- Prices include applicable State and Local Sales Tax.
- **Prices, as quoted, will remain firm for thirty (30) calendar days, after which time Integrity Rebar Placers reserves the right to revise this quotation.**
- **Prices / Bid items quoted are not for separate acceptance without prior approval.**
- **Integrity Rebar Placers' price is based on detailing, fabricating and placing on a normal five (5) day, forty (40) hour work week (all Union contract and nationally recognized holidays are observed). Performance will be based on conventional construction, timely receipt of (2) complete printed sets of plans, specifications (in addition to CADD files) and adequate written schedules to which Integrity Rebar Placers has agreed. Contractor shall furnish design information, locations of pour joints, and construction schedules in sufficient time to allow for preparation and approval of submittals, plus seven (7) working days for fabrication and delivery. Additional lead-time will be required for special mill rolling, spirals, epoxy coating and/or special mesh. Contract delays of more than forty five (45) days may result in additional cost of materials.**
- **Seller reserves the right to renegotiate additional price increases, for any shipments and/or placing after _____**

HOISTING/LOWERING:

Contractor shall furnish, without charge, suitable equipment fully operated for hoisting/lowering reinforcing steel, wire mesh, etc, including unloading trucks, staging of reinforcing to points of installation (into foundations and onto elevated decks, etc...) setting of columns/cages and /or assemblies, and power placing of individual bars that Integrity Rebar Placers may require. **Contractor to provide a minimum of 268 hours of actual hook time.** (Hook time is the amount of time that the hoisting hook is actively supporting any reinforcing steel.) If Integrity Rebar Placers is to perform its own hoisting, add $_____. (Hours and/or price provided do not include hoisting/lowering for F.O.B. trucks jobsite material and/or setting of tied and stockpiled cages or mats).

SPECIAL NOTES:

1. Payment and Performance Bonds may be provided at .1% if necessary.
2. Night work is excluded except by additive quote.
3. Optional add for Barriers type 60 installed **$32,927.37**
4. Barriers type 60 Tied laps at point of installation for slip form. Additional stirrups or rack bracing not shown for formed in place excluded.

GENERAL CONDITIONS

1. Contractor's acceptance of all of the terms and conditions of this Bid/Offer shall be conclusively evidenced by Contractor listing, permitting/directing performance, or signing and returning this offer.

2. Integrity Rebar Placers may begin performance of the work, pending receipt of an executed final agreement. However, should a final mutually acceptable agreement not be forthcoming or should the terms and conditions of Integrity rebar Placers offer be altered or modified, Integrity Rebar Placers reserves the right to immediately stop performence and Contractor agrees to indemnify Integrity Rebar Placers for all costs and loss of profit.

3. The following items, as required, are to be provided by Contractor, fully erected for use at all locations necessary without charge to Integrity Rebar Placers:

   A. Grades and Lines.
   B. Templetes.
   C. Racks, Ramps, Ladders, Cal-Osha approved Heavy Duty scaffolding (per sections 1926 subpart L App. A & E).
   D. Full access to all working areas for material, equipment and manpower.
   E. Level space for delivery, assembly and storage of steel, accessible to tractor-semi-trailer deliveries and adjacent to jobsite location where steel is to be used and/or hoisted/lowered.
   F. Adequate lighting as required, sanitary facilities, trash bins, etc.
   G. As required, adequate electrical power and compressed air (90 PSI Min.).

4. Subcontractor shall be paid monthly progress payments equal to one hundred percent (100%) of monthly billings within ten days (10) days of Contractor receiving payment from project owner for value of work completed, plus Owner approved amount of materials on hand and/or equipment (if any) suitably stored on or off site. Contractor shall, at all times, be financially responsible to Integrity Rebar Placers for labor and material supplied pursuant to this offer. If a dispute arises between Contractor and Owner that delays receipt of payment by Contractor from Owner, unrelated to the performance of or materials supplied by Subcontractor, Contractor shall make progress and/or retention payment to Subcontractor within a reasonable time. A reasonable time for payment from Contractor to Subcontractor shall be defined as being due 45 days from Subcontractor's progress billing date.

5. Contractor shall not withhold retention greater than that being withheld by the Owner from the Contractor and shall immediately reduce retention withheld from Subcontractor, by a like percentage, when reduced to Contractor by Owner. In no event shall retention withheld by Contractor from Integrity Rebar Placers exceed the percentage withheld from Contractor by Owner. Final retention payment shall be made not later than 35 days from date Integrity Rebar Placers has completed its scope of work.

6. No retention shall be withheld on FOB and/or tied and stockpiled material, if approved by Owner.

7. Integrity Rebar Placers shall not be required to continue performance if, after Contractor has received payment for the properly performed work of Integrity Rebar Placers, timely payments are not made to Integrity Rebar Placers.

8. All sums not paid when due shall bear an interest rate of 2% per month or the maximum legal rate permitted by law, whichever is greater; and all costs of collection, including a reasonable attorney's fee, shall be paid by Contractor as prescribed by Section 7108.5 of the California Business and Professions Code.

9. No provision of this Subcontract shall serve to void Integrity Rebar Placers entitlement to payment for properly performed contract/extra work or suitably stored materials, or to void Subcontractor's right to file a lien, stop notice, and/or claim on its behalf.

10. Neither party will have the right of set-off against the other party for any reason.

11. If Integrity Rebar Placers is required by the Contractor to perform change order/extra work, said extra work must be authorized in writing by Contractor's Field Management personnel having apparent authority to authorize such extra work or an officer of the Contractor. Such written/executed directives from the Contractor shall constitute acceptance of financial responsibility by Contractor and a billable event upon completion of the work.

12. No back charges or claims of the Contractor for services provided shall be valid except by an agreement in writing, agreed to between the parties prior to services being provided.

13. Field labor called for herein is to be performed during Integrity Rebar Placers regular working hours, eight hours per day, five days a week (all Union Holidays are observed), unless required and agreed to during bid negotiations. All work performed outside of such hours shall be charged at Integrity Rebar Placers standard rates for overtime, weekend, or holiday work. Integrity Rebar Placers standard rates are per Caltrans force account rates. (Labor Surcharge % per Concrete Construction - Bridge) However, should Integrity Rebar Placers be behind the preapproved construction schedule, all overtime/premium time required to regain the construction schedule shall be for subcontractor's account.

14. Integrity Rebar Placers will indemnify, defend and save harmless Contractor and Contractor's customer from Integrity Rebar Placers proportionate share of liability for claims attributable to bodily injury (including death) and/or property damage (to other than the Work itself) to the extent caused by the negligence or intentional misconduct of Integrity Rebar Placers or anyone directly or indirectly employed by Integrity Rebar Placers. Subcontractor will name Contractor and Contractor's customer as additional insured on Subcontractor's insurance policies only if required to do so by the Contract Documents and only by means of Subcontractor's standard additional insured endorsement. Indemnification and insurance provided by Integrity Rebar Placers shall not extend coverage to Architects, Engineers or other design professionals. Indemnification and insurance coverage shall be limited to Contractor and Contractor's customer only.

    Integrity Rebar Placers carries the following insurance coverage's.

15. Contractor shall provide Integrity Rebar Placers with copies of all contract documents applicable to Integrity Rebar Placers performance, duties, or obligations at its Headquarters Office.

16. Subcontractor shall be provided a mutually approved construction schedule providing a reasonable time in which to make delivery of submittals, materials and/or labor so as to commence and complete the performance of the Subcontract.

17. Subcontractor shall not be responsible for delays, accelerations, or defaults where occasioned by any causes beyond its control, including but not limited to: delays caused by the Owner, General Contractor, Architect and/or Engineers.

18. Subcontractor shall be entitled to equitable adjustment in the subcontract amount for additional costs due to unanticipated project delays or accelerations caused by the Contractor or others under the direct control of Contractor, and whose acts is not

Subcontractor's responsibility.

19. The Contractor shall make no demand for liquidated damages for delays in excess of the amount specified in the Contract Documents and no liquidated damages may be assessed against Subcontractor for more than its proportionate share of the amount paid by the Contractor for unexcused delays to the extent actually caused by Subcontractor.

21. Splices in reinforcing bars and/or construction joint dowels for Contractor's convenience shall be for Contractor's account. Also splices required due to low overhead, power lines and/or deficiencies in hoisting equipment unless specifically shown on contract drawings at that particular location shall be for Contractor's account.

22. Integrity Rebar Placers shall not be liable for repair of any damage caused by others outside the control of Integrity Rebar Placers. Approval for pouring or embedment in concrete shall constitute acceptance by Contractor of that portion of work and shall terminate Integrity Rebar Placers responsibility. Required remedial work, due to damage caused by others shall be for Contractor's account.

24. Cost of Ironworker show-up and/or stand-by time, scheduled by Contractor, when work is not ready shall be for Contractor's account.

25. Contractor shall furnish, without charge, templates/starter walls constructed with sufficient accuracy to support vertical reinforcing steel within placing tolerances specified by Owner. Templates/Starter walls shall not be double formed before reinforcing steel is installed unless prior approval has been granted.

26. Contractor shall furnish adequate parking for all Integrity Rebar Placers employees at no cost to Integrity Rebar Placers within three (3) standard blocks of the jobsite. If Contractor does not provide this parking, Contractor will pay Integrity Rebar Placers for all parking related costs including cost of vehicle parking, cost of shuttle services and travel time costs while employees are in transit unless specifically included in Scope of Work / Price or by additive quote.

27. Contractor will provide full access to all areas of the project for at least one (1) Integrity Rebar Placers' Foreman truck to provide supplies and accessories as needed for the project.

28. Contractor shall furnish approved work drawings of the temporary support system for columns, wall cages and/or any assemblies regardless of height, which the bid documents may require. Contractor shall furnish and maintain adequate bracing, rigging, cables and guys, set all deadmen required to guy vertical reinforcing, and comply with the temporary system design (Rigging includes but is not limited to: chokers, shackles, spreader bars, etc....). Prior to hoisting support being removed, Contractor to inspect, approve compliance with temporary support system plan, and accept work.

29. Ramps adequate to allow semi tractor-trailer deliveries of reinforcing to point of final placement shall be furnished by Contractor for all work below grade and shall be maintained in place until all work below grade is complete. If above ramps are not provided, all cost for equivalent service shall be for Contractors account.

30. Masonry steel to be F.O.B. trucks jobsite, with Contractor agreeing to accept all responsibility for any shortages and/or replacement costs discovered twenty-four (24) hours subsequent to delivery. Unless shown otherwise on plan drawings, masonry vertical reinforcing is to be furnished in one piece, full height between stories of structure. If four-foot (4' 0") vertical lifts are required, Contractor and/or Contractor's subcontractor to assume all costs for additional splices required. All horizontal reinforcing #5 and smaller will be furnished in stock lengths plus corner bars.

31. Contractor shall furnish, at no cost to Integrity Rebar Placers hoisting/lowering of employees and materials to points of installation, wherever required.

32. Contractor shall furnish layout of dowels, which extend into masonry.

TERMS AND CONDITIONS

1. Prior Sale, Mill Pricings – All material is offered subject to prior sale and/or availability of current mill rollings and Seller shall have no liability whatsoever from a failure to provide goods because of prior sale or unavailability of current mill rollings.

2. Prices – Unless otherwise specified herein, prices noted on the face of this document are firm for fifteen (15) days; subject to the provision that, if, before shipment of this order, Seller should receive increases from manufacturers or suppliers, the right is reserved to adjust the above price to those in effect at time of shipment without notice.
   a. This offer void unless accepted within three days after the date of quotation, however, quotations for buyer's use in bidding on contracts shall remain open until ten days after date of contract award, but in no event longer than thirty days after date of quotation. Extension of time of acceptance valid only when made by Seller in writing.
   b. Quotations are based on prices of materials f.o.b. seller's plant or Mfg's. shipping point.
   c. Any tax imposed in respect to the sale of the materials sold hereunder shall be in addition to the sales price quoted herein.
   d. Orders for increased quantities included in same shipment will be accepted at unit prices of materials listed; reduction in quantities may result in increased unit prices.
   e. Quotations based upon materials take-off from plans are seller's interpretation of buyer's requirements, and are made for the purpose of assisting buyer only, and seller is not responsible for errors or omissions in respect to materials take-off. Stenographic and clerical errors subject to correction.

3. Delays - Seller shall not be liable for failure or delay in delivery by reason of acts or contingencies beyond seller's reasonable control, including but not limited to fires, floods, labor troubles, e.g., strikes or differences with workmen, accidents, breakdowns, delay of carriers, mill delay, total or partial failure for any reason of the usual sources of supply or transportation shortages, requirements or request of any government or subdivision thereof, government regulations or shortage of materials whether or not due to fault of Seller. Promises of shipment are as closely estimated as possible. Seller will use his best efforts to ship within time promised, but does not guarantee to do so. In the event of inability of the Seller; for any cause beyond Seller's control, to supply the total demands for any materials specified in this order, Seller may allocate its available supply among any or all Buyers' on such basis as Seller, at its sole discretion, may decide without liability for any failure to perform the contract which may be of consequence thereof. SELLER SHALL IN NO EVENT BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES WHATSOEVER RESULTING FROM ANY FAILURE OR DELAY IN DELIVERY WHETHER FROM CAUSES BEYOND SELLER'S CONTROL OR NOT.

4. Payments and Credits - All orders, i.e., shipments, deliveries, and performance of work, shall at all times be subject to the approval of the Seller's credit department. Invoices submitted by Seller under this order are payable at par in legal tender of the United States of America in the city designated in the remittance address, upon the payment terms and in the amounts set forth hereon. Discount is applicable only to the amount shown on the face of the invoice as "Discount Amount". If buyer fails to comply with terms of payment or sale, or if buyer's financial responsibility becomes impaired or unsatisfactory to seller, or whenever reasonable grounds for insecurity should arise with respect to due performance by the Buyer, Seller may demand different terms of payment from those specified on the face of this order. Any such demand shall be in writing and Seller reserves the right to withhold further deliveries on partially filled orders and to require payment in advance for satisfactory security or guarantee that invoices will be paid when due. AS LIQUIDATED DAMAGES AND NOT AS A PENALTY, BUYER SHALL BE OBLIGATED TO PAY ON ALL ACCOUNTS NOT PAID ON THE DUE DATE THEREOF THE LOWER OF (I) TWO PERCENT PER MONTH ON THE OUTSTANDING BALANCE OR (II) THE HIGHEST RATE PERMITTED BY LAW TOGETHER WITH ALL ATTORNEY'S FEES INCURRED BY SELLER TO COLLECT ANY DELINQUENT ACCOUNTS.

