RE: Contract No. 12-0M3804
Bid Date: March 28, 2013

Dear Mr. McMillan:

We are hereby protesting Truesdell Corporation's bid and DVBE Commitment. We are listed as the third place bidder on the Caltrans website, but because we qualify for a 5% advantage as a small business, we would be in second place.

Truesdell's subcontractor list shows Maneri Traffic Control as completing 100% of item #3, traffic control system. Their DVBE Summary states, in the description column, that Global Environmental Network is providing the traffic control system. It is our understanding that two contractors cannot do the same item of work.

Bid item #8 is the public safety plan. Truesdell shows that item to be \$10,000 on the bid item list. Yet on their DVBE summary, they list it as item #6 and show Global Environmental Network as completing the work for \$29,775.00. We feel that the discrepancy in dollar amount is grounds for a non-responsive bid. But, even if Global Environmental were doing \$29,775.00 worth of work, they should have been listed on the subcontractor page because it is over 1/2 of 1% of the total bid or \$10,000, whichever is greater.

We are requesting that this bid be deemed unresponsive based on the above factors. If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "John Korb", written over a horizontal line.
