Flatiron West, Inc. analyzes and considers each DBE quote, including those that are broken down into economically feasible units to facilitate bidding.

Subcontractors are required to possess and maintain a current contractor's license and must also be registered with the Department of Industrial Relations (DIR) as required by Public Contract Code Section 1725.5. Subcontractors will be required to execute Flatiron's Standard Subcontract Terms and Conditions and insurance requirements. A copy of our Standard Subcontract Terms and Conditions is available in electronic format upon request.

Bond Requirements: Notwithstanding any contrary language in a bid to Flatiron West, Inc. ("Flatiron") or any prior course of dealing between Flatiron and a bidder, and unless waived in writing by Flatiron, Flatiron reserve the right, pursuant to Public Contract Code Section 4108 and otherwise, to require each bidder to provide payment and performance bonds assuring bidder's obligations to Flatiron in the amount of 100 percent of the bid to Flatiron. Flatiron will reimburse the bond premium at actual cost not to exceed 3%. The surety on the bonds must be a California admitted surety.

Non-DBE Subs/Suppliers: Indicate 2nd tier DBE participation offered on your quotation as it will be evaluated with your price.

Requirements: USS Cal Builders is seriously seeking certified and qualified DBE (Goal 14%) subcontractors and/or suppliers. If requested, USS Cal Builders can assist DBE subcontractors in obtaining plans and specs, bonds, lines of credit and insurance in the preparation of this project. Also if requested, USS Cal can assist DBE subcontractors in obtaining equipment, supplies, materials or related assistance or services in the preparation of this project. USS CAL BUILDERS is an Equal Opportunity Employer, all qualified applicants and proposers will receive consideration without regard to their race, religion, color national origin, ancestry, disability, sex, age, medical condition or marital status. Any parties that are subcontracted during performance shall adhere to equal opportunity employment. The subcontractor, at its sole cost and expense, is required to furnish to the prime contractor, within five business days of award of the project to USS, payment and performance bonds in the amount of the subcontract issued by an admitted surety wherein the prime contractor shall be named the obligee, guaranteeing prompt and faithful performance of the subcontract and the payment of all claims for labor and materials furnished or used in and about the work to be done and performed under the subcontract. The prime contractor may reject the bid and make a substitution of another subcontractor subject to Section 4107 if the Subcontractor fails to meet this requirement. Conditions, qualifications, exclusions or exceptions to the bond requirement contained in a subcontractor?s bid are not enforceable. USS Cal is relying on the price submitted in a subcontractor?s proposal as an all-inclusive price for its trade scope found in the plans, specifications and addenda regardless of any qualifying language in the proposal. USS Cal?s listing of a subcontractor is not an acceptance of any or all of that subcontractor?s conditions, qualifications, exclusions or exceptions included in the subcontractor?s bid proposal. The subcontractor agrees that its bid will remain valid for the same period of time that the prime contractor?s bid must remain valid with the owner, as specified in the project?s specifications. Each listed subcontractor must execute USS Cal?s standard subcontract agreement if USS Cal is awarded the project; the standard subcontract is available for review on USS Cal?s website and at USS Cal?s office. At the discretion of USS Cal, any listed subcontractor that withdraws its bid after USS Cal submits its bid to the owner will be responsible for the difference in price for such scope of work charged by the replacement subcontractor. This is a prevailing wage project. If this project is subject to a Project Labor Agreement or Project Stabilization Agreement, you will be required to honor the terms of such agreement. USS Cal Builders, Inc. is signatory to the Carpenter?s Union. Any subcontractor performing carpentry work must be signatory to the Carpenter?s Union. The submittal of a proposal by the subcontractor constitutes acknowledgment and acceptance of the requirements contained herein.

Requirements: USS Cal Builders is seriously seeking certified and qualified DBE (Goal 14%) subcontractors and/or suppliers. If requested, USS Cal Builders can assist DBE subcontractors in obtaining plans and specs, bonds, lines of credit and insurance in the preparation of this project. Also if requested, USS Cal can assist DBE subcontractors in obtaining equipment, supplies, materials or related assistance or services in the preparation of this project. USS CAL BUILDERS is an Equal Opportunity Employer, all qualified applicants and proposers will receive consideration without regard to their race, religion, color national origin, ancestry, disability, sex, age, medical condition or marital status. Any parties that are subcontracted during performance shall adhere to equal opportunity employment. The subcontractor, at its sole cost and expense, is required to furnish to the prime contractor, within five business days of award of the project to USS, payment and performance bonds in the amount of the subcontract issued by an admitted surety wherein the prime contractor shall be named the obligee, guaranteeing prompt and faithful performance of the subcontract and the payment of all claims for labor and materials furnished or used in and about the work to be done and performed under the subcontract. The prime contractor may reject the bid and make a substitution of another subcontractor subject to Section 4107 if the Subcontractor fails to meet this requirement. Conditions, qualifications, exclusions or exceptions to the bond requirement contained in a subcontractor?s bid are not enforceable. USS Cal is relying on the price submitted in a subcontractor?s proposal as an all-inclusive price for its trade scope found in the plans, specifications and addenda regardless of any qualifying language in the proposal. USS Cal?s listing of a subcontractor is not an acceptance of any or all of that subcontractor?s conditions, qualifications, exclusions or exceptions included in the subcontractor?s bid proposal. The subcontractor agrees that its bid will remain valid for the same period of time that the prime contractor?s bid must remain valid with the owner, as specified in the project?s specifications. Each listed subcontractor must execute USS Cal?s standard subcontract agreement if USS Cal is awarded the project; the standard subcontract is available for review on USS Cal?s website and at USS Cal?s office. At the discretion of USS Cal, any listed subcontractor that withdraws its bid after USS Cal submits its bid to the owner will be responsible for the difference in price for such scope of work charged by the replacement subcontractor. This is a prevailing wage project. If this project is subject to a Project Labor Agreement or Project Stabilization Agreement, you will be required to honor the terms of such agreement. USS Cal Builders, Inc. is signatory to the Carpenter?s Union. Any subcontractor performing carpentry work must be signatory to the Carpenter?s Union. The submittal of a proposal by the subcontractor constitutes acknowledgment and acceptance of the requirements contained herein.