5. Delivery and Transportation freight charges, when specifically included in quotation, are upon the following terms (subject to change without notice to those in effect at time of shipment):
   a. Freight to destination is based on current applicable freight rates, any increase in which shall be for buyer's account. Seller will in no event be responsible for spotting, switching, drayage, or other local charges at destination.
   b. Freight shall include delivery of materials to a single point of discharge. Buyer will furnish labor and equipment for unloading.
   c. Freight is based upon truckload or carload shipments, and any changes in points of delivery, times of delivery or variations in the order by buyer shall increase freight charges accordingly. SELLERS RESPONSIBILITY FOR LOSS OR DAMAGE IN TRANSIT TERMINATES UPON ACCEPTANCE OF MATERIALS BY COMMERCIAL CARRIER.

6. Inspection – Where Buyer is to inspect, inspection and acceptance must be made before shipment.

7. Warranty, Claims and Limitation of Remedies – Seller undertakes that the products sold hereunder shall conform to specifications on the face hereof. There is no implied warranty or condition except an implied warranty of title and freedom from encumbrance of the products sold hereunder. SELLER'S LIABILITY SHALL BE LIMITED TO THE OBLIGATION TO REPLACE MATERIAL PROVEN TO HAVE BEEN DEFECTIVE IN QUALITY OF WORKMANSHIP, OR TO ALLOW CREDIT THEREFORE AT SELLER'S OPTION. IN NO EVENT SHALL THE SELLER BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGE NOR FOR DELIVERY FREIGHT CHARGES, WAREHOUSING, OR LABOR TO INSTALL REPLACEMENT PARTS. Orders cannot be countermanded except for seller's written consent and upon terms that will indemnify seller against loss. Generally, standard items normally carried in seller's stock, returned in a new condition, freight prepaid, will be credited less fifteen percent restocking charge. Special items manufactured to order or not normally stocked are not returnable. Claims must be made promptly and within 5 days after receipt of shipment, and seller shall be given opportunity to investigate claims.

8. Waivers - Any failure of seller to enforce any of these conditions shall not be considered a waiver. In the event of suit or action by seller to enforce the terms and conditions or collect any sums due herein, buyer agrees to pay seller's reasonable attorney's fees. Court jurisdiction, if necessary, to be in Los Angeles County, CA

RE: Disadvantaged Business Enterprise Certification

Dear Mr. Pryor

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26, as amended. Your DBE certification status will be honored by all of the U.S. DOT recipients in California. Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs under the following specific areas of expertise:

NAICS (2007)	Description	Size Standard
423390	Other Construction Material Merchant Wholesalers (Supplier)	100 employees
423510	Metal Service Centers & Other Merchant Wholesalers (Supplier)	100 employees

Your DBE certification is good for five years from the date of this letter and applies only for the above NAICS 2007 codes. Requests for additional or revised NAICS 2007 codes must be made in writing to Metro. After the five-year certification period, your entire file will be reviewed in order to ascertain continued DBE certification status. Prior to your firm's DBE certification expiration date, Metro will send a letter to you requesting information necessary to complete this review.

The Regulations also require annual updates during this five year period. In order to assure continuing DBE status, you must submit annually a DBE Declaration with supporting documentation, in the format that will be sent to you. Based on your annual submission that no change in ownership and control has occurred, or if changes have occurred, they do not affect your firm's DBE standing, the DBE certification of your firm will continue until the five-year certification has expired.

Also, should any changes occur that could affect your certification status prior to receipt of the DBE Declaration, such as changes in your firm's name, business/mailing address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately. Your DBE certification is subject to review at any time. Failure to submit forms and/or change of information will be deemed as failure to cooperate under §26.109 of the Regulations.

Congratulations, and thank you for your interest in the CUCP.

Sincerely,

Lucille Coleman

Dear Business Person:

Congratulations on your Small Business (SB) certification with the State of California. Your business is now entitled to compete in the State's goal to spend 25 percent of its annual contracting dollars with small businesses. Each certified SB receives a five percent bid preference on applicable solicitations. This certification also guarantees higher interest penalties for late payment of undisputed invoices. You may purchase a rubber stamp by completing the Prompt Payment Rubber Stamp Order form at www.documents.dgs.ca.gov/pd/smallbus/ppstampreq.pdf. For more information or to verify certification status, visit www.eprocure.dgs.ca.gov.

Certification Period

From Apr 30, 2012 to May 31, 2014

Business Types

Non-Manufacturer

Conflict of Interest for Current and Former State Employees

Prior to contract award, agencies will assure the vendor is in compliance with Public Contract Code, Section 10410 et seq. addressing conflict of interest for State employees or former employees.

Annual Submission Requirement

Submit copies of the ENTIRE federal tax return to the Office of Small Business and DVBE Services (OSDS). If you have been granted a tax filing extension with the Internal Revenue Service, submit a copy of the extension form and annual financial statements; then, submit a copy of the tax return once filed. If you have employees, include the California Employment Development Department's "Quarterly Contribution Return and Report of Wages (Continuation)" (Form DE9C). If you have out-of-state employees, submit the employee documentation comparable to Form DE9C. These annual submissions also apply to all affiliated businesses.

Maintaining Your Online Certified Firm Profile

Visit www.eprocure.dgs.ca.gov/default.htm to update your certification profile. You may report changes to the following: mailing and principal office address; contact information; keywords and service areas; United Nations Standard Products and Services Codes, North American Industry Classification System (applicable only to

Manufacturers). This certification may be impacted if you update information beyond the aforementioned. To report changes by mail, complete a "Certification Information Change" form located at www.documents.dgs.ca.gov/pd/smallbus/certchange.pdf.

Certification Renewal

Please complete an online application at www.eprocure.dgs.ca.gov 90 days prior to the expiration date whether or not you receive a renewal notice. If you hold dual certifications, SB and DVBE certifications, you must renew both certifications at the same time. Please contact us at 800.559.5529, 916.375.4940 or by email at OSDSHelp@dgs.ca.gov if you have any questions.

Sincerely,

GOOD FAITH EFFORTS DOCUMENTATION - DBE

DES-OE-0102.11A (NEW 06/2012)

2. List the names of certified DBEs and the dates on which they were solicited to bid on this project. Include the items of work offered and the dates and methods used for following up initial solicitations to determine with certainty whether the DBEs were interested. Attach copies of solicitations, telephone records, fax confirmations, etc.

Name of DBEs Solicited	Date of Initial Solicitation	Item(s) of Work	Follow Up Methods and Dates
See CUCP search attached	10/10/14	See attached copy of RFQ sent	Faxed RFQ's 10/14/14 & 10/17/14 Phone calls 10/20-22/14
For DBE's Solicited			
Also see Opt-In Records for Contract 12-0F96A4 attached			

3. For each item of work made available, list the selected firm and its status as a DBE, the DBEs that provided quotes, the price quote for each firm, and the price difference for each DBE if the selected firm is not a DBE.

Item(s) of Work	Name of Selected Firm	DBE or non-DBE	Name of Rejected Firm	Quote ($)	Price Difference ($)
See Exhibit 'B'					
Attached					

If the firm selected for the item is not a DBE, provide the reasons for the selection on a separate sheet and attach names, addresses, and phone numbers for the firms listed above.

Ames will require bidder to provide performance and payment bonds for the full amount of the Subcontract values. Costs of the bonds are to be provided as a separate line item. Please call to discuss how Ames Construction, Inc. can assist you in your bonding, credit and/or insurance needs. Also, let us know if you need assistance in obtaining necessary equipment, supplies, or materials for this project. We are an equal opportunity employer. Ames' Subcontract terms and conditions will apply to any contracts resulting from this request. The Subcontractor, by submission of its bid, agrees to the "Terms and Conditions" including all Exhibits and Attachments of Ames Subcontract Agreement. Ames reserves the right to accept or reject any or all quotations. **Pricing submitted to Ames construction for this project must be valid and may not be withdrawn for 120 calendar days from the date of bid opening.**

Our contact for this project is Thony Le. He can be reached at (951) 356-1275. Please fax quotes to (951) 549-9003.

Please acknowledge receipt of this RFQ by faxing back your intention to bid.

SUBCONTRACT PROPOSAL for POST-TENSIONING WORK

Lic# 492582

Bid Date:	October 23, 2014	Bid Documents:	Plans and Special Provisions issued by CDOT
Project #:	12-0F96A4	Bid Item #:	149 - Prestressing CIP Concrete
Proposal to:	Ames Construction, Inc. 391 N. Main St. Ste. 302 Corona, CA 92880	Fax: Phone:	951-549-9003 951-356-1275
Project:	**Route 5 / Avenida Pico UC** **San Clemente, CA**	SDI Bid #:	15-020

Schwager Davis, Inc. (hereinafter called SDI) is pleased to submit this proposal for the furnishing and installation of post-tensioning materials, all in accordance with the bid documents and subject to the terms and conditions herein.

Scope of Work:

- Placing drawings for post-tensioning work.
- Supply of 0.6" uncoated steel prestressing strand, galvanized steel spiro-type duct, end anchorages (including spirals) and grout materials for post-tensioning installation.
- Supply of labor, supervision and equipment for fabrication, installation, stressing and grouting of all post-tensioning.
- Includes PT for structures: Avenida Pico UC Stage 1 & 2

TOTAL PRICE: $267,824.00 (including tax)

✓

Schedule: The above price is based on completion of SDI's work by July 1, 2017 working regular 8-hour day shifts, five days per week. If through no fault of SDI, work needs to be performed other than during these periods, the price for that portion of the work will be subject to a negotiated increase.

The above price is based on a maximum (4) move-ins. For each additional move-in add $1,500. An additional move-in is defined as the interruption of work by more than one shift by no fault of the Subcontractor.

Payment Terms:

Progress & Final Payment: Due and payable within thirty (30) days after invoice date. No retention shall be withheld.

SCHWAGER DAVIS, INC. GENERAL TERMS AND CONDITIONS

1. ACCEPTANCE. This Proposal, which includes these General Terms and Conditions, may be accepted only by signing one copy of the Proposal and returning it to SCHWAGER DAVIS, INC. ("SDI") so that it is received by SDI no later than the date specified on the Proposal. The Proposal may also be accepted by either Buyer's providing written notice to SDI to proceed or Buyer's oral notice to proceed and SDI's commencing of work on the Project. Upon acceptance, this Proposal shall become the Contract between the parties.

2. WRITTEN ASSENT TO ADDITIONAL TERMS REQUIRED. This Proposal is subject to acceptance only on the terms and conditions stated in this Proposal. Any additional or different terms and conditions proposed by Buyer are hereby rejected, and shall be of no force or effect unless expressly assented to in writing by SDI. There shall be no contract except upon the terms and conditions provided in this Proposal.

3. LIABILITY FOR PAYMENT. Buyer agrees that Buyer is liable to SDI for the Total Price and the terms of payment thereof as set forth in this Contract. If Buyer fails to make payment to SDI when due, or if, in SDI's sole and reasonable opinion, Buyer's ability to make future payment becomes impaired, Buyer shall be in default of this Contract. SDI shall be entitled to cancel this Contract without any liability whatsoever to Buyer, and SDI shall be entitled to recover from Buyer its damages.

4. DELAY OR FAILURE TO PERFORM. SDI shall be excused for any delay or failure in performance due to an act of God, war, riot, embargo, an act of any civil or military authority, fire, flood, accident, quarantine restriction, mill condition, strike, difference with workers, delay in transportation, shortage of cars, fuel, labor, material or equipment, delay by Buyer in the approval of any redesign or shop drawing of SDI (when such is part of SDI's obligation) or any other cause beyond the reasonable control of SDI.

5. SDI INSPECTION AND TESTING. The material to be furnished under this Contract shall be subject to SDI's standard quality control at the place of manufacture, and any other inspection shall be at the expense of Buyer.

6. INSURANCE. Buyer agrees, at Buyer's option, to insure against loss from fire and extended coverage perils, Buyer's interest, including SDI's interest, in the entire structure on which the work of this Contract is to be done, including all property, material and supplies. If Buyer does not maintain such insurance in an adequate amount, Buyer shall reimburse SDI for any loss which would have been recoverable there from. SDI is protected by Worker's Compensation Insurance (and/or Employers' Liability Insurance); Public Liability Insurance for Bodily Injury with limits of Five Million Dollars/Five Million Dollars ($5,000,000/5,000,000); Public Property Damage Insurance with limits of One Million Dollars ($1,000,000); and Automobile Casualty Insurance and Property Damage Insurance, and will furnish certificates evidencing such coverage upon request. If Buyer's contract or purchase order places greater responsibility upon SDI or requires further insurance coverage, SDI, if specifically directing in writing by Buyer, shall obtain additional insurance (if procurable) to protect SDI at Buyer's expense, but SDI shall not be responsible for property damage from any cause, including fire and explosion, beyond the amounts and coverage of SDI's insurance, and Buyer agrees to hold SDI harmless from the cost of any such damage, including all expenses related thereto.

7. DESIGN. SDI shall not have any liability whatsoever for the design or details of others, and Buyer shall defend, indemnify, and hold SDI free and harmless of any such liability.

8. INDEMNIFICATION. SDI shall indemnify and save harmless Buyer against any liability, loss or expense incurred or suffered in consequence either of bodily injury to any person (including death), or damage to any property, to the extent that (1) materials supplied by SDI are defective and have failed; (2) installation of materials by SDI are not in accordance with standard practices and the installation is defective. For any and all other claims which arise by reason or in consequence of SDI's work, Buyer agrees to hereinafter indemnify, defend and hold harmless and release SDI (including SDI's successors and assigns and personal representatives), from and against any and all claims, demands, liabilities, losses, obligations, damages of whatever nature, costs (including, but not limited to, fees and expenses of attorneys to be chosen by SDI), actions and causes of actions of any nature whatsoever, known or unknown, and whether for compensatory or punitive damages.

   In claims against SDI by any employee of Buyer, its subcontractors, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the indemnification obligation hereunder shall not be in any way limited by any limitation on the amount or type of damages, compensation or benefits payable by or for Buyer or its subcontractors under workers' or workmen's compensation acts, disability benefit acts or other employee benefit acts.

