Bids for this work will be opened on July 3, 2008.

This addendum is being issued to revise the Project Plans, the Notice to Contractors and Special Provisions and the Proposal and Contract.

On Project Plan Sheet 88, the last four rows of the quantities table is revised as follows:

In the Special Provisions, Section 2-1.07, "PREBID QUALIFICATION QUESTIONNAIRE," the following paragraph is added after the fourth paragraph:

"Prospective bidders who have submitted the PBQQ will know whether they will be required to employ a safety professional to provide oversight for the project. The bidders who submit the PBQQ at the time they submit their bid will not know until after bid opening whether they will be required to provide a competent full-time on-site safety professional for the project. The cost of this safety professional will be borne by the contractor. Notwithstanding the foregoing, all bidders must submit a PBQQ before bid opening. Failure of the bidder to submit a PBQQ will result in a determination by the Department that the bidder is disqualified, and any bid submitted either solely or as a joint venture partner will be returned unopened."

In the Special Provisions, Section 2-1.07, "PREBID QUALIFICATION QUESTIONNAIRE," the fifth and sixth paragraphs are deleted.

In the Special Provisions, Section 5-1.16, "PAYMENTS," in the fourth paragraph the following item is added:

"D. Pavement reinforcing (dowels and baskets)."

In the Proposal and Contract, the Engineer's Estimate Items 13, 16, 17 and 18 are revised as attached.

To Proposal and Contract book holders:

Replace page 3 of the Engineer's Estimate in the Proposal with the attached revised page 3 of the Engineer's Estimate. The revised Engineer's Estimate is to be used in the bid.
