Subject: Caltrans Placer 89 Lakeside Permit # EIPC2010-0007

Dear Steven Gaytan,

I am writing to confirm that the following language will be deleted from permit EIPC2010-0007 Placer 89 Lakeside Project permit item 7.E. at the time of acknowledgement:

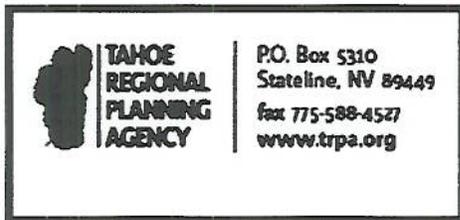

"Intercepted groundwater shall not be discharged into storm drains. Intercepted groundwater shall be removed from the Basin and discharged into the sanitary sewer system subject to approval and requirements of the applicable sewer district."

Please accept this email as confirmation that TRPA will accept any dewatering plan that is approved by the Lahontan RWQCB.

Thank you,

Ethan Casaday
