## **INFORMATION HANDOUT**

### **Water Source Information**

Merced County is currently under a Drought Emergency/Water Shortage Declared, with water restrictions. Base on this Category of classification the following information is being provided.

A potential non-potable water source is available at Merced Irrigation District (MID). As of September 09, 2015, the cost for non-treated surface construction water has a permit fee of \$225 per acre foot (326,000 gallons). Additional amounts shall be at a cost of \$200 per acre foot, No MID pump water shall be available for construction purposes, except under extreme circumstances and with the permission of the MID manager. An annual \$1000 Deposit will be necessary at the issuance of the permit.