9. SAFETY. Buyer agrees to indemnify and hold SDI harmless for any fines, penalties, damages, attorneys' fees, or any other expense incurred as a result of Buyer's failure to comply with any federal or state OSHA regulation or any other governmental or industrial safety requirement or standard.

10. COMPLIANCE WITH LAWS. SDI shall comply with Federal, State and local tax laws, social security acts, unemployment compensation acts and workers' or workmen's compensation acts insofar as applicable to the performance of this Contract.

11. MODIFICATIONS. This Contract, including in particular the Scope of Work, can be modified or rescinded only by a writing signed by both of the Parties or their duly authorized agents.

12. WAIVER. No claim or right arising out of a breach of this Contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by a consideration and is in writing signed by the aggrieved party.

13. ATTORNEYS' FEES AND COSTS. In the event any legal action arises out of this Contract, the prevailing party shall be entitled to recover from the other its reasonable attorneys' fees and costs of suit.

14. TIME OF ESSENCE. With respect to all matters in this Contract, time is of the essence.

15. APPLICABLE LAW. This Contract shall be governed by the laws of the State of California, including the Uniform Commercial Code as adopted in the State of California as effective and in force on the date of this Contract.

TERMS AND CONDITIONS

1. Prior Sale, Mill Pricings – All material is offered subject to prior sale and/or availability of current mill rollings and Seller shall have no liability whatsoever from a failure to provide goods because of prior sale or unavailability of current mill rollings.

2. Prices – Unless otherwise specified herein, prices noted on the face of this document are firm for fifteen (15) days; subject to the provision that, if, before shipment of this order, Seller should receive increases from manufacturers or suppliers, the right is reserved to adjust the above price to those in effect at time of shipment without notice.
   a. This offer void unless accepted within three days after the date of quotation, however, quotations for buyer's use in bidding on contracts shall remain open until ten days after date of contract award, but in no event longer than thirty days after date of quotation. Extension of time of acceptance valid only when made by Seller in writing.
   b. Quotations are based on prices of materials f.o.b. seller's plant or Mfg's. shipping point.
   c. Any tax imposed in respect to the sale of the materials sold hereunder shall be in addition to the sales price quoted herein.
   d. Orders for increased quantities included in same shipment will be accepted at unit prices of materials listed; reduction in quantities may result in increased unit prices.
   e. Quotations based upon materials take-off from plans are seller's interpretation of buyer's requirements, and are made for the purpose of assisting buyer only, and seller is not responsible for errors or omissions in respect to materials take-off. Stenographic and clerical errors subject to correction.

3. Delays - Seller shall not be liable for failure or delay in delivery by reason of acts or contingencies beyond seller's reasonable control, including but not limited to fires, floods, labor troubles, e.g., strikes or differences with workmen, accidents, breakdowns, delay of carriers, mill delay, total or partial failure for any reason of the usual sources of supply or transportation shortages, requirements or request of any government or subdivision thereof, government regulations or shortage of materials whether or not due to fault of Seller. Promises of shipment are as closely estimated as possible. Seller will use his best efforts to ship within time promised, but does not guarantee to do so. In the event of inability of the Seller; for any cause beyond Seller's control, to supply the total demands for any materials specified in this order, Seller may allocate its available supply among any or all Buyers' on such basis as Seller, at its sole discretion, may decide without liability for any failure to perform the contract which may be of consequence thereof. SELLER SHALL IN NO EVENT BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES WHATSOEVER RESULTING FROM ANY FAILURE OR DELAY IN DELIVERY WHETHER FROM CAUSES BEYDND SELLER'S CONTROL OR NOT.

4. Payments and Credits - All orders, i.e., shipments, deliveries, and performance of work, shall at all times be subject to the approval of the Seller's credit department. Invoices submitted by Seller under this order are payable at par in legal tender of the United States of America in the city designated in the remittance address, upon the payment terms and in the amounts set forth hereon. Discount is applicable only to the amount shown on the face of the invoice as "Discount Amount". If buyer fails to comply with terms of payment or sale, or if buyer's financial responsibility becomes impaired or unsatisfactory to seller, or whenever reasonable grounds for insecurity should arise with respect to due performance by the Buyer, Seller may demand different terms of payment from those specified on the face of this order. Any such demand shall be in writing and Seller reserves the right to withhold further deliveries on partially filled orders and to require payment in advance for satisfactory security or guarantee that invoices will be paid when due. AS LIQUIDATED DAMAGES AND NOT AS A PENALTY, BUYER SHALL BE OBLIGATED TO PAY ON ALL ACCOUNTS NOT PAID ON THE DUE DATE THEREOF THE LOWER OF (i) TWO PERCENT PER MONTH ON THE OUTSTANDING BALANCE OR (II) THE HIGHEST RATE PERMITTED BY LAW TOGETHER WITH ALL ATTORNEY'S FEES INCURRED BY SELLER TD COLLECT ANY DELINQUENT ACCOUNTS.

5. Delivery and Transportation freight charges, when specifically included in quotation, are upon the following terms (subject to change without notice to those in effect at time of shipment):
   a. Freight to destination is based on current applicable freight rates, any increase in which shall be for buyer's account. Seller will in no event be responsible for spotting, switching, drayage, or other local charges at destination.
   b. Freight shall include delivery of materials to a single point of discharge. Buyer will furnish labor and equipment for unloading.
   c. Freight is based upon truckload or carload shipments, and any changes in points of delivery, times of delivery or variations in the order by buyer shall increase freight charges accordingly. SELLERS RESPONSIBILITY FOR LOSS OR DAMAGE IN TRANSIT TERMINATES UPON ACCEPTANCE OF MATERIALS BY COMMERCIAL CARRIER.

6. Inspection – Where Buyer is to inspect, inspection and acceptance must be made before shipment.

7. Warranty, Claims and Limitation of Remedies – Seller undertakes that the products sold hereunder shall conform to specifications on the face hereof. There is no implied warranty or condition except an implied warranty of title and freedom from encumbrance of the products sold hereunder. SELLER'S LIABILITY SHALL BE LIMITED TO THE OBLIGATION TO REPLACE MATERIAL PROVEN TO HAVE BEEN DEFECTIVE IN QUALITY OF WORKMANSHIP, OR TO ALLOW CREDIT THEREFORE AT SELLER'S OPTION. IN NO EVENT SHALL THE SELLER BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGE NOR FOR DELIVERY FREIGHT CHARGES, WAREHOUSING, OR LABOR TO INSTALL REPLACEMENT PARTS. Orders cannot be countermanded except for seller's written consent and upon terms that will indemnify seller against loss. Generally, standard items normally carried in seller's stock, returned in a new condition, freight prepaid, will be credited less fifteen percent restocking charge. Special items manufactured to order or not normally stocked are not returnable. Claims must be made promptly and within 5 days after receipt of shipment, and seller shall be given opportunity to investigate claims.

8. Waivers - Any failure of seller to enforce any of these conditions shall not be considered a waiver. In the event of suit or action by seller to enforce the terms and conditions or collect any sums due herein, buyer agrees to pay seller's reasonable attorney's fees. Court jurisdiction, if necessary, to be in Los Angeles County, CA

RE: Disadvantaged Business Enterprise Certification

Dear Mr. Pryor

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26, as amended. Your DBE certification status will be honored by all of the U.S. DOT recipients in California. Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs under the following specific areas of expertise:

NAICS (2007)	Description	Size Standard
423390	Other Construction Material Merchant Wholesalers (Supplier)	100 employees
423510	Metal Service Centers & Other Merchant Wholesalers (Supplier)	100 employees

Your DBE certification is good for five years from the date of this letter and applies only for the above NAICS 2007 codes. Requests for additional or revised NAICS 2007 codes must be made in writing to Metro. After the five-year certification period, your entire file will be reviewed in order to ascertain continued DBE certification status. Prior to your firm's DBE certification expiration date, Metro will send a letter to you requesting information necessary to complete this review.

The Regulations also require annual updates during this five year period. In order to assure continuing DBE status, you must submit annually a DBE Declaration with supporting documentation, in the format that will be sent to you. Based on your annual submission that no change in ownership and control has occurred, or if changes have occurred, they do not affect your firm's DBE standing, the DBE certification of your firm will continue until the five-year certification has expired.

Also, should any changes occur that could affect your certification status prior to receipt of the DBE Declaration, such as changes in your firm's name, business/mailing address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately. Your DBE certification is subject to review at any time. Failure to submit forms and/or change of information will be deemed as failure to cooperate under §26.109 of the Regulations.

Congratulations, and thank you for your interest in the CUCP.

Sincerely,

Lucille Coleman

Dear Business Person:

Congratulations on your Small Business (SB) certification with the State of California. Your business is now entitled to compete in the State's goal to spend 25 percent of its annual contracting dollars with small businesses. Each certified SB receives a five percent bid preference on applicable solicitations. This certification also guarantees higher interest penalties for late payment of undisputed invoices. You may purchase a rubber stamp by completing the Prompt Payment Rubber Stamp Order form at www.documents.dgs.ca.gov/pd/smallbus/ppstampreq.pdf. For more information or to verify certification status, visit www.eprocure.dgs.ca.gov.

Certification Period

From Apr 30, 2012 to May 31, 2014

Business Types

Non-Manufacturer

Conflict of Interest for Current and Former State Employees

Prior to contract award, agencies will assure the vendor is in compliance with Public Contract Code, Section 10410 et seq. addressing conflict of interest for State employees or former employees.

Annual Submission Requirement

Submit copies of the ENTIRE federal tax return to the Office of Small Business and DVBE Services (OSDS). If you have been granted a tax filing extension with the Internal Revenue Service, submit a copy of the extension form and annual financial statements; then, submit a copy of the tax return once filed. If you have employees, include the California Employment Development Department's "Quarterly Contribution Return and Report of Wages (Continuation)" (Form DE9C). If you have out-of-state employees, submit the employee documentation comparable to Form DE9C. These annual submissions also apply to all affiliated businesses.

Maintaining Your Online Certified Firm Profile

Visit www.eprocure.dgs.ca.gov/default.htm to update your certification profile. You may report changes to the following: mailing and principal office address; contact information; keywords and service areas; United Nations Standard Products and Services Codes, North American Industry Classification System (applicable only to

Manufacturers). This certification may be impacted if you update information beyond the aforementioned. To report changes by mail, complete a "Certification Information Change" form located at www.documents.dgs.ca.gov/pd/smallbus/certchange.pdf.

Certification Renewal

Please complete an online application at www.eprocure.dgs.ca.gov 90 days prior to the expiration date whether or not you receive a renewal notice. If you hold dual certifications, SB and DVBE certifications, you must renew both certifications at the same time. Please contact us at 800.559.5529, 916.375.4940 or by email at OSDSHelp@dgs.ca.gov if you have any questions.

Sincerely,

Office of Small Business and DVBE Services

- Prices include applicable State and Local Sales Tax.
- **Prices, as quoted, will remain firm for thirty** (30) **calendar days**, after which time Integrity Rebar Placers reserves the right to revise this quotation.
- Prices / Bid items quoted are not for separate acceptance without prior approval.
- Integrity Rebar Placers' price is based on detailing, fabricating and placing on a normal five (5) day, forty (40) hour work week (all Union contract and nationally recognized holidays are observed). Performance will be based on conventional construction, timely receipt of (2) complete printed sets of plans, specifications (in addition to CADD files) and adequate written schedules to which Integrity Rebar Placers has agreed. Contractor shall furnish design information, locations of pour joints, and construction schedules in sufficient time to allow for preparation and approval of submittals, plus seven (7) working days for fabrication and delivery. Additional lead-time will be required for special mill rolling, spirals, epoxy coating and/or special mesh. Contract delays of more than forty five (45) days may result in additional cost of materials.
- Seller reserves the right to renegotiate additional price increases, for any shipments and/or placing after _____

GENERAL CONDITIONS

1. Contractor's acceptance of all of the terms and conditions of this Bid/Offer shall be conclusively evidenced by Contractor listing, permitting/directing performance, or signing and returning this offer.

2. Integrity Rebar Placers may begin performance of the work, pending receipt of an executed final agreement. However, should a final mutually acceptable agreement not be forthcoming or should the terms and conditions of Integrity rebar Placers offer be altered or modified, Integrity Rebar Placers reserves the right to immediately stop performance and Contractor agrees to indemnify Integrity Rebar Placers for all costs and loss of profit.

3. The following items, as required, are to be provided by Contractor, fully erected for use at all locations necessary without charge to Integrity Rebar Placers:

   A. Grades and Lines.
   B. Templates.
   C. Racks, Ramps, Ladders, Cal-Osha approved Heavy Duty scaffolding (per sections 1926 subpart L App. A & E).
   D. Full access to all working areas for material, equipment and manpower.
   E. Level space for delivery, assembly and storage of steel, accessible to tractor-semi-trailer deliveries and adjacent to jobsite location where steel is to be used and/or hoisted/lowered.
   F. Adequate lighting as required, sanitary facilities, trash bins, etc.
   G. As required, adequate electrical power and compressed air (90 PSI Min.).

4. Subcontractor shall be paid monthly progress payments equal to one hundred percent (100%) of monthly billings within ten days (10) days of Contractor receiving payment from project owner for value of work completed, plus Owner approved amount of materials on hand and/or equipment (if any) suitably stored on or off site. Contractor shall, at all times, be financially responsible to Integrity Rebar Placers for labor and material supplied pursuant to this offer. If a dispute arises between Contractor and Owner that delays receipt of payment by Contractor from Owner, unrelated to the performance of or materials supplied by Subcontractor, Contractor shall make progress and/or retention payment to Subcontractor within a reasonable time. A reasonable time for payment from Contractor to Subcontractor shall be defined as being due 45 days from Subcontractor's progress billing date.

5. Contractor shall not withhold retention greater than that being withheld by the Owner from the Contractor and shall immediately reduce retention withheld from Subcontractor, by a like percentage, when reduced to Contractor by Owner. In no event shall retention withheld by Contractor from Integrity Rebar Placers exceed the percentage withheld from Contractor by Owner. Final retention payment shall be made not later than 35 days from date Intagrity Rebar Placers has completed its scope of work.

6. No retention shall be withheld on FOB and/or tied and stockpiled material, if approved by Owner.

7. Integrity Rebar Placers shall not be required to continue performance if, after Contractor has received payment for the properly performed work of Integrity Rebar Placers, timely payments are not made to Integrity Rebar Placers.