Dear Ms. Clark:

We will not be bidding on this project as it is outside our main scope of work.

We can offer your construction sites our trailer security systems and solar light towers with optional camera surveillance.

If you have any questions, please contact our office.

Tammy,

Yes I do, I am working on part of it now, I expect to have it to you via fax early next week.

First Vanguard is DVBE and SBE but not a DBE. The DVBE/SBE incentives do and will apply to our quotes though.

Thank you

Item	Description	Qty	U/M	Rate	Total
	1.Allowable unloading time for delivery trucks is two (2) hours. Demurrage charges of $75.00 per hour thereafter will be added. 2.Construction loadings typically exceed the intended post-construction live load used for design. Contact your representative for specific guidelines and limitations based on the construction live loads anticipated. 3.Flexible structures of the type on this project are reliant on the type of structural backfill used, the compaction of that material and the balanced placement of structural backfill. Contact your representative for specific information. 4.Prices are based on standardized loading to achieve full truckloads. If special loading requirements are needed additional freight charges will be added. 5.Quotation is based upon estimated (not guaranteed) quantities. Buyer must verify final quantities needed prior to commencement of work by manufacturer. If Buyer elects to purchase from Seller only a portion of the material quoted, Seller retains the right to adjust its prices. 6.This quotation expires 30 days from the date shown. Prices are firm for shipment within 60 days of the date of quotation and are subject to a maximum escalation of 8% for each 30 days thereafter. Sales Tax			8.00%	41,669.80

SUBCONTRACT QUOTATION October 17, 2016

BIDS ON - 10/19/2016
PROJECT DESCRIPTION: Extend Aux. Lane – Rte. 405 Irvine, CA.
CONTRACT / PROJECT NO: Caltrans # 12-0M3504 12-Ora-405-2.6/6.5
ADDENDA ACKNOWLEDGED: 1, 2, 3

1. Cal Stripe Inc.'s subcontract proposal is good for 60 days only. Prices are based on Plans & Specifications available at bid time including all addenda.
2. If this proposal is accepted, it is to be incorporated as an exhibit to the Contract or purchase order. A signed purchase order, or subcontract is required prior to commencement of any work associated with this proposal. A baseline schedule, complete set of plans and specs (including special provisions) will be provided with the subcontract agreement.
3. Contractor to provide monthly progress payments for all completed work in accordance with the bid pricing schedule. Monthly progress payments must be received in full by Cal Stripe no later than 10 calendar days after the Contractor receives payment from Owner. Retention percentage on monthly progress payments to be no greater than the percentage retained by the Owner on its payments to the Contractor. If Owner reduces the retention percentages on payments to the Contractor, the Contractor shall likewise reduce the retention percentage on payments to Cal Stripe. Full retention to be released no later than thirty (30) days after completion of Cal Stripe's stage, phase or permanent work.
4. All changes to the original scope of work or proposed extra work must be directed by the Contractor in writing prior to Cal Stripe performing this work. No extra work or additional work will be performed without written authorization.
5. Any required Testing, Engineering, Design, Permits, Licenses or Applications, and the like to be provided by the Prime, or Owner.
6. If the Prime Contractor requires a bond, the Prime Contractor shall pay for the cost of the bond. Cal Stripe's bond rate is 1.5 %. Calstripe carries $5,000,000.00 of insurance coverage only. Additional coverage's required by the Prime to be paid by the Prime. Cal Stripe does not carry railroad insurance.
7. For the purpose of this Subcontract Quotation one (1) move-in is considered to be a period of consecutive eight (8) hour days of continuous work, not including holidays. Any discontinuities in this period, other than holidays, or for our own convenience, will be charged as an additional move-in at the additional move-in charge stated below.
8. **Traffic control plans are not included. All lane closure requests are to be submitted by the Prime contractor.**
9. Cal Stripe requires the work area to be unobstructed by other operations while stripe removal and stripe installation is being performed.
10. **A baseline schedule and written notification is required a minimum of 30 calendar days prior to the commencement of work and for each additional move-in.**
11. CHANGES OR DELETIONS OF ANY ITEM MUST BE APPROVED PRIOR TO BID TIME.

- Prices include applicable State and Local Sales Tax.
- **Prices, as quoted, will remain firm for thirty (30) calendar days,** after which time Integrity Rebar Placers reserves the right to revise this quotation.
- Prices / Bid Items quoted are not for separate acceptance without prior approval.
- Integrity Rebar Placers' price is based on detailing, fabricating and placing on a normal five (5) day, forty (40) hour work week (all Union contract and nationally recognized holidays are observed). Performance will be based on conventional construction, timely receipt of (2) complete printed sets of plans, specifications (in addition to CADD files) and adequate written schedules to which Integrity Rebar Placers has agreed. Contractor shall furnish design information, locations of pour joints, and construction schedules in sufficient time to allow for preparation and approval of submittals, plus seven (7) working days for fabrication and delivery. Additional lead-time will be required for special mill rolling, spirals, epoxy coating and/or special

mesh. Contract delays of more than forty five (45) days may result in additional cost of materials.
- Seller reserves the right to renegotiate additional price increases, for any shipments and/or placing after _____.

