RE: Work Item Review for G&C Equipment Corporation

Dear Mr. Hale:

This letter is regarding the recent meeting your company had with Caltrans Directory Malcolm Dougherty and Assistant Director René Halverson from the Office of Business Economic Opportunity.

Caltrans has taken the initiative to ensure all certified DVBE firms that bid on or perform on Caltrans' State funded projects are performing a commercial useful function (CUF). After careful evaluation of the information and documentation obtained as a result of the review, pursuant to Military & Veterans Code §999(b)(5)(B) (i) and (ii), your firm is deemed to perform a CUF when providing the following types of services on Caltrans projects:

| Work Item Description | G&C's Role/Participation |
|--|---|
| Safety Equipment Supplier | Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks |
| Reinforcing Bar Supplier | Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks |
| Lumber Supplier | Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks |
| Pipe Supplier | Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks |
| Guard Railing & Barriers Supplier | Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks |
| Traffic Stripes, Marking & Traffic Control Materials | Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks |
| Wholesale Broker of Construction Materials | Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks |

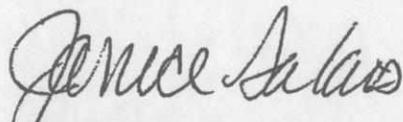

| Work Item Description (Continued) | G&C's Role/Participation (Continued) |
|--------------------------------------|---|
| Sign Structure Supplier | Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks |
| Electrical Supplier | Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks |
| Construction Area Signs Supplier | Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks |
| Plumbing Materials Supplier | Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks |

Since we have determined your firm is providing a CUF for the specified classifications listed in the table above, the DVBE credit can ONLY be granted to the afore mentioned classifications and counted towards DVBE goals for Caltrans State funded contracts. For all other goods and services that G & C Equipment is listed for, the Contract Evaluation Unit will assess these particular work items on a contract by contract basis.

You may review your firm's information on the Department of General Services (DGS) website at <http://www.bidsync.com/DPXBisCASB>. It is your responsibility to maintain correct information regarding your firm's name, address, phone/fax number, and e-mail address on the DGS website.

If you have questions or need further assistance or clarification, please contact Ryan Jeske, Contract Evaluation Analyst, CEU at (916) 324-0462, or by email at ryan_jeske@dot.ca.gov.