8. All sums not paid when due shall bear an interest rate of 2% per month or the maximum legal rate permitted by law, whichever is greater; and all costs of collection, including a reasonable attorney's fee, shall be paid by Contractor as prescribed by Section 7108.5 of the California Business and Professions Code.

9. No provision of this Subcontract shall serve to void Integrity Rebar Placers entitlement to payment for properly performed contract/extra work or suitably stored materials, or to void Subcontractor's right to file a lien, stop notice, and/or claim on its behalf.

10. Neither party will have the right of set-off against the other party for any reason.

11. If Integrity Rebar Placers is required by the Contractor to perform change order/extra work, said extra work must be authorized in writing by Contractor's Field Management personnel having apparent authority to authorize such extra work or an officer of the Contractor. Such written/executed directives from the Contractor shall constitute acceptance of financial responsibility by Contractor and a billable event upon completion of the work.

12. No back charges or claims of the Contractor for services provided shall be valid except by an agreement in writing, agreed to between the parties prior to services being provided.

13. Field labor called for herein is to be performed during Integrity Rebar Placers regular working hours, eight hours per day, five days a week (all Union Holidays are observed), unless required and agreed to during bid negotiations. All work performed outside of such hours shall be charged at Integrity Rebar Placers standard rates for overtime, weekend, or holiday work. Integrity Rebar Placers standard rates are per Caltrans force account rates. (Labor Surcharge % per Concrete Construction - Bridge) However, should Integrity Rebar Placers be behind the preapproved construction schedule, all overtime/premium time required to regain the construction schedule shall be for subcontractor's account.

14. Integrity Rebar Placers will indemnify, defend and save harmless Contractor and Contractor's customer from Integrity Rebar Placers proportionate share of liability for claims attributable to bodily injury (including death) and/or property damage (to other than the Work itself) to the extent caused by the negligence or intentional misconduct of Integrity Rebar Placers or anyone directly or indirectly employed by Integrity Rebar Placers. Subcontractor will name Contractor and Contractor's customer as additional insured on Subcontractor's insurance policies only if required to do so by the Contract Documents and only by means of Subcontractor's standard additional insured endorsement. Indemnification and insurance provided by Integrity Rebar Placers shall not extend coverage to Architects, Engineers or other design professionals. Indemnification and insurance coverage shall be limited to Contractor and Contractor's customer only.

19. The Contractor shall make no demand for liquidated damages for delays in excess of the amount specified in the Contract Documents and no liquidated damages may be assessed against Subcontractor for more than its proportionate share of the amount paid by the Contractor for unexcused delays to the extent actually caused by Subcontractor.

21. Splices in reinforcing bars and/or construction joint dowels for Contractor's convenience shall be for Contractor's account. Also splices required due to low overhead, power lines and/or deficiencies in hoisting equipment unless specifically shown on contract drawings at that particular location shall be for Contractor's account.

22. Integrity Rebar Placers shall not be liable for repair of any damage caused by others outside the control of Integrity Rebar Placers. Approval for pouring or embedment in concrete shall constitute acceptance by Contractor of that portion of work and shall terminate Integrity Rebar Placers responsibility. Required remedial work, due to damage caused by others shall be for Contractor's account.

24. Cost of Ironworker show-up and/or stand-by time, scheduled by Contractor, when work is not ready shall be for Contractor's account.

25. Contractor shall furnish, without charge, templates/starter walls constructed with sufficient accuracy to support vertical reinforcing steel within placing tolerances specified by Owner. Templates/Starter walls shall not be double formed before reinforcing steel is installed unless prior approval has been granted.

26. Contractor shall furnish adequate parking for all Integrity Rebar Placers employees at no cost to Integrity Rebar Placers within three (3) standard blocks of the jobsite. If Contractor does not provide this parking, Contractor will pay Integrity Rebar Placers for all parking related costs including cost of vehicle parking, cost of shuttle services and travel time costs while employees are in transit unless specifically included in Scope of Work / Price or by additive quote.

27. Contractor will provide full access to all areas of the project for at least one (1) Integrity Rebar Placers' Foreman truck to provide supplies and accessories as needed for the project.

28. Contractor shall furnish approved work drawings of the temporary support system for columns, wall cages and/or any assemblies regardless of height, which the bid documents may require. Contractor shall furnish and maintain adequate bracing, rigging, cables and guys, set all deadmen required to guy vertical reinforcing, and comply with the temporary system design (Rigging includes but is not limited to: chokers, shackles, spreader bars, etc....). Prior to hoisting support being removed, Contractor to inspect, approve compliance with temporary support system plan, and accept work.

29. Ramps adequate to allow semi tractor-trailer deliveries of reinforcing to point of final placement shall be furnished by Contractor for all work below grade and shall be maintained in place until all work below grade is complete. If above ramps are not provided, all cost for equivalent service shall be for Contractors account.

30. Masonry steel to be F.O.B. trucks jobsite, with Contractor agreeing to accept all responsibility for any shortages and/or replacement costs discovered twenty-four (24) hours subsequent to delivery. Unless shown otherwise on plan drawings, masonry vertical reinforcing is to be furnished in one piece, full height between stories of structure. If four-foot (4' 0") vertical lifts are required, Contractor and/or Contractor's subcontractor to assume all costs for additional splices required. All horizontal reinforcing #5 and smaller will be furnished in stock lengths plus corner bars.

31. Contractor shall furnish, at no cost to Integrity Rebar Placers hoisting/lowering of employees and materials to points of installation, wherever required.

32. Contractor shall furnish layout of dowels, which extend into masonry.

REVISED 1:45PM

Project: CT 12-OF96A4, SAN CLEMENTE
Bid Date: 10/23/2014 **Bid Time:** 2:00 PM

The following is our proposal for the landscape and irrigation on the above referenced project per the plans and specifications of:

Architect: Lynn Capouya
Sheets: 314 Thru 321, 326 Thru 331
Dated: 3/10/14
Spec. Sect.: 20 Landscape
Wage: Federal **Addenda:** #1

SEE ATTACHED BID BREAKDOWN

Qualifications:

* Site to be received in a clean, weed free condition. No import or export of soil or topsoil. All areas are to be received at +/-.10' of finish grade. Any areas requiring import of materials by Marina such as sand, decomposed granite, topsoil, special soil mixes, etc., shall be received at +/- .10' of subgrade elevations. All spoils generated from plant excavations shall be spread on site.
* This bid is based on trenching with a trencher in a conventional manner. Hard dig trenching or excavation that requires the use of other types of equipment, such as rock saws and backhoes, is excluded.
* Our work includes two move-ins. Any additional moves shall be billed at $ 750.00 each.
* All large trees, pipe and wire shall be installed prior to paving or hardscape. Protection of paving or hardscape by others. Adequate access must be provided if the use of a crane is required for removal and placement of large palms or boxed plant material.
* Existing wires to be connect to new wires shall be the same size & type as the new wires.

Exclusions:

* Demolition, removals, clearing, grubbing, digging, or trenching of hard dig materials.
* 110 /120 volt electrical power, hookup, or telephone service to irrigation controllers or pumps.
* Permits, testing, auditing, inspection fees, water costs, water meters/meter fees, electrical meter/pedestal. or service line.
* Traffic control, survey, hot tap, coring, boring, jacking, hydraulic drilling, drainage, waterproofing, concrete, masonry, fencing, asphalt, saw-cutting, patching, protection boards, restoration, relocation, pot holing, utility identification, S.W.P.P.P., B.M.P., lead compliance, trench plates, erosion control, temporary facilities, tree well, or site furnishings.
* Maintenance, removal, or disposal of all erosion control.
* Protection, relocation, repair, or maintenance of existing irrigation, planting, utilities, or hardscape.

The intent of this proposal limits the performance of work as listed in the above plans, specifications, and addenda. We will coordinate work with other applicable trades as required.

Marina is an established union contractor with over 42 years of experience and the ability to bond our projects (add 1% as a change order to the contract). Bond's will be supplied on Berkley Surety or AGC standard bond forms. If accepted, this proposal is to be part of our contract. Should you have any questions or comments please do not hesitate to contact me.

VI. OTHER TERMS AND CONDITIONS

Inconsistent Terms: Where any provision of this Agreement is inconsistent with any provision of any of the Project Specifications and Plans or in the event that any right or obligation included in the Agreement is modified, limited or altered by the terms of any Bid Document or by any terms proposed by the Purchaser, the terms and conditions of this Agreement shall govern. All prices are based upon execution of this Agreement without modification.

The Parties hereby agree that this contract and its associated documents may be transmitted, signed and sent through electronic means including, but not limited to, electronic mail and/or facsimile, and the resulting agreement shall be binding as if the parties had met and signed such agreement in person. This Agreement may be executed in counterparts. The Parties further agree that this contract and its associated documents will constitute an original record and/or original signature to the extent any rule of law requires an original record or original signature.

GENERAL CONDITIONS OF CONTRACT

GENERAL TERMS AND CONDITIONS

(These General Terms and Conditions are a Part of the attached Quotation/Purchase Order and the resulting Purchase Order Agreement)

I. PURCHASE ORDER AGREEMENT

A. Entire Agreement: The Quotation/Purchase Order and General Terms and Conditions ("Purchase Order Agreement") represent the entire and integrated agreement between the parties hereto and supersede and replace all prior negotiations, representations and agreements, whether written or verbal

B. Order of Precedence: In case of any inconsistency between the Quotation/Purchase Order and these General Terms and Conditions, they shall be taken in the following order of precedence: 1) Purchase Order, 2) General Terms and Conditions.

II. SCOPE OF WORK

A. Supply of Goods: This is a Purchase Order for the Supply of Materials.

B. Design Assistance: Any technical or design services provided are incidental to the supply of the Materials. If and to the extent RECo participates in the selection of the Materials to be provided, RECo relies entirely on the Drawings, Specifications, and survey data provided by the Owner and the Purchaser. RECo has not performed any independent investigation of the Project conditions. RECo's Material selection relates only to the internal stability of the structure for which its Materials are used. RECo is not responsible for the overall stability of the foundation soils below, or soils otherwise surrounding the Structure, or any slip surfaces external to the Structure.

C. Technical Assistance: Any technical assistance provided by RECo at the request of Purchaser is of a consulting nature and shall not at any time relieve Purchaser of its sole responsibility to construct the structure in accordance with the Project Specifications and all applicable local, state or federal statutes and regulations, including, without limitation, the responsibility to use backfill material and compaction procedures conforming to the Project Specifications. Such technical assistance shall not shift the responsibility for Project design, or any part thereof to RECo. The provision of technical assistance is for the benefit of the Purchaser only and shall not be for the benefit of any other party, including the Project Owner.

D. Quantities: If and to the extent that RECo participates in the estimation of the quantities to be provided, the parties acknowledge that RECo has relied entirely on the Drawings, Specifications, and survey data provided by the Owner and the Purchaser. RECo has not performed any independent investigation of the Project conditions. Such assistence shall not shift the responsibility for the estimation of quantities to RECo.

E. Delivery:

1) Terms of Delivery: To the extent possible, deliveries shall be in full truckload quantities, FOB Job Site or as near to Job Site as trucks can reasonably be driven under their own power, or, at Purchaser's option, to storage. Purcheser shall be responsible for unloading all materials and to provide suitable facilities for storage and unloading. All charges for unloading beyond two hours per truck and for storage and transfer of Materials after delivery shall be paid by Purchaser. Purchaser will return all dunnage to RECo for future use.

2) Control: Purchaser shall verify quantities and condition of Materials received with trucker's Bill of Lading upon receipt. Any discrepancy must be reported to RECo in writing within 24 hours of delivery. Such written notice is a condition precedent to any remedial action by, or claims against, RECo. If notice is not provided within the said period of time, or otherwise in accordance with this provision, Purchaser waives its right to claim.

3) Acceptance: Installation by Purchaser constitutes acceptance of the Meterial, the product dimensions and appearance.

4) Transfer of Title: The title to the Materials is deemed to pass to the Purchaser at the time of delivery. Purchaser shall bear sole responsibility to store and handle the Materials with reasonable skill and care, and shall be liable for any loss or damage to the Materials after delivery.

iii. TIME

A. Schedule: Purchaser shall provide a minimum of seven (7) days notice and lead time for the start-up and/or restart of panel delivery to the Job Site and at least 21 business days lead time for the start-up of steel delivery. Panel load sheets, prepared by Purchaser, must be received by the precaster a minimum of 3 business days prior to the requested time of delivery.

B. Changes to the Schedule: Any change to the Schedule for the Delivery of Materials shall be treated in accordance with Article V, Changes.

C. RECo Delay: If the Purchaser contends that RECo is delaying the Project, or any portion thereof, Purchaser shall notify RECo in writing within 48 hours of the start of the delay, and allow seven (7) business days for correction of such delay. Such notice is a condition precedent to the Purchaser's right to claim against RECo for such delay. If notice is not provided in accordance with the terms of this Agreement, Purchaser waives its right to claim for delay.

D. Excusable Delays: RECo shall not be liable for delays in design, delivery, construction, or completion of the Project due to causes beyond its reasonable control, including force majeure. Such delays shall not relieve Purchaser of its obligation to accept and pay for the Materials under this Purchase Order Agreement and in accordance with the Payment Schedule.

IV. PAYMENT

A. Terms for Payment: Regardless of whether RECo invoices are prepared and submitted on a lump sum or unit price basis, payment in full shall be made by Purchaser not later than thirty (30) days following receipt by Purchaser of RECo's invoice. No retention shall be withheld from payments due. PAYMENTS TO RECO SHALL NOT BE DEPENDENT UPON, OR OTHERWISE SUBJECT TO OR CONDITIONED UPON, THE RECEIPT BY PURCHASER OF PAYMENT FROM THE OWNER OR ANY OTHER SOURCE.

B. Late Payments: A service charge of 0.5% per month or the maximum amount allowed by law, whichever is lower, shall apply to late payments.

C. Remedies for Nonpayment: Without prejudice to any other remedy it may have at law or under this Agreement, if any payment is more than 14 days late, RECo may suspend fabrication and delivery of Materials until payments are brought current. Thereafter, the Purchase Order Price may be increased to compensate for RECo's cost associated with the interruption or alteration of the fabrication sequence or schedule, or the schedule for delivery of Materials. RECo is entitled to recover from Purchaser all reasonable costs associated with enforcing this Agreement.

V. CHANGES

A. Writing Required: Any changes to this Agreement must be made with a written Change Order mutually agreed to and executed by authorized representatives of the Purchaser and Seller. Changes to the terms and conditions of the original Agreement that cause RECo to incur additional costs shall entitle RECo to an equitable adjustment in the Purchase Order Price.

