**Re:** **Water request for overlay project on Hwy 49**

---

Mr. Jim Ferreira,

The Nevada Irrigation District has looked over your request for adequate water supply of about 190,000 gallons of potable water for your project on Hwy 49 coming up this summer. Barring unforeseen circumstances the Nevada Irrigation District acknowledges that there is sufficient water within the District's boundaries to provide 190,000 gallons of water required for this project.

If I can be of any assistance you can contact me at [wasley@nidwater.com](mailto:wasley@nidwater.com) or by phone (530) 271-6891.

Respectfully,

Nathan Wasley
