Yes Jason, it is still 650.00 for the Plan and 1800.00 for air monitoring Travel additional if the job is more than 120.00 miles from San Diego, or if up north LA or santa cruz. We are accumulating data on these and I hope to have a "Industry Wide Study" for the Cold Planing work. We just cold plane and go on with life. Control dust with adequate water.

Dan Let me know if you need more info.
