THIS QUOTE INCLUDES PRE-CON'S TERMS AND CONDITIONS.

PRE-CON PRODUCTS TERMS AND CONDITIONS

- 1. Purchase Price.** The Purchase Price specified on the face of this invoice is and shall be considered a lump sum price for the sale and/or installation of the Products based upon the aggregate prices of the time end material components of the Purchase Price including installation charges, if any, as have been separately stated.
- 2. Payment.** Payment in full of the Purchase Price, including transportation costs, shall be due thirty (30) days after delivery. Interest at the rate of eighteen percent (18%) per annum shall accrue on the unpaid balance, and on any other charges or expenses payable by Buyer, from the due date until paid in full. Seller reserves the right to forthwith cease all further deliveries if timely payment in full has not been received.
- 3. Price Change.** The Purchase Price is binding on the Seller only for the period indicated, and prices are subject to change without notice. The possession of price sheets or catalogs by any person should not be construed as a binding offer to sell by Seller. Price changes made by Seller shall apply to all materials covered by this contract and delivered after said period, provided that delivery is not delayed due to any fault of the Seller.
- 4. Delivery.** Seller will deliver the Products to the job site, and if requested in writing by Buyer, Seller shall install, attach and affix the Products to their final location using Seller's trucks, trailers and personnel. The unloading, placement and installation of the Products shall be the sole responsibility of Seller based upon the reasonable directions and requirements of Buyer, unless otherwise agreed in writing. Buyer shall provide and maintain suitable access roads to the delivery site and protect utilities and adjacent structures.
- 5. Installation.** In the event Seller is required to install the Products pursuant to Buyer's request, Seller shall further furnish all tools, equipment, labor, materials, structures and accessories which may be required or necessary to properly install and affix to the job site all of the Products. Seller makes no representations or warranties, nor assumes any responsibility regarding the proper location, alignment, depth size, bedding, supports, physical requirements, base, backfill, compaction or any other condition affecting the placement or installation of the Products specified by Buyer, which responsibilities are exclusively borne by Buyer. Seller assumes no responsibility for water infiltration into any Product placed into any excavation.
- 6. Capacity.** Seller shall be deemed a construction contractor for all purposes if Seller is required to install and affix the Products according to the plans and specifications of Buyer. Buyer's payment of the Purchase Price shall not be reduced or subject to any offset, retention, back-charge or other claims by reason of any term or condition not contained herein.
- 7. Title.** Seller shall retain title to all Products until the full Purchase Price has been paid and, if Seller is responsible for the installation of the Products, until the Products have been attached to, incorporated in and affixed to their final position by Seller.
- 8. Sales Tax.** The Purchase Price of the Products is based upon the assumption that Seller shall install and affix the Products, provided that in the event Buyer does not elect or contract with Seller to install the Products, then Buyer shall be further liable and responsible for the payment of all sales or use tax computed on the gross Purchase Price of the Products.
- 9. Warranties.** Seller only warrants that the Products shall conform to the specification thereof and shall be free from defects in labor and materials for a period of one (1) year from date of delivery. If the Products should be found to be defective then upon written notice and after the return of the Product at Buyer's expense to Seller's business premises, Seller shall replace the Product with a duplicate Product free from defect without charge, but without further expense to Seller. SELLER MAKES NO OTHER WARRANTIES OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED, AND SELLER HEREBY EXPRESSLY DISCLAIMS ALL OTHER IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE OR PURPOSE. EXCEPT FOR THE REPLACEMENT OF ANY DEFECTIVE PRODUCTS AS SET FORTH ABOVE, SELLER SHALL NOT BE LIABLE OR RESPONSIBLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES, COSTS, EXPENSES OR LOSSES SUFFERED BY BUYER, INCLUDING ANY CLAIMED OR ALLEGED DELAY DAMAGES, RESULTING FROM OR CAUSED BY DEFECTIVE PRODUCTS SUPPLIED BY SELLER. Products sold by Seller, but not manufactured by it, are warranted only to the extent such Products are warranted to Seller by the supplier.
- 10. Inspections.** Buyer shall inspect the Products for any broken, chipped or other visible defect or deficiency prior to unloading the same and seller shall have no liability for any such deficiencies unless Buyer provided written notice to Seller on the shipping/delivery document evidencing Buyer's receipt of the same. All other inspections of the Products shall be made by Buyer within five (5) days from Seller's delivery of the products to the job site, at Buyer's sole cost and expense, for correct size, symmetry, depth and quality consistent with allowable tolerances and variations consistent with usual trade practices. Unless written notice of rejection is timely received by Seller, it is conclusively deemed that the Products meet with the Buyer's purchase requirements and are complete in accordance with the description of the Products.
- 11. Returns.** Products shall not be returned by the Buyer without prior written acceptance by the Seller. The amount of credit to be given, if any, shall be determined by the Seller after inspection of the Products upon return to Seller's business premises.
- 12. Quantity.** When the Buyer requests a reduction in total quantity of the Products ordered of more than ten percent (10%) for any category of Products listed, Seller may at its option increase the unit price of the Products a reasonable amount to offset the reduction in quantity.
