyer's expense, and will be requested by the buyer, in writing, with ample time to complete all arrangements prior to vendor's scheduled shipping date. Quotations are based upon single shipment and delivery. Unloading will be by others, at a destination accessible by standard commercial carrier. Seller shall not be held responsible for any loss or damage related to material transported via commercial carrier.

Thank you for your consideration!

**SCS&T Proposal No. 14-0242**

**Mr. Mike Boer**  
**Granite Construction**  
**440 South Melrose Drive, Suite 200**  
**Vista, California 92081**

Subject: BUDGET ESTIMATE FOR  
ASPHALT CONCRETE TESTING SERVICES  
11-2M6304 SR-76 COLD IN-PLACE RECYCLING  
SAN DIEGO COUNTY, CALIFORNIA

Dear Mr. Boer:

In accordance with your request, Southern California Soil and Testing, Inc. (SCS&T) is pleased to submit this budget estimate to provide quality control testing services for the subject project. We understand our work will consist of providing quality control testing services in accordance with Caltrans Section 39.

#### **COST INFORMATION**

We propose to provide our services on a time and materials basis according to the Schedule of Fees included in this budget estimate. Based on the above scope, we estimate our fees to be approximately **\$30,612**. A cost table presenting a breakdown of our estimate has been provided in this budget estimate. We will invoice for services performed at the specified unit rates for the quantities shown in the attached budget estimate. The estimated budget covers services specifically outlined in this proposal. Should additional services become necessary and/or requested, the additional services will be invoiced in accordance with the rates listed on the attached Schedule of Fees.

#### **DEFINITION OF RESPONSIBILITY**

The presence of our field representative will be for the purpose of observing the construction and reporting its general compliance with the approved plans and the applicable building codes. Our work does not include the supervision or direction of the contractor's work, his employees or agents. The contractor is responsible for his/her own work, and neither the presence of our field personnel nor the observation and testing by this firm should excuse him in any way for defects in his work. It should further be understood that we are not responsible for site safety. During the course of a subsurface investigation, heavy equipment may disrupt the site.

## LIMITS OF LIABILITY

Consultant's liability for damages due to professional negligence will be limited to an amount not to exceed \$50,000 or our fees, whichever is greater. Client further agrees to notify any person or entity who may perform work or provide services in connection with any design, report, or study prepared by Consultant of such limitation of professional liability, and to require, as a condition precedent to their performing any work or providing any services on the project, their written agreement that this limitation of Consultant's liability to all persons or entities arising out of or related to its services under this Agreement shall not exceed the above-stated limits. Because of the nature of subsurface investigations, we may cause damage to your site. It shall be the responsibility of the client and not SCS&T to return the site to its original condition.

## AUTHORIZATION

This budget estimate will be valid for 90 days. SCS&T will accept authorization to proceed upon approval of this proposal and receipt of the Professional Services Agreement signed by an officer of your company. We will in turn, send you a fully executed original for your records. SCS&T appreciates this opportunity to provide our professional services and is most interested in becoming a member of your consultant team. SCS&T has considerable experience in successfully providing these services and we are confident that we can provide them in a timely and cost effective manner.

Should you have any questions regarding this budget estimate or if we may be of further service, please contact our office at 619.280.4321.

Respectfully Submitted,  
**SOUTHERN CALIFORNIA SOIL AND TESTING, INC.**