HOISTING/LOWERING:

Contractor shall furnish, without charge, suitable equipment fully operated for hoisting/lowering reinforcing steel, wire mesh, etc, including unloading trucks, staging of reinforcing to points of installation (into foundations and onto elevated decks, etc...) setting of columns/cages and /or assemblies, and power placing of individual bars that Integrity Rebar Placers may require. **Contractor to provide all hoisting required for unloading of trucks at point of installation.** (Hook time is the amount of time that the hoisting hook is actively supporting any reinforcing steel.) If Integrity Rebar Placers is to perform its own hoisting, add $_____. (Hours and/or price provided do not include hoisting/lowering for F.O.B. trucks jobsite material and/or setting of tied and stockpiled cages or mats).

SPECIAL NOTES:

1. Payment and Performance Bonds may be provided at .7% if necessary.
2. Night work is excluded except by additive quote.
3. Upper 60 rail tied for slip form.

28. Traffic control (Lane closures, barricades, flagmen, signs, lights, etc.).
29. All site work, including but not limited to paving, sidewalks, curb and gutter, storm drain items such as catch basins, clean-outs, inlets, outlets, manholes, headwalls, collars, etc. unless specifically included in Scope of Work/Price.
30. Diaphragm dowels or bolts required for precast members.
31. Protection of exposed steel for future construction.

GENERAL CONDITIONS

1. Contractor's acceptance of all of the terms and conditions of this Bid/Offer shall be conclusively evidenced by Contractor listing, permitting/directing performance, or signing and returning this offer.
2. Integrity Rebar Placers may begin performance of the work, pending receipt of an executed final agreement. However, should a final mutually acceptable agreement not be forthcoming or should the terms and conditions of Integrity rebar Placers offer be altered or modified, Integrity Rebar Placers reserves the right to immediately stop performance and Contractor agrees to indemnify Integrity Rebar Placers for all costs and loss of profit.
3. The following items, as required, are to be provided by Contractor, fully erected for use at all locations necessary without charge to Integrity Rebar Placers:
   A. Grades and Lines.
   B. Templates.
   C. Racks, Ramps, Ladders, Cal-Osha approved Heavy Duty scaffolding (per sections 1926 subpart L App. A & E).
   D. Full access to all working areas for material, equipment and manpower.

E. Level space for delivery, assembly and storage of steel, accessible to tractor-semi-trailer deliveries and adjacent to jobsite location where steel is to be used and/or hoisted/lowered.
F. Adequate lighting as required, sanitary facilities, trash bins, etc.
G. As required, adequate electrical power and compressed air (90 PSI Min.).

4. Subcontractor shall be paid monthly progress payments equal to one hundred percent (100%) of monthly billings within ten days (10) days of Contractor receiving payment from project owner for value of work completed, plus Owner approved amount of materials on hand and/or equipment (if any) suitably stored on or off site. Contractor shall, at all times, be financially responsible to Integrity Rebar Placers for labor and material supplied pursuant to this offer. If a dispute arises between Contractor and Owner that delays receipt of payment by Contractor from Owner, unrelated to the performance of or materials supplied by Subcontractor, Contractor shall make progress and/or retention payment to Subcontractor within a reasonable time. A reasonable time for payment from Contractor to Subcontractor shall be defined as being due 45 days from Subcontractor's progress billing date.

5. Contractor shall not withhold retention greater than that being withheld by the Owner from the Contractor and shall immediately reduce retention withheld from Subcontractor, by a like percentage, when reduced to Contractor by Owner. In no event shall retention withheld by Contractor from Integrity Rebar Placers exceed the percentage withheld from Contractor by Owner. Final retention payment shall be made not later than 35 days from date Integrity Rebar Placers has completed its scope of work.

6. No retention shall be withheld on FOB and/or tied and stockpiled material, if approved by Owner.

7. Integrity Rebar Placers shall not be required to continue performance if, after Contractor has received payment for the properly performed work of Integrity Rebar Placers, timely payments are not made to Integrity Rebar Placers.

8. All sums not paid when due shall bear an interest rate of 2% per month or the maximum legal rate permitted by law, whichever is greater; and all costs of collection, including a reasonable attorney's fee, shall be paid by Contractor as prescribed by Section 7108.5 of the California Business and Professions Code.

9. No provision of this Subcontract shall serve to void Integrity Rebar Placers entitlement to payment for properly performed contract/extra work or suitably stored materials, or to void Subcontractor's right to file a lien, stop notice, and/or claim on its behalf.

10. Neither party will have the right of set-off against the other party for any reason.

11. If Integrity Rebar Placers is required by the Contractor to perform change order/extra work, said extra work must be authorized in writing by Contractor's Field Management personnel having apparent authority to authorize such extra work or an officer of the Contractor. Such written/executed directives from the Contractor shall constitute acceptance of financial responsibility by Contractor and a billable event upon completion of the work.

12. No back charges or claims of the Contractor for services provided shall be valid except by an agreement in writing, agreed to between the parties prior to services being provided.

13. Field labor called for herein is to be performed during Integrity Rebar Placers regular working hours, eight hours per day, five days a week (all Union Holidays are observed), unless required and agreed to during bid negotiations. All work performed outside of such hours shall be charged at Integrity Rebar Placers standard rates for overtime, weekend, or holiday work. Integrity Rebar Placers standard rates are per Caltrans force account rates. (Labor Surcharge % per Concrete Construction - Bridge) However, should Integrity Rebar Placers be behind the preapproved construction schedule, all overtime/premium time required to regain the construction schedule shall be for subcontractor's account.

14. Integrity Rebar Placers will indemnify, defend and save harmless Contractor and Contractor's customer from Integrity Rebar Placers proportionate share of liability for claims attributable to bodily injury (including death) and/or property damage (to other than the Work itself) to the extent caused by the negligence or intentional misconduct of Integrity Rebar Placers or anyone directly or indirectly employed by Integrity Rebar Placers. Subcontractor will name Contractor and Contractor's customer as additional insured on Subcontractor's insurance policies only if required to do so by the Contract Documents and only by means of Subcontractor's standard additional insured endorsement. Indemnification and insurance provided by Integrity Rebar Placers shall not extend coverage to Architects, Engineers or other design professionals. Indemnification and insurance coverage shall be limited to Contractor and Contractor's customer only.

