Good morning Jacob, I see your a plan holder on this job or looking for DBE support. If you need any DBE support for me let me know. I have two DBE companies and have a number of approved services i.e. cold milling, oil supply and haul, flatbeds, dump truck etc.

Also, I have a unique mini grinder attachment that grinds under hard to get places i.e. under guard rails. It's been working on really well for the customers I've used it for so far.

Let me know if you need anything.

Rate sheet attached and both DBE cert #s.

If you need an oil supply/haul quote let me know what grade and tons?

thx
