Subject: Bid Protest.

Dear Mr. McMillan:

Until today we have not received any respond back from you with regards to our protest that we submitted on 4/23/15.

We need to know how can the lowest bidder claim an amount different from the DVBE supplier quotation, this will give him an advantage over the other bidder, we used the same DVBE supplier and we calculated our goal and markup based on the full amount \$118,906 not a portion of it.

We ask for explanation from you or consider the lowest bidder a non-responsive bidder and a ward the project to Smart tech Group Inc.

If you have any question please do not hesitate to call at 949-800-6040.

Sincerely,

Smart Tech Group Inc.

President