VI. WARRANTY

A. Warranty: RECo warrants that the Materials furnished hereunder shall conform to the Project Specifications (unless otherwise stated in this Agreement) and shall be free from defects in material and workmanship. Purchaser's exclusive remedy for any defects in the Materials shall be limited to replacement or repair, at RECo's option.

B. No Statutory Warranty: The warranties set forth herein are made by RECo and accepted by Purchaser in lieu of all statutory or implied warranties, other than as to title.

C. Notice: This warranty shall apply only when Purchaser has given RECo written notice of defect or nonconformity upon delivery of the Materials to Purchaser.

D. EXCLUSION OF WARRANTIES. THE PARTIES AGREE THAT THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND ALL OTHER WARRANTIES OTHER THAN AS SET FORTH ABOVE, BE THEY EXPRESS OR IMPLIED, ARE EXCLUDED FROM THIS TRANSACTION AND SHALL NOT APPLY TO THE MATERIALS FURNISHED BY RECO.

VII. OTHER TERMS AND CONDITIONS

A. Purchase Order for Exclusive Benefit of Purchaser: This Purchase Order Agreement, including the General Terms and Conditions, is for the exclusive benefit of the Purchaser. It confers no rights by way of third-party beneficiary or otherwise on any other party.

B. Assignment: This Purchase Order Agreement cannot be assigned without RECo's prior written consent.

C. Limitation of Liability: RECo's liability for any damages or default under the terms of this Purchase Order Agreement shall not exceed the Purchase Order Price. In no event shall RECo be liable for incidental, consequential, or liquidated damages.

D. Indemnification: RECo shall be proportionately responsible for loss or damage caused by its negligence. Purchaser agrees to indemnify RECo for any other claim of loss or damage.

E. Patents, Trademarks, and Proprietary Rights: RECo has actual or pending patents, trademarks, and proprietary rights in certain of the Materials, processes, and configurations (i.e., cruciform shape) supplied to Purchaser. The drawings and other information supplied to Purchaser remain the property of RECo and may not be disclosed or provided to any other person or used for any other purpose without RECo's written consent.

F. Dispute Resolution: All claims, disputes and other matters in question between the parties shall be resolved by litigation in the state or federal (if jurisdiction exists) courts in Fairfax County, Virginia. The parties stipulate that this Agreement is made and executed in Fairfax County, Virginia, and that the courts of Fairfax County, Virginia, or the federal court encompassing Fairfax County, Virginia, is a reasonable forum for resolution of disputes. In the event that Purchaser files or threatens to file any litigation pursuant to this Agreement or in the event that RECo determines that any claim, dispute or other matter in question should be resolved by arbitration, then by written notice RECo may elect to have the dispute resolved by arbitration in accordance with the rules and procedures of Judicial Arbitration and Mediations Services, Inc. (JAMS). Upon receipt of such notification, Purchaser shall dismiss without prejudice any litigation that it has instituted and shall promptly demand arbitration of such disputes pursuant to the JAMS rules. The parties agree that in any such arbitration, there will be no interrogatories or depositions unless the parties mutually agree. Any arbitration decision may be confirmed in any court of competent jurisdiction. In the event of any litigation between the parties, both parties agree to waive trial by jury, it being agreed by the parties that the nature of the business transactions between the parties are better resolved by judge trial.

G. No Limitation of Rights or Remedies: Nothing in the Purchase Order or these General Terms and Conditions shall be deemed a limitation of any rights or remedies that RECo may have under any Federal or State mechanics' lien laws or under any applicable labor and material payment bonds, unless such rights or remedies are expressly waived in writing.

H. Governing Law: This Purchase Order Agreement shall be governed by the laws of the Commonwealth of Virginia.

I. Headings: The headings in this Purchase Order Agreement are solely for the convenience of the parties and shall be used neither in the interpretation of the Agreement, nor to impose or lessen any obligation on either of the parties.

J. Enforceability of Agreement: If any article, paragraph, term, covenant, or condition of this Purchase Order Agreement, including the General Terms and Conditions, is determined to be invalid or unenforceable, the remainder of this Purchase Order Agreement including the General Terms and Conditions, and the application of the remaining articles, paragraphs, terms, covenants, or conditions shall be unaffected thereby, and shall be valid and enforceable to the fullest extent permitted by law.

K. In the event of Purchaser bankruptcy or being placed in receivership, this contract shall become null and void but all obligations created by this contract on behalf of the Purchaser shall remain valid and enforceable by RECo.

Standard Notes

1.All orders must be shipped within 30 days of manufacture or a storage charge applies equal to a maximum of 5% per month of the selling price of the stored material.

2.Allowable unloading time for delivery trucks is two (2) hours. Demurrage charges of $75.00 per hour thereafter will be added.

3.Construction loadings typically exceed the intended post-construction live load used for design. Contact your Contech representative for specific guidelines and limitations based on the construction live loads anticipated.

4.Flexible structures of the type on this project are reliant on the type of structural backfill used, the compaction of that material and the balanced placement of structural backfill. Contact your Contech representative for specific information.

5.Prices are based on standardized loading to achieve full truckloads. If special loading requirements are needed additional freight charges will be added.

6.Prices are f.o.b. origin with freight allowed to the jobsite with unloading by others at a truck accessible location.

7.Quotation is based upon estimated (not guaranteed) quantities. Buyer must verify final quantities needed prior to commencement of work by Contech. If Buyer elects to purchase from Seller only a portion of the material quoted, Seller retains the right to adjust its prices.

8.This quotation expires 30 days from the date shown. Prices are firm for shipment within 60 days of the date of quotation and are subject to a maximum escalation of 8% for each 30 days thereafter.

Scope of Work

Hel-Cor Pipe

Corrugated Metal Pipe (Hel-Cor Pipe) will be provided in standard lengths. Special lengths may be provided at an additional charge and are subject to manufacturing tolerances and shipping limitations.
Prices quoted are based on nesting diameters whenever possible. If un-nested loads are required additional freight charges will be added.

Slotted Drain

Slotted Drain will be provided in standard 20' lengths and is subject to manufacturing tolerances. Special lengths are available for an additional charge. Leveling devices or other installation tools are not included and are by others.

Contech - CONDITION OF SALES

1. ACCEPTANCE. This quotation is an offer to sell to potential customer(s). BUYER'S RIGHT TO ACCEPT THIS OFFER IS LIMITED TO BUYER'S ASSENT TO THE TERMS AND CONDITIONS PRINTED HEREON AND THE ATTACHED OR ACCOMPANYING QUOTE, AND NO TERMS ADDITIONAL TO OR DIFFERENT FROM THOSE IN THIS OFFER ARE BINDING ON SELLER. THERE ARE NO UNDERSTANDINGS, TERMS, CONDITIONS OF WARRANTIES NOT FULLY EXPRESSED HEREIN.

2. LIMITED WARRANTIES. Seller warrants that it can convey good title to the goods sold under this contract and that they are free of liens and encumbrances. Seller also warrants that the goods sold under this contract are free from defects in material and workmanship for a period of one year after the date of delivery. There are no warranties, express or implied with respect to products sold hereunder which are misused, abused, or used in conjunction with mechanical equipment improperly designed, used or maintained or which are used, supplied for use or made available for use in any nuclear application of which Seller has not been notified in writing by Buyer at the time of order for the products sold hereunder. SELLER MAKES NO OTHER WARRANTY WHATSOEVER, EXPRESS OR IMPLIED. ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND ALL IMPLIED WARRANTIES OF FITNESS FOR ANY PARTICULAR PURPOSE ARE DISCLAIMED BY SELLER AND EXCLUDED FROM THIS CONTRACT.

3. LIMITATION OF BUYER'S REMEDIES AND SELLER'S LIABILITY. Seller's liability hereunder shall be limited to the obligation to repair or replace only those products proven to have been defective in material or workmanship at the time of delivery, or allow credit, at its option. Seller's total cumulative liability in any way arising from or pertaining to any product sold or required to be sold under this contract shall NOT in any case exceed the purchase price paid by Buyer for such products. IN NO EVENT SHALL SELLER HAVE ANY LIABILITY FOR COMMERCIAL LOSS, LOST PROFITS, CLAIMS FOR LABOR, OR CONSEQUENTIAL OR INCIDENTAL DAMAGES OF ANY TYPE, WHETHER BUYER'S CLAIM BE BASED IN CONTRACT, TORT, WARRANTY, STRICT LIABILITY, NEGLIGENCE, OR OTHERWISE. IT IS EXPRESSLY AGREED THAT BUYER'S REMEDIES EXPRESSED IN THIS PARAGRAPH ARE BUYER'S SOLE AND EXCLUSIVE REMEDIES.

4. LIMITATION OF BUYER'S REMEDIES AND SELLER'S LIABILITY FOR FAILURE OR DELAY IN DELIVERY. NO DELIVERY DATES ARE GUARANTEED. BUYER'S SOLE AND EXCLUSIVE REMEDIES AND SELLER'S ONLY LIABILITY FOR ANY DELAY IN DELIVERY SHALL BE LIMITED AS SET FORTH IN PARAGRAPH 3 OF THIS CONTRACT.

5. FORCE MAJEURE. In any event and in addition to all other limitations stated herein, Seller shall not be liable for any act, omission, result or consequence, including but not limited to any delay in delivery or performance, which is (i) due to any act of God, the performance of any government order, any order bearing priority rating or order placed under any allocation program (mandatory or voluntary) established pursuant to law, local labor shortage, fire, flood or other casualty , governmental regulation or requirement, shortage or failure or raw material, supply, fuel, power or transportation, breakdown of equipment, or any cause beyond Seller's reasonable control whether of similar or dissimilar nature to those above enumerated, or (ii) due to any strike, labor dispute, or difference with workers, regardless of whether or not Seller's is capable of settling any such labor problem.

6. BUYER'S OBLIGATION TO PASS ON LIMITATION OR WARRANTIES AND REMEDIES. In order to protect Seller against claims by Buyer's buyer, if Buyer resells any of the goods purchased under this agreement, Buyer shall include the language contained in paragraphs 2 and 3 of this agreement, dealing with Seller's limitations of warranties and remedies, in an enforceable agreement with Buyer's buyer, or otherwise include language in an enforceable agreement with his buyer that makes Seller's limitation of warranties and remedies binding on its buyer. Buyer shall also include a provision in its agreement with its buyer applying Ohio law to any claims its buyer might assert against Seller with respect to goods manufactured by Seller, and requiring its buyer to bring any such action against Seller either in federal district court in Cincinnati, Ohio or the common pleas court for Butler County, Ohio. Buyer shall defend, indemnify and hold Seller harmless from any and all claims, causes of action, damages, losses or expenses (including reasonable attorneys' fees) that Seller incurs by reason of Buyer's failure to comply with this paragraph. paragraph.

7. PASSAGE OF TITLE. Title to the products sold hereunder shall pass upon delivery to the carrier at the point of shipment. Neither Buyer nor the consignee shall have the right to divert or reconsign such shipment to any destination other than specified in the bill of lading without permission of the Seller. Unless otherwise agreed Seller reserves the right to select the mode of transportation.

8. PAYMENTS AND LATE CHARGES ON PAST DUE ACCOUNTS. Buyer represents that Buyer is solvent and can and will pay for the products sold to Buyer in accordance with the terms hereof. If Buyer shall fail to comply with any provision or to make payments in accordance with the terms of this contract or any other contract between Buyer and Seller, Seller may at its option defer shipments or, without waiving any other rights it may have, terminate this contract. All deliveries shall be subject to the approval of Seller's Credit Department. Seller reserves the right, before making any delivery, to require payment in cash or security for payment, and if Buyer fails to comply with such requirement, Seller may terminate this contract. A late charge of 1-½% monthly (18% annual rate) or the maximum allowed by state law, if less, will be imposed on all past due accounts.

9. TRANSPORTATION CHARGES. Delivered prices or prices involving competitive transportation adjustments shall be subject to appropriate adjustment to reflect changes in transportation charges.

10. CLAIMS BY BUYER. Buyer shall thoroughly inspect products sold under this contract immediately upon receipt to verify for itself that they conform to the specifications of the contract. Buyer must notify Seller of claims for failure or delay in delivery within 30 days after the scheduled delivery date. Buyer must notify Seller of any claims for nonconforming or defective goods within 30 days after the nonconformity or defect was or should have been discovered. In addition, Seller must be given an opportunity to investigate the claim before Buyer disposes of the material, or else Buyer's claim will be barred. Seller shall incur no liability for damage, shortages, or other cause alleged to have occurred or existed at or prior to delivery to the carrier unless the Buyer shall have entered full details thereof on its receipt to the carrier.

11. MECHANICAL PROPERTIES; CHEMICAL ANALYSES. Data referring to mechanical properties or chemical analysis are the result of tests performed on specimens obtained from specific locations of the product(s) in accordance with prescribed sampling procedures; any warranty thereof is limited to the values obtained at such locations and by such procedures. There is no warranty with respect to values of the materials at other locations.

12. PATENTS. Seller shall indemnify Buyer against attorneys' fees and any damages or costs awarded against Buyer in the event any legal proceeding is brought against Buyer by a third person claiming the material delivered hereunder in itself constitutes an infringement of any U.S. patent, provided Buyer gives Seller prompt notice of any such suit being brought, gives Seller the opportunity to defend any such suit, and cooperates with Seller with respect to any such defense; unless the material is made in accordance with material designs, or specifications required by Buyer, in which case Buyer shall similarly indemnify Seller.

13. PERMISSIBLE VARIATIONS. The products sold hereunder shall be subject to Seller's standard manufacturing variations, tolerances and classifications.

14. TECHNICAL ADVICE. Buyer represents that it has made its own independent determination that the products it is purchasing under this contract meet the design requirements of Buyer's project and are suitable for Buyer's intended application. Buyer further represents that it has not relied in any respect on any written or oral statements or advice from Seller, other than the standard product specifications set forth in the most recent addition of Seller's published product brochures, in making that determination.

15. TAXES. If this proposal includes furnishing labor to install products, applicable use taxes have been included in the prices quoted. However, no other tax imposed in respect of the sale of the products sold hereunder is included in any quotation by Seller. Any tax shall be added and paid by Buyer as part of the purchase price.