    Integrity Rebar Placers carries the following insurance coverage's.

15. Contractor shall provide Integrity Rebar Placers with copies of all contract documents applicable to Integrity Rebar Placers performance, duties, or obligations at its Headquarters Office.

16. Subcontractor shall be provided a mutually approved construction schedule providing a reasonable time in which to make delivery of submittals, materials and/or labor so as to commence and complete the performance of the Subcontract.

17. Subcontractor shall not be responsible for delays, accelerations, or defaults where occasioned by any causes beyond its control,

including but not limited to: delays caused by the Owner, General Contractor, Architect and/or Engineers.

18. Subcontractor shall be entitled to equitable adjustment in the subcontract amount for additional costs due to unanticipated project delays or accelerations caused by the Contractor or others under the direct control of Contractor, and whose acts is not Subcontractor's responsibility.

19. The Contractor shall make no demand for liquidated damages for delays in excess of the amount specified in the Contract Documents and no liquidated damages may be assessed against Subcontractor for more than its proportionate share of the amount paid by the Contractor for unexcused delays to the extent actually caused by Subcontractor.

21. Splices in reinforcing bars and/or construction joint dowels for Contractor's convenience shall be for Contractor's account. Also splices required due to low overhead, power lines and/or deficiencies in hoisting equipment unless specifically shown on contract drawings at that particular location shall be for Contractor's account.

22. Integrity Rebar Placers shall not be liable for repair of any damage caused by others outside the control of Integrity Rebar Placers. Approval for pouring or embedment in concrete shall constitute acceptance by Contractor of that portion of work and shall terminate Integrity Rebar Placers responsibility. Required remedial work, due to damage caused by others shall be for Contractor's account.

24. Cost of Ironworker show-up and/or stand-by time, scheduled by Contractor, when work is not ready shall be for Contractor's account.

25. Contractor shall furnish, without charge, templates/starter walls constructed with sufficient accuracy to support vertical reinforcing steel within placing tolerances specified by Owner. Templates/Starter walls shall not be double formed before reinforcing steel is installed unless prior approval has been granted.

26. Contractor shall furnish adequate parking for all Integrity Rebar Placers employees at no cost to Integrity Rebar Placers within three (3) standard blocks of the jobsite. If Contractor does not provide this parking, Contractor will pay Integrity Rebar Placers for all parking related costs including cost of vehicle parking, cost of shuttle services and travel time costs while employees are in transit unless specifically included in Scope of Work / Price or by additive quote.

27. Contractor will provide full access to all areas of the project for at least one (1) Integrity Rebar Placers' Foreman truck to provide supplies and accessories as needed for the project.

28. Contractor shall furnish approved work drawings of the temporary support system for columns, wall cages and/or any assemblies regardless of height, which the bid documents, may require. Contractor shall furnish and maintain adequate bracing, rigging, cables and guys, set all deadmen required to guy vertical reinforcing, and comply with the temporary system design (Rigging includes but is not limited to: chokers, shackles, spreader bars, etc....). Prior to hoisting support being removed, Contractor to inspect, approve compliance with temporary support system plan, and accept work.

29. Ramps adequate to allow semi tractor-trailer deliveries of reinforcing to point of final placement shall be furnished by Contractor for all work below grade and shall be maintained in place until all work below grade is complete. If above ramps are not provided, all cost for equivalent service shall be for Contractors account.

30. Masonry steel to be F.O.B. trucks jobsite, with Contractor agreeing to accept all responsibility for any shortages and/or replacement costs discovered twenty-four (24) hours subsequent to delivery. Unless shown otherwise on plan drawings, masonry vertical reinforcing is to be furnished in one piece, full height between stories of structure. If four-foot (4' 0") vertical lifts are required, Contractor and/or Contractor's subcontractor to assume all costs for additional splices required. All horizontal reinforcing #5 and smaller will be furnished in stock lengths plus corner bars.

31. Contractor shall furnish, at no cost to Integrity Rebar Placers hoisting/lowering of employees and materials to points of installation, wherever required.

