No subcontract releases you from the contract or relieves you of your responsibility for a subcontractor's work. If you violate Pub Cont Code § 4100 et seq., the Department may exercise the remedies provided under Pub Cont Code § 4110. The Department may refer the violation to the Contractors State License Board as provided under Pub Cont Code § 4111. Perform work equaling at least 30 percent of the value of the original total bid with your employees and with equipment owned or rented by you, with or without operators. Each subcontract must comply with the contract. Each subcontractor must have an active and valid State contractor's license with a classification appropriate for the work to be performed (Bus & Prof Code, § 7000 et seq.). Submit copies of subcontracts upon request. Before subcontracted work starts, submit a Subcontracting Request form. Do not use a debarred contractor; a current list of debarred contractors is available at the Department of Industrial Relations' Web site. Upon request, immediately remove and not again use a subcontractor who fails to prosecute the work satisfactorily.
