Dear Mr. Carver:

The Department of Transportation (Caltrans) received a bid from R. J. Noble Company (RJ Noble) for contract 12-0M3004 on March 13, 2014. By this letter, Caltrans notifies RJ Noble that its bid is nonresponsive because of an inconsistent Disabled Veteran Enterprise (DVBE) Summary Form.

Your attention is directed to the Certified DVBE Summary form which states that, "The names of first tier DVBE subcontractors and their items of work listed must be consistent with the names and items of work in the Subcontractor List (Public Contract Code §4100 et. seq.), submitted with the bid." RJ Noble listed on its DVBE Commitment form, Carolino Traffic Control, Inc. (Carolino) to perform bid item 3, flagging but failed to list Carolino on its Subcontractor List form.

Based on the above, Caltrans will proceed to award the contract to the lowest responsible bidder provided that all requirements are met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

Handwritten initials "JM" in black ink to the left of the typed name.