32. Contractor shall furnish layout of dowels, which extend into masonry.

NOTE: Socal Stormwater Runoff Solution Services INC. herein called "SSRSS INC." does not provide draft or approved SWPPP hard copies. Corrections / additions to the plan due to errors or omissions on behalf of the contractor or the Agency may be billed to the contractor as time and material (T&M). T&M will be billed at a standard rate of $90.00/hour for non-Civil Engineering services and $120.00 / hour for Registered Civil Engineering services with all services being billed in ¼ hour increments.
3. Hard copy manuals: Billed at $75.00 for additional manual unless stated otherwise. Contractor will also pay for all additional shipping charges at cost plus a 15% handling fee.
4. Additional charges may apply pending contractor insurance requirements.
5. This Contract constitutes the entire Contract, and the parties are not bound by any oral expression or representation including those made by any agent of either party purporting to act for or on behalf or either party or by any commitment or arrangement not specified in the Contract.
6. No additional work shall be done without prior written authorization of Contractor. Any such authorization shall be on a change order form approved by both parties, which shall become a part of this Contract. Where such additional work is so added to this Contract, it is agreed that the total price under this Contract shall be increased by the price of such additional work, any delinquent service charge may be increased proportionately, and all terms and conditions of this Contract shall apply equally to such additional work.
7. It is expressly stipulated and agreed that SSRSS INC. shall not be liable for any delays occasioned by the elements, labor disputes, strikes, lockouts, Acts of God, fires, inclemency of the weather, changes ordered in the work, unavoidable casualties, the acts or omissions of owners or persons or any other similar or dissimilar causes beyond the control of SSRSS INC.
8. Contractor hereby agrees that time shall be of the essence in regard to all payments provided for herein, and if any payment is not made when due, Contractor agrees to pay all collection costs and expenses including costs of suit and any related attorney's fees and costs and also hereby waives the benefit of any statute of limitation that would prohibit an action of SSRSS INC. to enforce the terms and conditions of this Contract including but not limited to any right to recovery of attorney's fees and costs. The laws of the State of California shall control all aspects of this contract except as to lien matters, which will be governed by the laws of the state where the subject property is located.
9. If at any time any controversy shall arise between SSRSS INC. and Contractor regarding anything pertaining to this Contract and which the parties hereto do not promptly adjust and determine, then Contractor and SSRSS INC. stipulate and agree that the controversy shall, at the election of SSRSS INC., be submitted to an determined under the Construction Industry Arbitration Rules of the American Arbitration Association then in effect, and the parties hereto agree to be bound by the Award in such Arbitration. The Award shall be binding and final and may be entered as a final judgment in a court of competent jurisdiction.
10. SSRSS INC. will not be responsible for Acts of God, fire, storm, flood, landslide, earthquake, theft, vandalism or other disasters or accidents. Owner will purchase insurance at his expense before any work begins that will cover fire, vandalism, malicious mischief and other perils during the course of construction. SSRSS INC. will be held harmless for any damage or outcome relating to lack of insurance, vandalism, trespassing, weather, underground services or "Mother Nature".
11. Contractor is responsible for the labor/material for installment, maintenance and repair of the BMP's per the approved SWPPP.
12. Contractor is required to comply with the requirements of the approved SWPPP and all the terms of the Construction General permit (CGP) ORDER NO. 2009-0009-DWQ NPDES NO. CAS000002.
13. SSRSS INC. is not responsible for any Contractor negligence and non-compliances of the terms and requirements of the SWPPP and the CGP by the Contractor or any other parties. Contractor is required to notify the QSD and the State Water Board of any violations of the permit requirements and non-authorized discharges.
14. SSRSS INC. may assign or subcontract all or any portion of the work to be done under this Contract.
15. Access to the job site must be furnished by Contractor, the general contractor, lessee or other party ordering work.
16. SSRSS INC. shall not be held responsible for any existing violations of applicable building regulations or ordinances, whether cited by the appropriate authority or not. SSRSS INC. is not held responsible for any abnormal or unusual preexisting conditions. Correction of any such violations or abnormal conditions shall not be considered part of this Contract and shall be at the Contractor's expense.
17. Once the proposal is signed and fully executed, no cancellation would be accepted. SWPPP/WPCP plan is a project specific document and can not be utilized for any other projects. If for any reason (Contractor decision, error or the Owner/Agency change on requirement) a SWPPP/WPCP document is no longer needed, this contract shall be in effect and contractor is responsible to pay for the service in full.
18. Price of this contract is subject to increase for projects that are not commenced for over 90 days from the date that this contract is signed and fully executed.
19. Invoices paid after due date are subject to a finance charge computed at a monthly rate of 1.5% (annual percentage rate of 18%). Client is responsible for legal and collection costs if necessary to collect past due amount(s).

Payment Terms:

Contractor to provide monthly progress payments for all completed work in accordance with the bid pricing schedule. Monthly payments must be received in full by BC Rentals, Inc. no later than 10 calendar days after the Contractor receives payment from Owner for our completed work. Delinquent payments will be subject to the highest interest rate allowed by law.

Retainage percentage on monthly progress payments to be no greater than the percentage retained by the Owner on its payments to the Contractor. If Owner reduces the retainage percentages on payments to the Contractor, the Contractor shall likewise reduce the retainage percentage on payments to BC Rentals, Inc. Full retention to be released no later than thirty (30) days after completion of BC Rentals, Inc. work. Excessive or delinquent retainage will be subject to the highest interest rate allowed by law.

General Terms & Conditions

NOTE: All contracts must be written to our legal corporate name "BC Rentals, Inc."

BC Rentals, Inc. requires a written contract, purchase order or signed quote prior to the start of work.

Any required Testing, Engineering, Design, Permits, Licenses or Applications, and the like to be provided by others.

Prices are based on Plans & Specifications available at bid time, including all addenda. Any request for work (post bid) under conditions differing from those represented by the Prime Contract Documents, including but not limited to; altered phasing or staging, design changes, modified layout resulting from plan errors or inaccurate designs, will require payment for additional work to be made to BC Rentals, Inc. at an amount agreed upon prior to performing this work. If an amount cannot be agreed upon prior to performing the additional work the amount will be determined using Caltrans Force Account Rates or unit prices established in the bid pricing schedule, or a combination thereof; whichever method results in a higher overall payment.

BC Rentals, Inc. is not responsible for delays caused by and or resulting from activities or non activities of others, including but not not limited to, owner, contractor, vendors, suppliers, other subcontractors and other factors not in direct control of BC Rentals, Inc. For the delays caused by the aforementioned, BC Rentals, Inc. will be reimbursed for all direct and indirect costs plus a mark up of forty percent (40%), or as specified and allowed by the Prime Contract if the delays are caused by the Owner / Agency. BC Rentals, Inc. will be granted an extension of time to perform its work tantamount to the delays.

Price includes General Liability Insurance coverage up to Two Million Dollars, Auto Liability up to One Million Dollars, and Umbrella Liability up to Five Million Dollars. Bid Price does not includes cost for insurance requirement beyond that requirement. Price does not include any special insurance requirement (i.e. Railroad Insurance, etc). An additional cost will be required for this type of policy.

