Dear Mr. Niknafs:

Pro Tech Engineering Corporation (Pro Tech) submitted a bid for contract 12-0L77U4 on January 24, 2013. By this letter, the Department of Transportation (Caltrans) notifies Pro Tech that its bid is nonresponsive because of an incomplete Subcontractor List.

The Subcontractor List form states in part, "...Complete columns 1 and 4 and submit with the bid. Complete columns 2 and 3 and submit with the bid or fax to (916) 227-6282 within 24 hours after the bid opening. Failure to provide complete information in columns 1 through 4 within the time specified will result in a nonresponsive bid." Pro Tech failed to submit the bid item number for Traffic Loops as required in column 2.

Based on the above, Caltrans will proceed to award the contract to the lowest responsible bidder provided that all requirements are met.

Your attention is directed to Section 3-1.04 of the Standard Specifications for 2010. The Department is not obligated to offer an extension of the award period for a non-responsive bid. Should you wish to extend your bid while resolving a non-responsive finding, you must send your request to the Office Engineer no later than 4:00 pm, two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,
