B.O. 05/29/2014

Mr. McMillan,

Please consider this letter our protest of the responsiveness and award of the referenced contract to Ferreira Coastal Construction Co. Based on the information provided in this letter Ferreria's bid should be found as non-responsive or the missing documents should be provided for further review.

The CalTrans Bidder – DBE – Commitment form clearly states that "Copies of the DBE quotes are required." To date there is no evidence to show Ferreria submitted Diversified Landscape's quote in the allowable time frame, which is no later than 4:00pm on the fourth business day after the bid opening. In this case Caltrans must have received this paperwork by 4:00pm on Wednesday June 2nd.

Please provide this required paperwork if submitted by Ferreira. Please find their bid non-responsive if this paperwork was not received by the appropriate time.

Please call with any questions or if you require additional information.

Thank you,

Marc Roberts