BC Rentals, Inc. requires fifteen (15) working days notice prior to commencement of any production activity. If any of BC Rentals, Inc. work will be a controlling operation on the critical path of this project, BC Rentals, Inc. must be notified in writing prior to execution of the Subcontract Agreement and provided with a CPM schedule which details this work. Failure to provide this information will waive the Contractor's right to recover liquidated damages from BC Rentals, Inc. for this work.

All changes to the original scope of work or proposed extra work must be directed by the Contractor in writing prior to BC Rentals, Inc. performing this work.

For the purpose of this Subcontract Quotation one (1) move-in is considered to be: a period of consecutive eight (8) hour days of continuous work, not including weekends and holidays. Any discontinuities in this period, other than weekends and holidays, or for our own convenience, will be charged as an additional move-in at the Addition Move-in Charge as quoted herein.

BC Rentals, Inc. must receive a letter of intent to award us the subcontract no later than (30) calendar days after bid date or this Subcontract Quotation becomes null and void. Also, This quote shall become a part of any and all subcontract agreements and / or purchases orders related to the project. Violation of this action will nullify this proposal.

Prices / Bid includes applicable State and Local Sales tax and items quoted are not for separate acceptance without prior approval. Performance of this Bid/Offer shall be governed by and in compliance with the Concrete Reinforcing Steel Institute Manual of Standard Practices. This offer represents the full scope and

B4402548

intent on the part of Excel Concrete Construction Inc. to provide services and materials to Contractor. This bid is submitted subject to and expressly conditioned upon all of the terms and conditions set forth below.

Price is based on detailing, fabricating and placing on a normal five (5) day, forty (40) hour work week (all Union contract and nationally recognized holidays are observed). Performance will be based on conventional construction, timely receipt of (2) complete printed sets of plans, specifications (in addition to CADD files) and adequate written schedules to which Excel Concrete Construction Inc. has agreed. Contractor shall furnish design information, locations of pour joints, and construction schedules in sufficient time to allow for preparation and approval of submittals, plus seven (7) working days for fabrication and delivery. Additional lead-time will be required for special mill rolling, spirals, epoxy coating and/or special mesh. Contract delays of more than forty five (45) days may result in additional cost of materials.

Prices, as quoted, will remain firm for thirty (30) calendar days, after which time Excel Concrete Construction Inc. reserves the right to revise this quotation.

Seller reserves the right to renegotiate additional price increases, for any shipments and/or placing after _____.

SPECIAL NOTES:

1. **Night work is excluded except by additive quote.**
2. **Upper 60 rail tied for slip form.**

HOISTING/LOWERING:

Contractor shall furnish, without charge, suitable equipment fully operated for hoisting/lowering reinforcing steel, wire mesh, etc, including unloading trucks, staging of reinforcing to points of installation (into foundations and onto elevated decks, etc...) setting of columns/cages and /or assemblies, and power placing of individual bars that Excel Concrete Construction Inc. may require. **Contractor to provide all hoisting required for unloading of trucks at point of installation.** (Hook time is the amount of time that the hoisting hook is actively supporting any reinforcing steel.) If Excel Concrete Construction Inc. is to perform its own hoisting, add $_____. (Hours and/or price provided do not include hoisting/lowering for F.O.B. trucks jobsite material and/or setting of tied and stockpiled cages or mats).

SCOPE OF WORK EXCLUSIONS

1. All testing and inspection and/or any related costs thereof other than mill test reports. (Rebar, mechanical couplers and/or welded hoop test bar samples to be provided F.O.B. trucks jobsite).
2. As-Built Drawings (Shop Drawings).
3. Plain (smooth) round bars, threaded bars, rods, sleeves, anchors, studs, bolts (anchor & misc.), and inserts.
4. Wrapping, coating, painting and/or greasing of reinforcing steel and/or wire mesh.
5. Supplying, installing, and /or maintaining any form of rebar cap or safety device on installed reinforcing steel or reinforcing steel on the ground/stored. (Per latest OSHA Standards)
6. Cost of pour watchman.
7. All permits and licenses, other than city/county business licenses and State Contractor's license, required for the work.
8. Cutting, burning, cleaning, straightening and/or bending of existing steel and/or improperly placed drill and grout/bond dowels.
9. Drilling, grouting, and dry packing / placing bars in drilled holes.
10. Payment and/or Performance Bonds. (Material Bond may be provided if available)
11. Cost of Bonds.
12. Furnishing and/or welding of dowels/anchors to miscellaneous steel and/or structural steel.
13. Metal tags (Integrity Rebar Placers' standard tags will be used to identify steel).
14. Any or all reinforcing steel, and/or wire mesh not shown on drawings unless specifically included in Scope of Work/Price.
15. **Placing or Shop Drawings prepared, reviewed, sealed or stamped by a licensed engineer.**
16. Providing and/or laying out holes in structural steel for reinforcing bars to pass.
17. All electrical bonding, grounding material (i.e. welding for cathodic protection).
18. All welding.
19. Breakout dowels and/or installation of same.
20. Prestressing and/or prestressing materials. (Including but not limited to any additional reinforcing steel required by any prestressing/post tensioning system)
21. Masonry Steel, other than deformed rebar.
22. Reinforcing for precast concrete items.

