Location

Site Address: 4TH ST - BONNIE BEACH PL / DOWNEY RD

Description: LAC - 4TH ST. AT DOWNEY RD. - CITY OF TERRACE (PCA- LCTYSTATE)

Scope of Work

PURPOSE: To install parkway drain as shown on the attached plans. All sidewalk panels damaged as a result of work performed under this permit MUST be replaced from score line to score line to the satisfaction of the Inspector.

- 1- Road work such as, but not limited to, excavation, trenching, backfilling, and paving shall be per Los Angeles County road codes, standards, and requirements.
- 2- Caltrans assumers full responsibility for the ownership and maintenance of the proposed parkway drain. If the facilities are in conflict with any future County road improvement project, they shall be removed or relocated under separate permit at no cost to the County.
- 3- Permittee shall maintain traffic flow at all times and shall follow the traffic control requirements set forth in the most recent edition of the California MUTCD Part 6 (California Manual of Temporary Traffic Controls).
- 4- Excavations are to be plated unless otherwise directed by the Inspector. The plates shall be installed flush with the existing pavement. All gaps surrounding the plates must be filled to the satisfaction of the Inspector.
- 5- Excavations 2' wide or less, within the travelled roadway, require the use of one (1) sack slurry or other approved Controlled Low Strength Material (CLSM) as backfill.
- 6- Any deviation from the alignment shown on attached plans and or the installation of additional conduits, vaults, or appurtenances must have prior written approval.
- 7- This permit does not authorize the installation of any facility on private property.
- 8- Placement of any above ground facility shall conform to attached plans; prior to installation, the final location shall be approved by the Inspector.
- 9- Only Caltrans is allowed to do work under this permit. No contractor shall be allowed to work under this permit without submittal and approval of its insurance by the County as stipulated in section 7-3 and 7-4 of the "GREENBOOK" and "GRAYBOOK". It is the responsibility of the permittee/owner to submit the proper insurance documents (general liability, workers comp, and additional insured endorsement showing LA County as an additional insured) prior to the start of construction.
- 10- Should evidence of the renewal or replacement of the contractor's insurance policy not be filed with the County prior to the expiration or cancellation date, the County will stop all work and no further work shall be performed until new insurance coverage has been obtained by the Contractor, as stipulated in section 7-3 and 7-4 of the "GREENBOOK" and "GRAYBOOK".