16. BUYER'S RIGHT OF TERMINATION. Buyer may terminate this contract in whole or in part upon notice in writing to Seller. Seller shall thereupon cease work and transfer to Buyer title to all completed and partially completed products and to any raw materials or supplies acquired by Seller especially for the purpose of performing this contract, and Buyer shall pay Seller the sum of the following:
(1) the contract price for all products which have been completed prior to termination;
(2) the cost to Seller of the material or work in process as shown on the books of Seller in accordance with the accounting practice consistently maintained by Seller plus a reasonable profit thereon, but in no event more than the contract price;
(3) the cost f.o.b. Seller's plant of materials and supplies acquired especially for the purpose of performing this contract; and
(4) reasonable cancellation charges, if any, paid by Seller on account of any commitment(s) made hereunder.

17. SELLER'S RIGHT OF TERMINATION. In addition to the other rights of termination provided for in this contract, and if this contract is made pursuant to any governmental rule or regulation, plan, order or other directive, upon the directive, effected or impaired termination thereof, Seller shall have the option of cancelling this contract in whole or in part.

18. WAIVER. Failure or inability of either party to enforce any right hereunder shall not waive any right in respect to any other or future rights or occurrences.

19. DELIVERY. Unless otherwise agreed to in writing by the Seller, the Buyer hereby agrees to take delivery of the materials on this order within the later of thirty (30) days after the wanted date shown on the face of the order or within thirty (30) days after notification, oral or written, that the materials are ready for shipment. In the event that the Buyer does not arrange to take delivery of the materials in accordance with this Contract, Seller, at Seller's option, may:
(a) invoice the Buyer for the materials less freight if applicable; store the material in Seller's yard for a period not to exceed sixty (60) days from the date of invoice; charge a storage fee not to exceed 5% per month or fraction thereof of the selling price of the stored materials; add any applicable price increases listed on the face of the order; charge for any repair work to protective coatings harmed by weathering while such material is being stored; and charge applicable freight when shipment to the Buyer is made. Materials remaining in storage after sixty (60) days from the invoice date shall become the property of the Seller for disposition at the Seller's discretion. In that event, Buyer shall not be liable for the invoice price of the materials, but shall be liable for the storage fee and any repair work to protective coatings; or
(b) cancel the order and invoice the Buyer for cancellation charges, which shall be 25% of the selling price of the materials if the materials are standard, in-stock material, or the full selling price if the materials are special or nonstandard in nature and were especially fabricated for the Buyer.

20. PERIOD OF LIMITATIONS. Buyer and Seller agree that any action by Buyer against Seller for a breach of this contract, including any action for breach of warranty, or otherwise in connection with the goods sold under this contract, must be commenced by Buyer against Seller within one year after the cause of action therefore accrues.

21. CONFLICTING PROVISIONS OFFERED BY BUYER. Any terms and conditions of any purchase order or other instrument issued by the Buyer, in connection with the subject matter of this document, which are in addition to or inconsistent with the terms and conditions expressed herein, will not be binding on Seller in any matter whatsoever unless accepted by Seller in writing.

22. SEVERABILITY. In case any provision of this contract shall be declared invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired.

23. APPLICABLE LAW. This contract shall be governed by, and construed and enforced in accordance with, the laws of Ohio. Buyer and Seller specifically agree that any legal action brought relating to this contract will be brought and tried in the federal district court in Cincinnati, Ohio, or, in the absence of jurisdiction, the Butler County Court of Common Pleas in Hamilton, Ohio.

4. Federal, State and City Taxes, if applicable, would be in addition to the above quoted prices.
5. This proposal is firm for acceptance within 30 days. After 30 days, it is subject to revision. Unit prices are firm for delivery no later than the greater of 6 months or the quoted lead times. Please add 10% to the prices quoted for each subsequent 6 month period, beginning on that day which is the greater of 6 months from the date of this quotation or the expiration of the quoted lead times above. It is agreed that this quote shall be incorporated into and shall become a part of any further or additional agreement made in relation to this job.
6. Unit prices quoted are F.O.B. origin. (Freight is in addition to the unit prices quoted above)
7. Unit price(s) quoted is firm for shipment by January 31, 2015 No guaranteed firm price can be quoted for shipment after the above date.

8. It is the responsibility of the contractor (purchaser) to verify that the quantities included in our proposal meet the contract specifications for the specific project.
9. The D.S. Brown Company will not be responsible for delays caused by strikes, fires, accidents of whatever cause, domestic or foreign wars, or any other causes beyond its control.
10. Production/fabrication scheduling considerations may require the D.S. Brown Company to produce and invoice the quoted materials earlier than the buyer's required shipment date. It is the responsibility of the buyer to submit for "payment for stored materials", as our standard payment terms apply regardless of whether the materials are being "stored" or have been shipped. Should the Buyer request that D.S. Brown proceed with manufacture, only to later delay the delivery date and request that the material be stored at our facility, storage fees will be invoiced at the rate of 1% of the contract (purchase order or signed quotation) value per month until the materials have been shipped.
11. Should seller be ordered to proceed with engineering and/or production of this material by buyer, and subsequently have part or all of that order cancelled by buyer, seller shall be entitled to reimbursement for all reasonable costs incurred up to the time of cancellation for those items.
12. Steel, chemical, and/or petroleum based product pricing used in this estimate is based on current material availability and costs plus applicable surcharges as of the date of this quotation. Due to the inherent volatility in steel plate, chemical and petroleum based product costs (both material and surcharges), the D.S. Brown Company reserves the right to modify pricing at the time of "release to fabricate" to offset any additional cost increases published after the date of this quotation that are above what was used in this estimate.
13. The above items are quoted as a package and individual items cannot be broken out.

EXCLUSIONS:

1. Field measurements
2. Installation and/or installation supervision, if any
3. Independent laboratory testing, if any
4. Warranty, if any
5. Armor, if any
6. Freight
7. Shop Drawings

FITZGERALD FORMLINERS

Fitzgerald Formliners: Quotation Terms and Conditions

If you have any questions pertaining to the quote, please contact the sales representative is listed on the first page of the quote.

GENERAL

Fitzgerald Formliners Quotation Terms and Conditions are attached and incorporated herein by reference into the accompanying customer price quotation. By issuing a purchase order to Fitzgerald Formliners, the customer expressly acknowledges that their purchase is subject to the Fitzgerald Formliners Quotation Terms and Conditions and in the event of a conflict between the Fitzgerald Formliners Quotation Terms and Conditions and the customer's purchase order terms and conditions, the Fitzgerald Formliners Quotation Terms and Conditions will prevail.

Quotation Expiration: Quotes are valid for 30 days unless otherwise noted in writing.

Quotation Preparation Assumptions: Quotations are prepared based upon information/data supplied by the customer to Fitzgerald Formliners. Quotations are subject to change upon contract award and the determination of final take-off quantities and any new information/data or a material change to information/data utilized to develop the quotation.

Take-off Quantities: Contractor is responsible for calculating all final take-off quantities. In the event that the customer requests Fitzgerald Formliners to provide take-off quantities for an order and Fitzgerald Formliners agrees to provide take-off quantities, Fitzgerald Formliners takes no responsibility and makes no warranty, expressed or implied, that take-off quantities they supply to the customer are sufficient to meet the needs of the customer and irrespective of where take-off quantity information originates the customer retains full and sole responsibility for verifying i) take-off quantity accuracy and ii) quantities ordered by the customer meet their requirements.

Shipping & Handling: Estimated shipping & handling (if included) cost to the designated zip code specified by the customer is based on a single shipment and subject to change. Shipping and handling will be invoiced on the date of shipment and will be based on currently prevailing carrier rates, the required freight mode and the actual destination for the shipment.

Order Lead-Times: Customer order lead-time begins once an order is workable. An order is deemed workable once a written purchase order and a signed order acknowledgement is received from the customer and all deposits and customer approvals are received. Customer approvals may include, but are not limited to, drawings, specifications, mock-ups and patterns. Order changes initiated by the customer after an order is received by Fitzgerald Formliners may result in additional charges and an extension to the order lead-time.

Deposits: A deposit of 100% is required unless an open terms credit account has been set up with Fitzgerald Formliners, in which case, deposits will be modified according to credit history and background. A minimum 50% deposit is required on all custom orders before any production begins, unless other terms are set and agreed upon prior to final contract signing and acceptance of customer's purchase order.

LIMITATION OF LIABILITY

Fitzgerald Formliners shall not be liable, in contract or in tort – including without limitation negligence, strict liability or otherwise – for loss of sales, revenues or profits; cost of capital or funds; business interruption or cost of downtime, loss of use, damage to or loss of use of other property – real or personal; failure to realize expected savings; frustration of economic or business expectations; claims by third parties, or economic loss of any kind; or for special, incidental, indirect, consequential, special, punitive or exemplary damages arising in any way out of the performance of, or failure to perform, this Agreement, even if Fitzgerald Formliners could foresee or has been advised of the possibility of such damages. The Parties expressly agree that these limitations on damages are allocations of risk constituting, in part, the consideration for this agreement, and also that such limitations shall survive the determination of any court of competent jurisdiction that any remedy provided in these terms or available law fails of its essential purpose.

Fitzgerald Formliners Product Information

FORM RELEASE AGENT
The application of a form release agent is critical to the performance of the formliner. Water based release agents are highly recommanded to ensure duration and longevity of form liner. Rafar to the application guide for this product.

MOCK-UP PANELS
If custom mock-up panels are required, additional charges may be incurred, including material and shipping charges. Contractor to supply all pertinent information regarding mock-up requirement, size, and quantities prior to final contract award.

GRAYLASTIC
This pattern is manufactured in extended use elastomeric urethane, is factory mold bonded to ¾" plywood and is adga sealed on four sides. **Expected use is up to 100 reuses.**

VAC-U-FORM
This pattern is manufactured in plastic and may require wood backing to prevent deflection from concrete pressure. **This material is available in single-use, 6-8 use, and up to 15 use options.**

VINYLOK
This pattern is manufactured in Extruded Styrana or ABS plastic. VinyLok formliner is designed to be snapped together, hiding any vertical seam, and cut to the langth required. These features create a seamless finish. Note: Please add approx. 2-3" to length required to allow for shrinkage and trim to fit.

Lengths greater than 12' may incur additional freight costs.

The first three lengths are at no charge. A $50.00 set up fee is required for aach additional length.

PLEASE NOTE- When using Vac-u-Form or VinyLok, thermal expansion and contraction is normal and occurs with all thermal formed form liners. For additional information please refer to application guidelines for installation instructions.

BRICKMASTER – Single use
BRICKMASTER FULL SIZE PANEL INFORMATION:

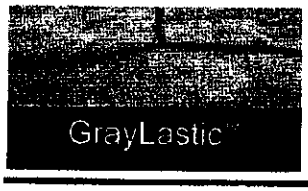
MODULAR, 11301, standard running bond: Panel sizes are 32" wide x 27" high, area coverage is 5.93 square feet and it holds 39 full bricks and 10 half bricks.

UTILITY,11303, 1/3-2/3 running bond: Panel sizes are 36" wide x 24" high, area coverege is 6 square feet.

BRICKMASTER CORNER BRICK INFORMATION:

MODULAR, 11301(corner), Single use BrickMaster – Corners, each piece is 2.25 linear feet and it holds 10 corner bricks; panels measure 12" wide x 27" high. This is besed on a standard running bond.

UTILITY, 11303 (corner)Single use Brickmaster – Corners, each piece is 2 sq.ft. and it holds 6 corner bricks; panels measure 12" wide x 24" high This is based on a 1/3-2/3 running bond.



System Application Guideline

INTRODUCTION

This Application Guideline has been published to ensure proper use and installation of ***Fitzgerald Formliners*** GrayLastic products. It is recommended that all personnel involved with the use of ***Fitzgerald Formliners*** GrayLastic products read this Application Guideline.

GrayLastic formliners are made from a two-component urethane formulation and are factory mold bonded to 0.75" plywood in a one-step process. Mold bonding is a more durable method than simply gluing to plywood. Standard liners are typically available in 4' widths with lengths up to 24' or more, depending on the pattern. GrayLastic formliners are ideal for cast-in-place or precast applications where 20 to 100 pours are required of the liner material.

CARE AND HANDLING

When not in use, formliners should be protected from moisture and sunlight by being elevated off the ground and covered with a tarpaulin. Most materials degrade when exposed to intense sunlight for extended periods of time. Degradation will affect the life of the liner, and in some cases, cause discoloration of the concrete surface.

In addition, a surface temperature in excess of 190° F may cause permanent thermal distortion and diminish by 70-80% all physical properties of the formliner.

Once attached to the formwork, formliners should be stored on edge to prevent liner damage.

TRIMMING ELASTOMERIC FORMLINERS

Should trimming of an elastomeric liner be required, the slower the cutting tool used, the easier the liner will be to trim. A crosscut handsaw provides the best trim on elastomeric liners. If a blade type circular handsaw is used, as many as five or six shallow, slow cuts should be made across the path of the trim. Extreme care should be taken to keep the saw blade from binding or from melting the material. Lubricating the blade with WD-40 during the trim may assist the cut.

If the liner is to be butted against a rustication strip or reveal, the blade angle should be set so that the liner is cut at the same angle as the reveal. These operations should be performed with the liner securely clamped to a steady workbench to prevent any "chatter". Positioning the line of the cut with approximately a 3-degree bow in the liner will also assist the trim.

Proper ventilation practices must be followed when cutting formliner material.

System Application Guideline

ATTACHMENT TO FORMWORK

GrayLastic formliners are mold-bonded to 0.75" plywood. Mold-bonding the plywood does not eliminate the need for a form system facing. The use of a ganged forming system is recommended. GrayLastic formliners can be attached directly to the forming system by screwing or bolting to the face of the liner or through the back of the form using 1/4" diameter fasteners. Fasteners should be placed at 12" centers on all perimeter edges of the formliners and 18"-24" on center throughout the field. When the liners are expected to be removed and re-attached to the forming system several times over the life of the liner, attachment from the back of the form may be the best method. This will make locating the attachment screws easier and avoid repeated marring of the surface of the liner.