- 13. Scheduling.** Seller's delivery of the Products is based on its present estimate of the time required to ship after receipt of Buyer's order. ACCEPTANCE BY BUYER OF ANY PRODUCTS WITHOUT WRITTEN OBJECTION SHALL CONSTITUTE A WAIVER BY BUYER OF ANY CLAIM FOR ACTUAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES ON ACCIDENT OF ANY DELAY IN DELIVERY OF SUCH PRODUCTS.
- 14. Ordering Odd Lengths.** The Purchase Price is based upon furnishing not over two percent (2%) of total Products sold having standard four-foot lengths, unless otherwise agreed in writing on the reverse hereof. An additional charge will be made for any excess in such percentage. All pipe end Products will be billed at nominal lengths (4' or 8') and no allowance shall be chargeable for shortage due to bevelling.
- 15. Default.** Upon any default by Buyer under this contract, Seller, at its option, may cancel the unfulfilled portion of this contract, and the full Purchase Price for all Products manufactured by Seller for Buyer under this contract, whether or not delivered to the job site, shall, at Seller's sole option, become immediately due and payable, the exercise by Seller of any of its rights under this contract shall not bar Seller from exercising any other rights or remedies under the applicable lien laws against the property where the Products are placed or installed. In the event of default in payment, or any other breach, Seller may retake possession of the Products wherever they may be found, and may resell the same with out notice to Buyer, applying the amount so received to the balance due. Seller may otherwise exercise all rights and remedies available to Seller in accordance with California law.
- 16. Sale Contract.** This contract is subject to acceptance only on the terms and conditions stated in this offer. This contract shall not be subject to modification except by an agreement in writing signed by both parties. Any additional or different terms and conditions proposed by Buyer, either before or after this offer, are hereby rejected.
- 17. Force Majeure.** The Seller shall not be liable for delays or other failure to perform because of any delays in manufacture or delivery due to unforeseeable causes beyond the control and without the fault or negligence of the Seller, including, but not restricted to, acts of God or of the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, excessive traffic, major equipment or transportation failures, delays or defaults of third parties, freight embargoes, unusually severe weather or delays of subcontractors or suppliers due to any causes and non availability of materials. All claims for delay in delivery of the Products shall be deemed waived unless presented in writing concurrently with acceptance of the Products. Delays in delivery, for whatever reason, shall not be cause of cancellation of this contract by Buyer. The parties hereto acknowledge that the amount of damages suffered or incurred by Buyer as a result of any delay in the delivery of Products which is caused by Seller's neglect or default shall be incapable of accurate measurement and that the parties hereby agree that Seller shall solely be liable to Buyer in such event in an amount equal to Fifty Dollars (\$50) per day of delay which amount shall constitute the sole and exclusive measurement of damages suffered by Buyer due to any such delay damages.
- 18. Bid Jobs.** On bid jobs, this contract shall be binding on the parties only (a) for deliveries within sixty (60) days from the date on this contract and (b) if Buyer is awarded either from a general or subcontract embracing the use of the Products.
- 19. Taxes Not Included.** The Purchase Price is exclusive of all state or local sales or use taxes and all other taxes of any governmental or public agency, applicable to this order unless specifically included.
- 20. Indemnification.** Buyer expressly agrees to indemnify, defend and hold Seller harmless from and against all claims, demands, losses, expenses, costs, including reasonable attorney's fees, liabilities, suits or judgments of any kind or nature, arising out of, in connection with, or resulting from death or injury to persons and loss, damage or injury to property, caused or due directly or indirectly to the sale, delivery, installation, storage or use of the Products being provided to Buyer. Buyer further agrees to erect sufficient protective and warning devices at the time the Products are placed on the job site.
- 21. No Assignment.** Buyer shall not assign this contract or any interest therein, without Seller's prior written consent.
- 22. Risk of Loss.** Risk of damage or loss of the Products shall pass to the Buyer upon the transfer of title. Thereafter, Buyer shall be responsible for compliance of all governmental regulations and ordinances with regard to storage or placement of the Products.
- 23. Attorney Fees.** In the event of any litigation, action or proceeding is commenced in connection with this contract, the prevailing party therein shall be entitled to recover its reasonable attorney's fee and court costs.
- 24. Storage.** In the event Buyer does not accept delivery of the Products in accordance with the delivery schedule agreed upon between the Seller and Buyer, Seller will store the undelivered Products on its business premises for a period of thirty (30) calendar days beyond the scheduled delivery date; provided that Seller will charge Buyer an amount equal to one and one-half percent (1½%) for each month, or any portion thereof, of the Purchase Price for the undelivered Products from the scheduled delivery date, payable monthly, and continuing until delivery of the Products or the termination of this contract whichever shall last occur. Seller shall have the right to cancel this contract, retain any deposits or prepayments, and recover the remaining balance of the full Purchase Price of any undelivered Products, plus interest thereon at the rate of one and one-half percent (1½%) per month until paid in full, if Buyer shall not accept delivery, for any reason whatsoever, within ninety (90) days from the scheduled delivery date.
- 25. Disclaimer of Plans.** Buyer hereby acknowledges that in the event the Seller has provided any layouts, schematics, drawings or other plans to Buyer in connection with the placement, location or installation of the Products, any such plans were prepared solely for the benefit of Seller and Seller hereby disclaims, and shall expressly not be liable or responsible for, any loss, damage, expense or other injury suffered by Buyer, or claimed to be suffered or incurred by Buyer, with respect to or arising out of Buyer's use of such plans.
