RE: Disadvantaged Business Enterprise Certification

Dear Mr. Hale:

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26, as amended. This certification will be recognized by all of the U.S. DOT recipients in California. Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs under the following specific areas of expertise that you have identified on the NAICS codes form of the application package:

NAICS (2007)	Description
423610	Electrical Apparatus and Equipment, Wiring, Supplies, and Related Equipment Merchant Wholesalers
423720	Plumbing and Heating Equipment and Supplies (Hydronics) Merchant Wholesalers
423730	Warm Air Heating and Air-Conditioning Equipment and Supplies Merchant Wholesalers
423510	Metal Service Centers and Other Metal Merchant Wholesalers
423320	Brick, Stone and Related Construction Merchant Wholesalers

Your DBE certification applies only for the above codes. You may review your firm's information in the CUCP DBE database which can be accessed at the CUCP's website at www.californiaucp.org. Any additions and revisions must be submitted to Metro for review and approval.

In order to ensure your continued DBE status, you are required to submit an annual No Change Declaration Form (which will be sent to you) along with supporting documentation. If no changes are noted, then your DBE status remains current. If there are changes, Metro will review to determine continued DBE eligibility. Please note, your DBE status remains in effect unless Metro notifies you otherwise.

Should any changes occur that could affect your certification status prior to receipt of the No Change Declaration Form, such as changes in your firm's name, business/ mailing address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately. Failure to submit forms and/or change of information will be deemed a failure to cooperate under Section 26.109 of the Regulations.

Metro reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. Your DBE certification is subject to review at any time. The firm thereby consents to the examination of its books, records and documents by Metro.

Congratulations, and thank you for your interest in the DBE program. Should you have any questions, please contact us at 213-922-2600. For information on Metro contracting opportunities, please visit our website at www.metro.net.

Re: Small Business Enterprise Certification

Dear Mr. Hale:

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Small Business Enterprise (SBE) as required under Metro's SBE Program. Your firm will be listed in Metro's SBE database of certified SBEs under the following specific areas of expertise:

NAICS (2007)	Description
423610	Electrical Apparatus & Equipment, Wiring, Supplies and Related Equipment Merchant Wholesalers
423720	Plumbing and Heating Equipment and Supplies (Hydronics) Merchant Wholesalers
423730	Warm Air Heating and Air-Conditioning Equipment and Supplies Merchant Wholesalers
423510	Metal Service Centers and Other Metal Merchant Wholesalers
423320	Brick, Stone and Related construction Material Merchant Wholesalers

Your SBE certification is good for five years from the date of this letter and applies only for the above NAICS 2007 codes. Any additions and revisions must be submitted to Metro for review and approval

After the five-year certification period, your entire file will be reviewed in order to ascertain continued SBE certification status. You will be notified of the pending SBE status review and any documentation updates necessary prior to the expiration date.

Also, should any changes occur that could affect your certification status prior to receipt of the renewal application, such as changes in your firm's name, business/ mailing address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately.

Metro reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. Your SBE certification is subject to review at any time. The firm thereby consents to the examination of its books, records, and documents by Metro.

Congratulations, and thank you for your interest in Metro's SBE Program. Should you have any questions, please contact us at [213-922-2600](tel:213-922-2600). For information on Metro contracting opportunities, please visit our website at www.metro.net.

June 6, 2012

Mr. Felipe Olivar
Senior Project Manager
ATKINSON CONSTRUCTION, a subsidiary of Clarke Construction Group, LLC
27422 Portola Parkway, Suite 250
Foothill Ranch, CA 92610

Subject: Contract No. PS 09-2210-2333 Metro ExpressLanes Project
G&C Equipment Corporation

This letter is in response to Atkinson's letter dated March 23, 2012, submitted in response to Los Angeles Metropolitan Transportation Authority's Diversity & Economic Opportunity Department (DEOD) letter dated, March 9, 2012. Metro has completed a review of Atkinson's UDBE subcontractor, G&C Equipment Corporation, to determine crediting their (G&C) UDBE participation as a regular dealer or broker. The focal point of our review pertained to G&C's purchase of specialty signs, transformers and other equipment not regularly inventoried in their warehouse. In determining a UDBE firm's eligibility to receive credit as a regular dealer or a broker, the decision requires a transaction by transaction analysis, as directed by 49 CFR 26.55(e).