RECOMMENDED METHOD TO ATTACH GRAYLASTIC FORMLINERS

1. **Level and square the formwork so that proper alignment of the liner can be made. Dimensions should be marked so that edges, patterns and joints are square.**

2. **Working with one sheet at a time, position the formliner against the formwork so that edges, patterns and joints are square.**

3. **Screw the liner to the formwork with screws spaced approximately 12" on center around the perimeter and 18" to 24" on center throughout the field. Tek drywall screws work well because they are self-drilling and easy to install.**

FORM RELEASE AGENT

The application of a good quality, reactive-type form release agent prior to the first use and after each subsequent re-use is critical to the performance of the formliner. Clean the formliner after each pour to remove any loose debris. The form release agent must be worked into the surface of the liner to ensure adequate coverage. Release agents should be sprayed on the liner as close to the time of concrete placement as possible. Minimize exposure to contaminants, dust, etc.

A water-based release agent works well for either single-use or multi-use plastic or extended-use elastomeric urethane formliners. ***Do not use solvents or petroleum-based form release agents. They attack both plastic and elastomeric urethane liners.*** It is recommended that the form release agent be tested against a small area on the form side of the liner for compatibility. Should the test area become tacky, the release agent is not compatible with the liner material and cannot be used. Consult with your form release manufacturer for specific information, such as coverage rates, drying time and compatibility.

System Application Guideline

FITZGERALD FORMLINERS TAKES NO RESPONSIBILTY FOR ANY DAMAGE TO OUR LINERS DUE TO THE IMPROPER USE OR APPLICATION OF A FORM RELEASE AGENT. IF UNSURE OF THE RELEASE AGENT'S COMPATIBILITY WITH ANY OF OUR LINERS, CONSULT WITH THE CHEMICAL MANUFACTURER PRIOR TO USE.

PLACING CONCRETE

Most urethane formliners cannot withstand a rate of pour in excess of 600-750 psf. Generally, the more texture or relief on the formliner, the slower the concrete must be placed. If a plasticizer is used, the rate of pour may have to be reduced to limit form pressure.

A test panel using the selected material should be poured simulating actual jobsite conditions and procedures, including: pour rate, height of wall, tie holes, reveals, joints in formliner panels, etc. Actual construction should proceed using the same method and materials throughout the project.

Architectural concrete should be placed using a pump and an elephant trunk to avoid mix separation, splatter and trapped air. Placement should be in two-foot lifts with no horizontal movement to avoid flow lines in the finished surface.

To avoid cold joints, architectural concrete placement should never be stopped part way up the pattern. The cold joint will be very apparent in the finished surface of the pattern.

STRIPPING FORMWORK

If possible, forms should be stripped within twenty-four hours of concrete placement. This is important because:

1. **The heat of concrete hydration can degrade formliner material over an extended period of time and can cause sticking.**
2. **Concrete may darken the longer the liner is in contact with the formliner surface.**
3. **When using multi-use liners, the liner life can be shortened if forms are not stripped as soon as is practical.**

Formliners should always be stripped with an equal time interval between lifts. This will result in consistent concrete color in jobs requiring multiple pours.

Formwork should always be stripped at 90-degree angles to the form if possible. Ribbed or fractured textures will require special care to avoid breaking off fins from the concrete or the liner. A low profile pattern will be easier to strip than a high profile pattern.

GrayLastic

System Application Guideline

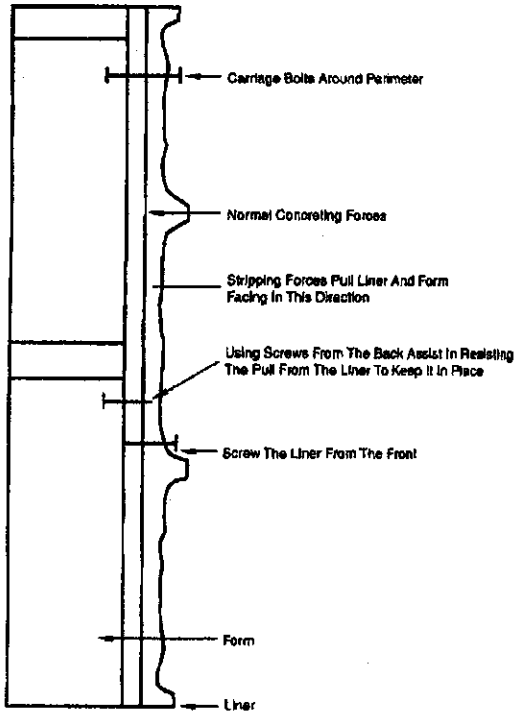
Allow extra time for stripping formwork when formliners are part of the job requirement. The added care in properly stripping formliners is much less expensive than repair of the surface or replacement of the liner.

MANUFACTURING TOLERANCES

Mold Bonded to 0.75" plywood: +/- 1/8 inch (length and width)
Un-bonded (custom order only): to be determined by pattern

ATTACHING AND STRIPPING PROCEDURE

Fitzgerald Formliners has many GrayLastic patterns with a rough surface texture and grout lines that are embedded into the concrete 1 ½" – 3". Care must be taken when stripping these formliner patterns from the wall due to the deep and narrow grout joints. Gang forms are required.



To assist in removal from the wall, adequate formliner attachment is critical. (Please refer to the illustration to the left.) Attaching the liner should occur from both the front and back sides of the form. Through the front-side, embed ¼" carriage thru-bolts on 12" centers along all outside edges of the liner. At 18"-24" centers through the field of the liner, embed ¼" coarse screws directly into the formliner plywood.

The deep grout lines and rough texture of the liner can create a potential for additional adherence to the wall as compared to that of shallower formliner patterns. Lengthy form stripping cycles make liner removal more difficult, as well. ***For best results, stripping should be completed within 24 hours.***

Avoid rotating the forms away from the top of the wall when stripping begins. This could allow the formliner to become wedged into the concrete at the bottom of the wall, damaging the grout joints or raised portions on the formliner.

Strip forms evenly combining use of the crane and come-a-longs attached to the midpoints

System Application Guideline

and bottom sections of the forms. Pull forms directly away from the wall. This procedure may take additional time to accomplish, but results in less liner damage.

Clean and apply form release agent on all liners prior to the first pour and after each subsequent pour. The form release agent must be mopped on so all surfaces are thoroughly coated. Clean formliners with a stiff brush after each pour to remove any concrete laitance and re-apply the form release agent.

Architectural concrete jobs are inherently more difficult than structural concrete jobs. As such, attention to detail becomes critical for satisfactory results. It is recommended that proper planning and execution be followed.

***Gang Forms Required**

METHODS TO FIELD REPAIR

1. Zap-A-Gap (Super Glue)

Gluing damaged areas can repair some types of damage to the formliner, such as small chunks or divots that have occurred. First, clean the pieces with acetone and glue them back into position. Use this product on small area repairs.

2. Expanding Foam

Use this product to repair damaged areas of the formliner not easily repaired by the previous method. Expanding foam is difficult to work with and can be labor intensive.

3. Replacing Formliner

At times formliner damage is not repairable in the field. Most field repairs are temporary measures. Repeating repair work is normal after each pour if damage to liner is great and repair is extensive. Replacement of material is sometimes necessary.

Improper formliner preparation, such as poor cleaning between pours, type of release agent chosen, application of release agent, jobsite handling, storage and exposure to sunlight can all contribute to lessen the life expectancy of architectural formliners.

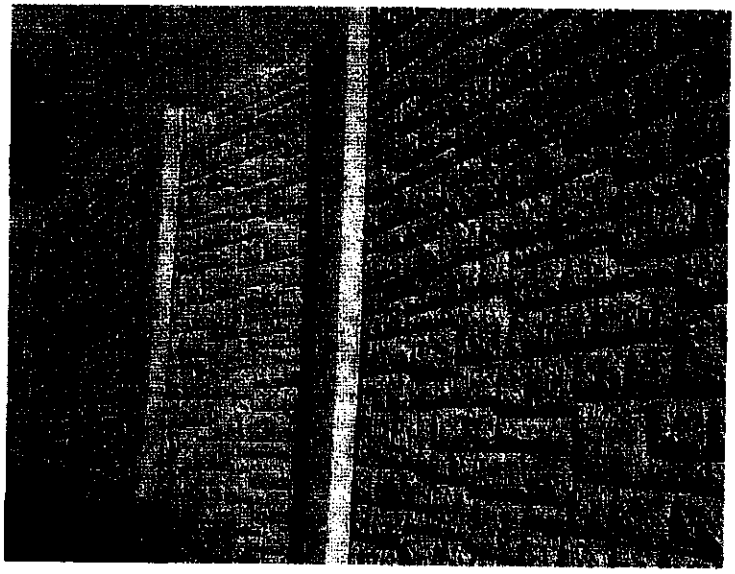
Extended-use elastomeric formliners for precast and cast-in-place applications

Clifty Falls State Park, Highway 60, Madison, Indiana
Application: Cast-in-place
Formliner: Fitzgerald GrayLastic
Pattern: Antietam Drystack, No. 17910



Post and Panel Wall
Application: Precast *Formliner:* Fitzgerald Graylastic *Pattern:* Florida Ashlar, No. 17000

GrayLastic Formliners provide maximum design latitude for precast or cast-in-place applications. They are re-usable up to 100 times, and are especially economical for applications that require an extended, reusable formliner.

Benefits

- Economical for extended usage
- Realistic replication
- High durability
- Seamless finishes
- Wide range of sizes
- Easily installed

GrayLastic elastomeric formliners are manufactured from 100% polyurethane and are usually mold bonded to plywood. They are easily attached to most concrete forming systems, including wood, steel, aluminum and fiberglass.

Fitzgerald's GrayLastic formliners accurately reproduce virtually any design. Wood, stone, masonry, fractured rib, fluted rib, sandblast and a range of custom patterns are available. GrayLastic has been used in numerous artistic applications, whether cast-in-place or precast. A seamless finish can be achieved through our interlocking patterns as well as with our side-to-side, top-to-bottom match points.

Many patterns are available in sizes up to 30' long, and all GrayLastic formliners can be easily field-cut. Odd sizes or custom fabrications are available for special applications.

Delivery: All deliveries are subject to availability of materials, trucking and labor. There is no guarantee as to time or rate of delivery. Seller is not responsible for any costs which might be incurred by Buyer due to delays. Please order by mix number. Additional mixes with different cement content and materials will be priced accordingly. Prices subject to change due to drastic cost changes of the major components of concrete.

Environmental: Environmental Fee of $20.00 per load shall apply, regardless of order size.

Energy Charge: Energy Surcharge of $30.00 per load shall apply, regardless of order size. Due to the unpredictable nature of energy and/or fuel Seller reserves the right to add a surcharge to deliveries without prior notification.

Color Wash-out: A Wash-Out fee of $30.00 per load shall apply to all colored concrete loads, regardless of size.

Dump Fees: Dump fees of $15.00 per yard may apply to all returned concrete.

Escalations: Add $3.00 per cubic yard on the following dates: 4-1-2015, 4-1-2016 and 4-1-2017.

Expiration: Prices (including any escalations) expire on 12-31-2017.

Short Loads: Any load delivered less than a full load will have a charge based on our current price list. One full load is considered to be nine yards. One short load will be allowed without charge daily per order of 5 full loads or more.

Standing Time: 4 minutes per yard is allowed for each individual load for waiting and unloading at the job site. Additional time will be charged at a rate of $2.50 per minute.

After Normal Hours: Concrete delivered after 3 PM to 6 PM weekdays or 8 AM to 3 PM Saturday will be charged an additional $5.00 per CY. Concrete delivered 6 PM to 6 AM weekdays or between 3 PM Saturday and 8 AM Monday will be charged as follows: 200 yards or more: NO CHARGE. Less than 200 yards: $500.00. Flat rate, no per yard charges.

Plans & Specs: This job quotation is not bid as per plans and specs. The mixes quoted are not warranted for any particular use, purpose, application or with regards to any particular type of soils environment. Concrete is a natural product, therefore seller cannot be responsible for variations in color, surface discoloration, popouts or variations in the finished product caused by finishing techniques or job site conditions.
Buyer's selection of the quoted mix, unless otherwise acknowledged in writing by Seller, is without the advice, consultation, recommendation or suggestion of Seller, and Buyer assumes all risks related to the selection of the quoted mix for any particular application.

Buyer's Duties: Buyer's duties include but are not limited to testing and inspecting the concrete, if necessary; provide a safe ingress and egress for the delivery truck as well as a safe work site; and providing a proper washout station.

Temperature: Prices above are for concrete delivered at the ambient temperature, heating or chilling is an additional itemized charge.

Service Charge: Customer agrees to pay a service charge of 1 1/2 percent per month on any and all invoices which are not paid in full on or before the last day of the month following the date of delivery.
Additional charges may apply for orders cancelled or orders placed and then put on hold.

Acceptance: For this job quotation to be effective, we must receive your written acceptance at our address listed above no later than sixty (60) days after the job quote date, otherwise the quotation expires. *Note:* This offer is held open for less than the time provided for under California UCC Section 2205(b). Orders placed on this project constitute acceptance of this agreement.

THIS QUOTE INCLUDES PRE-CON'S TERMS AND CONDITIONS.

PRE-CON PRODUCTS TERMS AND CONDITIONS

1. **Purchase Price.** The Purchase Price specified on the face of this invoice is and shall be considered a lump sum price for the sale and/or installation of the Products based upon the aggregate prices of the time and material components of the Purchase Price including installment charges, if any, as have been separately stated.

2. **Payment.** Payment in full of the Purchase Price, including transportation costs, shall be due thirty (30) days after delivery. Interest at the rate of eighteen percent (18%) per annum shall accrue on the unpaid balance, and on any other charges or expenses payable by Buyer, from the due date until paid in full. Seller reserves the right to forthwith cease all further deliveries if timely payment in full has not been received.

3. **Price Change.** The Purchase Price is binding on the Seller only for the period indicated, and prices are subject to change without notice. The possession of price sheets or catalogs by any person should not be construed as a binding offer to sell by Seller. Price changes made by Seller shall apply to all materials covered by this contract and delivered after said period, provided that delivery is not delayed due to any fault of the Seller.

4. **Delivery.** Seller will deliver the Products to the job site, and if requested in writing by Buyer, Seller shall install, attach and affix the Products to their final location using Seller's trucks, trailers and personnel. The unloading, placement and installation of the Products shall be the sole responsibility of Seller based upon the reasonable directions and requirements of Buyer, unless otherwise agreed in writing. Buyer shall provide and maintain suitable access roads to the delivery site and protect utilities and adjacent structures.

