Dear Ms. Jahshan:

The Department of Transportation (Caltrans) received a letter from PAL General Engineering, Inc. (PAL), dated August 31, 2015, in response to the nonresponsive bid finding for the above contract. PAL alleges that an error occurred during bid submission and is a software error. PAL contends that it listed subcontractors 2 through 5, but when Caltrans printed out the Subcontractor List, it skipped subcontractors 3 and 4. Furthermore, PAL included an attachment with its response showing that they selected yes, to list subcontractors 3 and 4.

Caltrans has reviewed the bid documents submitted at time of bid and determined that a computer or software error did not occur. PAL neglected to select yes to list subcontractors for 3 and 4. (See attached).

Based on the above, Caltrans has not changed its position concerning the finding of your bid being nonresponsive and will proceed to award this contract to the lowest responsible bidder, provided that all requirements are met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

A handwritten signature in black ink, appearing to read "John C. McMILLAN".
