Additional Data

Any additional data to support a demonstration of good faith efforts (use additional sheets if necessary):

Hazard Construction's Estimators and Estimating Secretary are available for assistance with navigating the FTP Site or agency's website to access project information. Estimators are available to discuss and answer questions regarding the specifics of the projects.

If Internet or printing access is limited Hazard offers to burn CD's or prints necessary documentation and ships at no cost to the subcontractor or vendor. Hazard Construction encourages all potential Subcontractors and Vendors to offer lower tier companies to assist in meeting goals on projects.

Hazard Construction has earned awards by Caltrans District 11 for Utilization of Small Business and DVBE Companies in 2005 and 2009. Hazard also earned Prime Contractor of the year in 2011 and 2012 from Caltrans District 11 for highest small business participation.