On Monday, April 2, 2012, DEOD conducted a fact finding meeting with G&C's President, Gene Hale, to obtain information regarding equipment not regularly kept in inventory and to determine risk assumed by taking possession of and delivering signs and transponders supplied to Atkinson. Mr. Hale responded to questions raised during the meeting with DEOD that allowed for in-depth review of G&C's procurement process. DEOD examined documents to determine G&C's insurable interest in the equipment purchased for Atkinson on the ExpressLanes project.

For DEOD's analysis, Mr. Hale submitted requested documentation directly characterizing G&C's transactions for procuring materials, supplies and equipment for Atkinson specifically on the ExpressLanes project. Mr. Hale provided copies of purchase orders, pricing sheets, cancelled checks, procurement procedures, inspection reports, bills of lading (for items shipped to the project site and to G&C's warehouse) associated with the Metro ExpressLanes project. On Thursday, April 26, 2012, DEOD also performed an on-site review of G&C's warehouse to verify a shipment of transponders delivered earlier during the week.

For additional guidance in determining G&C's eligibility to receive UDBE credit as a regular dealer, DEOD referenced the State of California Commercial Code (Section 2505). As a result, DEOD determined that G&C's negotiable bill of lading, confirms that they (G&C)

Atkinson Construction
June 4, 2012
Page 2 of 2

holds a security interest in the subject materials and supplies for Metro ExpressLanes. The Purchase orders, pricing sheets, cancelled checks for products procured, inspections reports, and the site visit conducted by DEOD, confirmed that the products procured by G&C, sufficiently demonstrates that they (G&C) hold an insurable interest in the specialty equipment inventoried and supplied to Atkinson for use on the Metro ExpressLanes project.

In accordance with 49 CFR Part 26.55(e)(2), Metro finds that G&C is "a regular dealer that engages, as its principal business and under its own name, in the purchase and sale or lease of products in question." As a result, Metro rescinds its initial determination and will grant Atkinson regular dealer credit for the specialty signs, transformers, and other equipment regularly procured by G&C for the Metro ExpressLanes Project as defined in 49 CFR 26.55.

Based on the result of our findings, Atkinson will continue to receive 60% credit for G&C's participation as a regular dealer. In addition, in order to continually and appropriately credit UDBE participation, Atkinson shall provide prior written notice to DEOD of any anticipated transactions for specialty items not regularly purchased or warehoused by G&C.

Please contact Linda Perryman at (213)922-2626, with any question relating to crediting UDBE participation on this project.

RE: Work Item Review for G&C Equipment Corporation

Dear Mr. Hale:

This letter is regarding the recent meeting your company had with Caltrans Directory Malcolm Dougherty and Assistant Director René Halverson from the Office of Business Economic Opportunity.

Caltrans has taken the initiative to ensure all certified DVBE firms that bid on or perform on Caltrans' State funded projects are performing a commercial useful function (CUF). After careful evaluation of the information and documentation obtained as a result of the review, pursuant to Military & Veterans Code §999(b)(5)(B) (i) and (ii), your firm is deemed to perform a CUF when providing the following types of services on Caltrans projects:

Work Item Description	G&C's Role/Participation
Safety Equipment Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks
Reinforcing Bar Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks
Lumber Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks
Pipe Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks
Guard Railing & Barriers Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks
Traffic Stripes, Marking & Traffic Control Materials	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks
Wholesale Broker of Construction Materials	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks

Page 2

Work Item Description (Continued)	G&C's Role/Participation (Continued)
Sign Structure Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks
Electrical Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks
Construction Area Signs Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks
Plumbing Materials Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks

Since we have determined your firm is providing a CUF for the specified classifications listed in the table above, the DVBE credit can ONLY be granted to the afore mentioned classifications and counted towards DVBE goals for Caltrans State funded contracts. For all other goods and services that G & C Equipment is listed for, the Contract Evaluation Unit will assess these particular work items on a contract by contract basis.

You may review your firm's information on the Department of General Services (DGS) website at <http://www.bidsync.com/DPXBisCASB>. It is your responsibility to maintain correct information regarding your firm's name, address, phone/fax number, and e-mail address on the DGS website.

If you have questions or need further assistance or clarification, please contact Ryan Jeske, Contract Evaluation Analyst, CEU at (916) 324-0462, or by email at ryan_jeske@dot.ca.gov.