23. Reworking of any reinforcing steel and/or post-tensioned cables extending from precast piles.
24. The setting of tied and stockpiled F.O.B. Truck Jobsite cages as well as all spacer material and/or placing accessories required to position same. Reinforcing steel cages will be unloaded by Contractor and stockpiled at the jobsite in locations designated by Contractor. Relocation of stockpiled cages shall be Contractor's responsibility.
25. Epoxy Coated / Galvanized deformed and/or plain bars and/or wire mesh.
26. Field bending of rebar other than by additive quote.
27. The cost of reworking, rehabilitating and/or replacing reinforcing steel damaged or lost as a result of flood conditions. If storm damage should occur, responsibility for steel fully or partially in place, and for steel stored in locations designated by Contractor, shall be for Contractor's account.
28. Traffic control (Lane closures, barricades, flagmen, signs, lights, etc.).
29. All site work, including but not limited to paving, sidewalks, curb and gutter, storm drain items such as catch basins, clean-outs, inlets, outlets, manholes, headwalls, collars, etc. unless specifically included in Scope of Work/Price.
30. Diaphragm dowels or bolts required for precast members.
31. Protection of exposed steel for future construction.

GENERAL CONDITIONS

1. Contractor's acceptance of all of the terms and conditions of this Bid/Offer shall be conclusively evidenced by Contractor listing, permitting/directing performance, or signing and returning this offer.

2. Excel Concrete Construction Inc. may begin performance of the work, pending receipt of an executed final agreement. However, should a final mutually acceptable agreement not be forthcoming or should the terms and conditions of Excel Concrete Construction Inc. offer be altered or modified, Excel Concrete Construction Inc. reserves the right to immediately stop performance and Contractor agrees to indemnify Excel Concrete Construction Inc. for all costs and loss of profit.

3. The following items, as required, are to be provided by Contractor, fully erected for use at all locations necessary without charge to Integrity Rebar Placers:
   a. Grades and Lines.
   b. Templates.
   c. Racks, Ramps, Ladders, Cal-Osha approved Heavy Duty scaffolding (per sections 1926 subpart L App. A & E).
   d. Full access to all working areas for material, equipment and manpower.
   e. Level space for delivery, assembly and storage of steel, accessible to tractor-semi-trailer deliveries and adjacent to jobsite location where steel is to be used and/or hoisted/lowered.
   f. Adequate lighting as required, sanitary facilities, trash bins, etc.
   g. As required, adequate electrical power and compressed air (90 PSI Min.).
4. Subcontractor shall be paid monthly progress payments equal to one hundred percent (100%) of monthly billings within ten days (10) days of Contractor receiving payment from project owner for value of work completed, plus Owner approved amount of materials on hand and/or equipment (if any) suitably stored on or off site. Contractor shall, at all times, be financially responsible to Excel Concrete Construction Inc. for labor and material supplied pursuant to this offer. If a dispute arises between Contractor and Owner that delays receipt of payment by Contractor from Owner, unrelated to the performance of or materials supplied by Subcontractor, Contractor shall make progress and/or retention payment to Subcontractor within a reasonable time. A reasonable time for payment from Contractor to Subcontractor shall be defined as being due 45 days from Subcontractor's progress billing date.

5. Contractor shall not withhold retention greater than that being withheld by the Owner from the Contractor and shall immediately reduce retention withheld from Subcontractor, by a like percentage, when reduced to Contractor by Owner. In no event shall retention withheld by Contractor from Excel Concrete Construction Inc. exceed the percentage withheld from Contractor by Owner. Final retention payment shall be made not later than 35 days from date Excel Concrete Construction Inc. has completed its scope of work.

6. No retention shall be withheld on FOB and/or tied and stockpiled material, if approved by Owner.

7. Excel Concrete Construction Inc. shall not be required to continue performance if, after Contractor has received payment for the properly performed work of Integrity Rebar Placers, timely payments are not made to Integrity Rebar Placers.

8. All sums not paid when due shall bear an interest rate of 2% per month or the maximum legal rate permitted by law, whichever is greater; and all costs of collection, including a reasonable attorney's fee, shall be paid by Contractor as prescribed by Section 7108.5 of the California Business and Professions Code.

9. No provision of this Subcontract shall serve to void Excel Concrete Construction Inc. entitlement to payment for properly

performed contract/extra work or suitably stored materials, or to void Subcontractor's right to file a lien, stop notice, and/or claim on its behalf.

10. Neither party will have the right of set-off against the other party for any reason.

11. If Excel Concrete Construction Inc. is required by the Contractor to perform change order/extra work, said extra work must be authorized in writing by Contractor's Field Management personnel having apparent authority to authorize such extra work or an officer of the Contractor. Such written/executed directives from the Contractor shall constitute acceptance of financial responsibility by Contractor and a billable event upon completion of the work.

12. No back charges or claims of the Contractor for services provided shall be valid except by an agreement in writing, agreed to between the parties prior to services being provided.

13. Field labor called for herein is to be performed during Excel Concrete Construction Inc. regular working hours, eight hours per day, five days a week (all Union Holidays are observed), unless required and agreed to during bid negotiations. All work performed outside of such hours shall be charged at Excel Concrete Construction Inc. standard rates for overtime, weekend, or holiday work. Excel Concrete Construction Inc. standard rates are per Caltrans force account rates. (Labor Surcharge % per Concrete Construction - Bridge) However, should Excel Concrete Construction Inc. be behind the preapproved construction schedule, all overtime/premium time required to regain the construction schedule shall be for subcontractor's account.

14. Excel Concrete Construction Inc. will indemnify, defend and save harmless Contractor and Contractor's customer from Excel Concrete Construction Inc. proportionate share of liability for claims attributable to bodily injury (including death) and/or property damage (to other than the Work itself) to the extent caused by the negligence or intentional misconduct of Excel Concrete Construction Inc. or anyone directly or indirectly employed by Integrity Rebar Placers. Subcontractor will name Contractor and Contractor's customer as additional insured on Subcontractor's insurance policies only if required to do so by the Contract Documents and only by means of Subcontractor's standard additional insured endorsement. Indemnification and insurance provided by Excel Concrete Construction Inc. shall not extend coverage to Architects, Engineers or other design professionals. Indemnification and insurance coverage shall be limited to Contractor and Contractor's customer only.