5. **Installation.** In the event Seller is required to install the Products pursuant to Buyer's request, Seller shall further furnish all tools, equipment, labor, materials, structures and accessories which may be required or necessary to properly install and affix to the job site all of the Products. Seller makes no representations or guaranties, nor assumes any responsibility regarding the proper location, alignment, depth size, bedding, supports, physical requirements, base, backfill, compaction or any other condition affecting the placement or installation of the Products specified by Buyer, which responsibilities are exclusively borne by Buyer. Seller assumes no responsibility for water infiltration into any Product placed into any excavation.

6. **Capacity.** Seller shall be deemed a construction contractor for all purposes if Seller is required to install and affix the Products according to the plans and specifications of Buyer. Buyer's payment of the Purchase Price shall not be reduced or subject to any offset, retention, back-charge or other claims by reason of any term or condition not contained herein.

7. **Title.** Seller shall retain title to all Products until the full Purchase Price has been paid and, if Seller is responsible for the installation of the Products, until the Products have been attached to, incorporated in and affixed to their final position by Seller.

8. **Sales Tax.** The Purchase Price of the Products is based upon the assumption that Seller shall install and affix the Products, provided that in the event Buyer does not elect or contract with Seller to install the Products, then Buyer shall be further liable and responsible for the payment of all sales or use tax computed on the gross Purchase Price of the Products.

8. **Warranties.** Seller only warrants that the Products shall conform to the specification thereof and shall be free from defects in labor and materials for a period of one (1) year from date of delivery. If the Products should be found to be defective then upon written notice and after the return of the Product at Buyer's expense to Seller's business premises, Seller shall replace the Product with a duplicate Product free from defect without charge, but without further expense to Seller. SELLER MAKES NO OTHER WARRANTIES OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED, AND SELLER HEREBY EXPRESSLY DISCLAIMS ALL OTHER IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE OR PURPOSE, EXCEPT FOR THE REPLACEMENT OF ANY DEFECTIVE PRODUCTS AS SET FORTH ABOVE. SELLER SHALL NOT BE LIABLE OR RESPONSIBLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES, COSTS, EXPENSES OR LOSSES SUFFERED BY BUYER, INCLUDING ANY CLAIMED OR ALLEGED DELAY DAMAGES, RESULTING FROM OR CAUSED BY DEFECTIVE PRODUCTS SUPPLIED BY SELLER. Products sold by Seller, but not manufactured by it, are warranted only to the extent such Products are warranted to Seller by the supplier.

10. **Inspections.** Buyer shall inspect the Products for any broken, chipped or other visible defect or deficiency prior to unloading the same and seller shall have no liability for any such deficiencies unless Buyer provided written notice to Seller on the shipping/delivery document evidencing Buyer's receipt of the same. All other inspections of the Products shall be made by Buyer within five (5) days from Seller's delivery of the products to the job site, at Buyer's sole cost and expense, for correct size, symmetry, depth and quality consistent with allowable tolerances and variations consistent with usual trade practices. Unless written notice of rejection is timely received by Seller, it is conclusively deemed that the Products meet with the Buyer's purchase requirements and are complete in accordance with the description of the Products.

11. **Returns.** Products shall not be returned by the Buyer without prior written acceptance by the Seller. The amount of credit to be given, if any, shall be determined by the Seller after inspection of the Products upon return to Seller's business premises.

12. **Quantity.** When the Buyer requests a reduction in total quantity of the Products ordered of more than ten percent (10%) for any category of Products listed, Seller may at its option increase the unit price of the Products a reasonable amount to offset the reduction in quantity.

13. **Scheduling.** Seller's delivery of the Products is based on its present estimate of the time required to ship after receipt of Buyer's order. ACCEPTANCE BY BUYER OF ANY PRODUCTS WITHOUT WRITTEN OBJECTION SHALL CONSTITUTE A WAIVER BY BUYER OF ANY CLAIM FOR ACTUAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES ON ACCOUNT OF ANY DELAY IN DELIVERY OF SUCH PRODUCTS.

14. **Ordering Odd Lengths.** The Purchase Price is based upon furnishing not over two percent (2%) of total Products sold having standard four-foot lengths, unless otherwise agreed in writing on the reverse hereof. An additional charge will be made for any excess in such percentage. All pipe and Products will be billed at nominal lengths (4' or 8') and no allowance shall be chargeable for shortage due to bevelling.

15. **Default.** Upon any default by Buyer under this contract, Seller, at its option, may cancel the unfilled portion of this contract, and the full Purchase Price for all Products manufactured by Seller for Buyer under this contract, whether or not delivered to the job site, shall, at Seller's sole option, become immediately due and payable, the exercise by Seller of any of its rights under this contract shall not bar Seller from exercising any other rights or remedies under the applicable lien laws against the property where the Products are placed or installed. In the event of default in payment, or any other breach, Seller may retake possession of the Products wherever they may be found, and may resell the same without notice to Buyer, applying the amount so received to the balance due. Seller may otherwise exercise all rights and remedies available to Seller in accordance with California law.

16. **Sole Contract.** This contract is subject to acceptance only on the terms and conditions stated in this offer. This contract shall not be subject to modification except by an agreement in writing signed by both parties. Any additional or different terms and conditions proposed by Buyer, either before or after this offer, are hereby rejected.

17. **Force Majeure.** The Seller shall not be liable for delays or other failure to perform because of any delays in manufacture or delivery due to unforeseeable causes beyond the control and without the fault or negligence of the Seller, including, but not restricted to, acts of God or of the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, excessive traffic, major equipment or transportation failures, delays or defaults of third parties, freight embargoes, unusually severe weather or delays of subcontractors or suppliers due to any causes and non availability of materials. All claims for delay in delivery of the Products shall be deemed waived unless presented in writing concurrently with acceptance of the Products. Delays in delivery, for whatever reason, shall not be cause of cancellation of this contract by Buyer. The parties herein acknowledge that the amount of damages suffered or incurred by Buyer as a result of any delay in the delivery of Products which is caused by Seller's neglect or default shall be incapable of accurate measurement and that the parties hereby agree that Seller shall solely be liable to Buyer in such event in an amount equal to Fifty Dollars ($50) per day of delay which amount shall constitute the sole and exclusive measurement of damages suffered by Buyer due to any such delay damages.

18. **Bid Jobs.** On bid jobs, this contract shall be binding on the parties only (a) for deliveries within sixty (60) days from the date on this contract and (b) if Buyer is awarded either from a general or subcontract embracing the use of the Products.

19. **Taxes Not Included.** The Purchase Price is exclusive of all state or local sales or use taxes and all other taxes of any governmental or public agency, applicable to this order unless specifically included.

20. **Indemnification.** Buyer expressly agrees to indemnify, defend and hold Seller harmless from and against all claims, demands, losses, expenses, costs, including reasonable attorney's fees, liabilities, suits or judgments of any kind or nature, arising out of, in connection with, or resulting from death or injury to persons and loss, damage or injury to property, caused or due directly or indirectly to the sale, delivery, installation, storage or use of the Products being provided to Buyer. Buyer further agrees to erect sufficient protective and warning devices at the time the Products are placed on the job site.

21. **No Assignment.** Buyer shall not assign this contract or any interest therein, without Seller's prior written consent.

22. **Risk of Loss.** Risk of damage or loss of the Products shall pass to the Buyer upon the transfer of title. Thereafter, Buyer shall be responsible for compliance of all governmental regulations and ordinances with regard to storage or placement of the Products.

23. **Attorney Fees.** In the event of any litigation, action or proceeding is commenced in connection with this contract, the prevailing party therein shall be entitled to recover its reasonable attorney's fee and court costs.

24. **Storage.** In the event Buyer does not accept delivery of the Products in accordance with the delivery schedule agreed upon between the Seller and Buyer, Seller will store the undelivered Products on its business premises for a period of thirty (30) calendar days beyond the scheduled delivery date; provided that Seller will charge Buyer an amount equal to one and one-half percent (1½%) for each month, or any portion thereof, of the Purchase Price for the undelivered Products from the scheduled delivery date, payable monthly, and continuing until delivery of the Products or the termination of this contract whichever shall last occur. Seller shall have the right to cancel this contract, retain any deposits or prepayments, and recover the remaining balance of the full Purchase Price of any undelivered Products, plus interest thereon at the rate of one and one-half percent (1½%) per month until paid in full, if Buyer shall not accept delivery, for any reason whatsoever, within ninety (90) days from the scheduled delivery date.

25. **Disclaimer of Plans.** Buyer hereby acknowledges that in the event the Seller has provided any layouts, schematics, drawings or other plans to Buyer in connection with the placement, location or installation of the Products, any such plans were prepared solely for the benefit of Seller and Seller hereby disclaims, and shall expressly not be liable or responsible for, any loss, damage, expense or other injury suffered by Buyer, or claimed to be suffered or incurred by Buyer, with respect to or arising out of Buyer's use of such plans. Buyer shall solely be responsible for determining the numbers, lengths, configurations, layouts installations, dimensions and all other design parameters affecting the installation of the Products provided by Seller.

GENERAL TERMS AND CONDITIONS

PRICES AND TERMS

Prices are based on the terms and cnnditions set forth on page 1 of this Quotation, of which these General Terms and Conditions fnrm a part, the terms and conditions stated in Customer's Application for Business Credit, and, if applicahle, any terms and conditions relating to the delivery or shipment of materials by truck, barge, vessel, rail nr other means which are prnvided by Vulcan to Customer in addition to this Quntation (each, a "Vulcan Sales Document", and collectively, the "Vulcan Sales Documents"). Prices are available only to the customer specifically named therein, and are only for the quantities mentioned in such Quotation or Sales Order plus or minus 10% of such quantities. A charge of 1.5% per month, (18% annum), will accrue on a daily basis from the date nf invoice and will continue to accrue on n daily basis on any unpaid balanee, both before and after judgment, until the date the balance is paid in full, or nt the maximum amnunt permitted by law in which the sale occurred, whichever is less. **However, the assessment of a finance charge on invoices paid in full by the payment due date will be waived.** Quotation is offered for furnishing the total nggregate requirements for the project nnly. Customer's contract with Vulcan regarding the sale by Vulcan to Customer of the materials listed in this Quotation is subject to the terms and conditions set forth in the Vulcan Sales Documents. Prices reflect Customer's acceptance of materials at the quoted plant based upon gradation analysis performed and reported by Vulcan's certified plant quality control personnel. Any penalties that result from in place sampling shall be the full responsibility of Customer.

THE TERMS AND CONDITIONS OF THE VULCAN SALES DOCUMENTS GOVERN THE RIGHTS AND OBLIGATIONS OF THE PARTIES

If Customer has issued a purchase nrder for the materials quoted hy Vulcan in this Quotatinn, this Quotation is not an acceptance of said purchase order, or any of its terms or conditions, which are hereby rejected. Any sale by Vulcan to Customer of the materials listed in this Quotation shall be subject to the terms and conditions set forth in the Vulcan Sales Documents, and Customer's receipt or acceptance of said materials shall constitute acceptance of the offer that this Quotation constitutes. Any terms or conditions of a subsequent purchase order issued hy Customer that are inconsistent with the terms and conditions of the Vulcan Sales Documents shall be null and vnid.

SHIPMENT AND DELIVERY

Unless a "delivered" price is quoted by Vulcan in the Vulcan Sales Documents, all prices are F.O.B. pnint nf shipment from the locations designated. All taxes applicable to the sale or delivery nf materials that are not paid directly hy Customer will be added to the sales price, invoiced to and paid by Customer, ualess Customer provides Vulcan with satisfactory evidence nf exemption from same. Shipment will be in accordance with Customer's reasonable instructions or, if none, then by whatever means Vulcan shall deem practicable. The quantities nf material delivered to Customer shall be conclusively presumed to be the quantities shown on the tickets produced from a certified weigh scale at Vulcan's quarry or sales yard.

CREDIT AND DEFAULT

Vulcan shall have nn nhligation to ship or deliver except upon its determination prior to each shipment or delivery that Customer is worthy of the credit to be extended and is not in default upon any obligation to Vulcan. Upon default, Customer agrees to pay all nf Vulcan's collection expenses, including attorneys' fees.

INSURANCE

A Memorandum of Insurance containing current information regarding Vulcan's insurance program is available at <http://www.marsh.com/moi?client=D156>.

EXCULPATORY PROVISIONS

Vulcan shall have nn liability for delay or failure to make shipments, or delivery, as a result of strikes, labor problems, severe weather conditions, casualty, mechanical breakdown or nther conditions beyond Vulcan's reasonable control. In no event shall Vulcan be liable for any incidental or consequential damages. Vulcan's liability and Customer's exclusive remedy for any cause of action arising out of the provision of material quoted herein shall be the replacement of, or payment of the purchase price fnr, the materials which are the subject of this Quotation.

CHANGE OF TERMS

Vulcan may change the price and/or quantity upon 30 days' nntice to Custnmer. Vulcan shall also have right to change, modify or amend any other terms and conditions upon written notice of such change to customer. The effect of the change shall be as stated in the written notice and accepted by Customer upon placing of orders with seller following receipt of such notice. .

APPLICABLE LAW

All orders are subject to acceptance by Vulcan at the headquarters of its West Region in Los Angeles, California, and the laws of the state in which the materials was shipped from shall apply to the sale of all materials subjset hereto. In the event material is imported into the U.S., the law in the state in which the material was sold to the customer will prevail. All disputes regarding finance charges shall be governed by Alabama lnw.

LIMITED WARRANTY AND WARRANTY DISCLAIMER

Vulcan warrants for a period of one (1) year from date of delivery only that the material sold hereunder substantially complies with Vulcan's specifications for said material or the specifications set forth in Vulcan's quotation. **VULCAN HEREBY EXCLUDES ALL WARRANTIES OF MERCHANTABILITY AND FITNESS FOR ANY PURPOSE, AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, OF THE MATERIAL SOLD HEREUNDER, OTHER THAN THE EXPRESS WARRANTY STATED ABOVE.** In addition, except to the extent otherwise set forth in the specifications described above, Vulcan makes no warranty whatsoever with respect to specific gravity, absorption, whether the material is innocuous, non-deleterious, or non-reactive, or whether the material is in conformance with any plans, other specifications, regulations, ordinances, statutes, or other standards applicable to Customer's joh or to said material as used by Customer. VULCAN SHALL IN NO EVENT BE RESPONSIBLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGE CAUSED BY NON-COMPLIANCE OF THE MATERIAL WITH SPECIFICATIONS, OR FOR ANY DEFECTS IN THE MATERIAL SOLD HEREUNDER.