9. Excel Concrete Construction Inc. carries the following insurance coverage's.

   General Liability; Carrier-A.M. Best Rated A X Non-Admitted. Form: CG2001 10/01-2001 ISO Occurrence Commercial General Liability including products. Limits: Each Occurrence $1,000,000.    Workers Compensation: Carrier: State Compensation Insurance Fund, Statutory includes Employers Liability.

15. Contractor shall provide Excel Concrete Construction Inc. with copies of all contract documents applicable to Excel Concrete Construction Inc. performance, duties, or obligations at its Headquarters Office.

16. Subcontractor shall be provided a mutually approved construction schedule providing a reasonable time in which to make delivery of submittals, materials and/or labor so as to commence and complete the performance of the Subcontract.

17. Subcontractor shall not be responsible for delays, accelerations, or defaults where occasioned by any causes beyond its control, including but not limited to: delays caused by the Owner, General Contractor, Architect and/or Engineers.

18. Subcontractor shall be entitled to equitable adjustment in the subcontract amount for additional costs due to unanticipated project delays or accelerations caused by the Contractor or others under the direct control of Contractor, and whose acts is not Subcontractor's responsibility.

19. The Contractor shall make no demand for liquidated damages for delays in excess of the amount specified in the Contract Documents and no liquidated damages may be assessed against Subcontractor for more than its proportionate share of the amount paid by the Contractor for unexcused delays to the extent actually caused by Subcontractor.

20. Splices in reinforcing bars and/or construction joint dowels for Contractor's convenience shall be for Contractor's account. Also splices required due to low overhead, power lines and/or deficiencies in hoisting equipment unless specifically shown on contract drawings at that particular location shall be for Contractor's account.

21. Excel Concrete Construction Inc. shall not be liable for repair of any damage caused by others outside the control of Integrity Rebar Placers. Approval for pouring or embedment in concrete shall constitute acceptance by Contractor of that portion of work and shall terminate Excel Concrete Construction Inc. responsibility. Required remedial work, due to damage caused by others shall be for Contractor's account.

22. Cost of Ironworker show-up and/or stand-by time, scheduled by Contractor, when work is not ready shall be for Contractor's account.

23. Contractor shall furnish, without charge, templates/starter walls constructed with sufficient accuracy to support vertical reinforcing steel within placing tolerances specified by Owner. Templates/Starter walls shall not be double formed before reinforcing steel is installed unless prior approval has been granted.

24. Contractor shall furnish adequate parking for all Excel Concrete Construction Inc. employees at no cost to Excel Concrete Construction Inc. within three (3) standard blocks of the jobsite. If Contractor does not provide this parking, Contractor will pay Excel Concrete Construction Inc. for all parking related costs including cost of vehicle parking, cost of shuttle services and travel time costs while employees are in transit unless specifically included in Scope of Work / Price or by additive quote.

25. Contractor will provide full access to all areas of the project for at least one (1) Integrity Rebar Placers' Foreman truck to provide supplies and accessories as needed for the project.

26. Contractor shall furnish approved work drawings of the temporary support system for columns, wall cages and/or any assemblies regardless of height, which the bid documents, may require. Contractor shall furnish and maintain adequate bracing, rigging, cables and guys, set all deadmen required to guy vertical reinforcing, and comply with the temporary system design (Rigging includes but is not limited to: chokers, shackles, spreader bars, etc....). Dear Mr. Mills:

This is to inform you that California Department of Transportation (Caltrans) will be performing an on-site review of your firm on May 25, 2016, at 11:00AM, per my recent phone conversation with you on May 10, 2016.

The reason for this field review is to comply with the Federal regulations contained in 49 CFR, Part 26, et seq., which were originated by the U. S. Department of Transportation. To ensure participation in the program, it is essential that Disadvantaged Business Enterprise (DBE) firms and the Department work cooperatively to comply with these Federal guidelines pursuant to 49 CFR, Part 26.109 Eligibility Standards. (C) which states in part:

> (c) "All participants in the Department's DBE program are required to cooperate fully and promptly with DOT and recipient compliance reviews, certification reviews, investigations and other requests for information."

Therefore, failure to comply with the above-mentioned regulation will result in the closure of your file.

Additionally, all requests to reschedule on-site reviews must be done in writing, and are subject to the approval of this Department. Such requests must be submitted in writing or faxed to the below number no later than five (5) working days prior to the scheduled on-site date. Failure to respond in a timely manner will result in the closing of your file.

If you have any questions, please contact me at (916) 324-0620 or (916) 324-1700. In addition, my facsimile number is (916) 324-1862.

Sincerely,

J. R. Williams, R.A.
Certification Analyst

Firm Number: 43294

http://www.dot.ca.gov/hq/bep/. Any additions and revisions must be submitted to Caltrans for review and approval.

In order to assure continuing DBE status, you must annually submit a No Change Declaration Form (which will be sent to you) along with supporting documentation. Based on your annual submission – that no change in ownership and control has occurred – or if changes have occurred, they do not affect your firm's DBE standing. The DBE certification of your firm will continue until or unless it is removed by Caltrans.

Also, should any changes occur that could affect your certification status prior to receipt of the No Change Declaration Form, such as changes in your firm's name, business/mailing address, ownership, management or control, or failure to meet the applicable business-size standards or personal net worth standard, please notify us immediately. Failure to submit forms and/or change of information will be deemed a failure to cooperate under Section 26.109 of the Regulations.

Caltrans reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. DBE certification is subject to review at any time. The firm thereby consents to the examination of its books, records, and documents by Caltrans.

For information on Department contracting opportunities, please visit our website at http://www.dot.ca.gov/hq/esc/oe/.

Congratulations, and thank you for your continued interest in participating in the DBE Program. I wish you every business success.

Sincerely,
