STATE OF CALIFORNIA • DEPARTMENT OF TRANSPORTATION

POSITION DUTY STATEMENT

PM-0924 (REV 7/2014)

CLASSIFICATION TITLE	OFFICE/BRANCH/SECTION	
Caltrans Equipment Operator II	District 12/Maintenance/Field Maintenance	
WORKING TITLE	POSITION NUMBER	EFFECTIVE DATE
CEO-II - Maintenance	912-xxx-6286-xxx	

As a valued member of the Caltrans team, you make it possible for the Department to provide a safe, sustainable, integrated, and efficient transportation system to enhance California's economy and livability. Caltrans is a performance-driven, transparent, and accountable organization that values its people, resources and partners, and meets new challenges through leadership, innovation and teamwork.

GENERAL STATEMENT:

Under the direction of a Caltrans Maintenance Supervisor or guidance of a Caltrans Highway Maintenance Leadworker, the Caltrans Equipment Operator II operates, maintains, and repairs various maintenance equipment, and performs general laboring tasks associated with the maintenance of the State Highway System. The incumbent may be required to work overtime, work irregular shifts/alternate work schedules including nights, holidays, and weekends; may be required to work temporary and/or intermittent varied work shifts and required to respond to emergency situations and calls. May be loaned to other cost centers. This position is represented under collective bargaining.

This classification requires a valid and unrestricted class A drivers license with tanker (N) endorsement and a current medical certificate. Hazardous materials endorsement (X) is desirable, but not required. Duties included but are not limited to:

TYPICAL DUTIES:

Percentage	Essential (E)/Marginal (M)[1]	Job Description
70%	E	Incumbent operates various vehicles requiring a class A commercial drivers license with tank endorsement. Also operates specified equipment used in highway maintenance, structures maintenance, emergency service, landscape, or construction. Incumbent shall follow prescribed methods of equipment as instructed by Maintenance Equipment Training Academy (META) and the supervisor. Incumbent shall use the Pre-Op and Post-Op checklist for reporting any signs of problems to the supervisor. Service and make minor repair on equipment as instructed by META. Must be able to operate automatic and manual transmissions.
25%	E	When not operating the specified equipment, may perform any of the duties outlined under Caltrans Equipment Operator I, Caltrans Highway Maintenance Worker, Caltrans Landscape Maintenance Worker, and/or other related work. Operates manual/power hand tools and performs manual labor tasks. Expected to remove debris from highway and assist in cleaning highway spills. Operates "pilot-car", performs flagging duties and other traffic control procedures. Operates two-way radios and provides training on equipment.
5%	M	Prepares reports and other paperwork.

[1]ESSENTIAL FUNCTIONS are the core duties of the position that cannot be reassigned.
MARGINAL FUNCTIONS are the minor tasks of the position that can be assigned to others.

SUPERVISION OR GUIDANCE EXERCISED OVER OTHERS

On occasion, may give functional guidance to a crew consisting of Caltrans Equipment Operator I, Caltrans Highway Worker, Caltrans Landscape Maintenance Worker.

KNOWLEDGE, ABILITIES, AND ANALYTICAL REQUIREMENTS

Knowledge: Operation and care of automotive equipment including light trucks and minor construction equipment, repair and maintenance of equipment, basic safe work practices to protect their own safety and the health of others, provisions of the California Vehicle Code applying to the operation of vehicles, regulations and safety practices pertaining to highway emergencies, fire suppression techniques, emergency first aid, familiarization with various highway, structure, emergency service, or landscape maintenance and construction equipment including operation, servicing, minor adjustment and emergency repairs to such equipment, and the safety and health policies and procedures contained in the Department's Injury and Illness Prevention Program. Must possess a knowledge of statewide Maintenance functions and the mission, goals, organization, and procedures of the Department of Transportation.
a knowledge of statewide Maintenance functions and the mission, goals, organization, and procedures of the Department

of Transportation.

Abilities & Analytical: Must be able to use, operate, and care for various manual and power tools. Communicate and follow both oral and written directions at a level for successful job performance, do manual labor, assist in work related to the maintenance of highway, structure, and landscaped areas, and keep records. The incumbent must have the ability to modify and change work methods to solve various problems encountered in daily operations and emergency situations.

RESPONSIBILITY FOR DECISIONS AND CONSEQUENCES OF ERROR

Judgment is exercised in making decisions relative to the safe operation of vehicles and equipment. Poor decisions could result in the failure to properly service, maintain, and/or operate equipment and cause excessive repair costs, loss of equipment, and negatively impact work production. Negligence could also cause physical harm to the incumbent, crew members, and/or the traveling public.

PUBLIC AND INTERNAL CONTACTS

Will have occasional contact with the traveling public, contact with State Highway Patrol and other law enforcement agencies, and internal contact with crew members and supervisors.

PHYSICAL, MENTAL, AND EMOTIONAL REQUIREMENTS

Physical: The incumbent will be required to do heavy manual labor including moving/placing heavy objects by lifting, pulling, pushing, and carrying; as well as power grasping, squatting, stooping, kneeling, bending, twisting, reaching, climbing, walking on uneven/unstable ground, working in confined spaces, and standing or sitting for prolonged periods. May be required to sit in/on and drive or operate maintenance and landscape vehicles. The incumbent will be required to wear earplugs for loud noises; wear respirators and appropriate safety gear at all times. The incumbent will be required to clean up in the event of vehicle accidents, hazardous spills or clean general trash and debris. The incumbent must be able to hear and see, with or without corrective assistance at a satisfactory level to ensure the safety of the employee and others. This position is a drug sensitive class. The incumbent will be required to pass a pre-employment drug test and is subject to reasonable suspicion testing during appointment. Incumbent will be required to take random drug tests throughout appointment.

Mental & Emotional: Must have the ability to develop and maintain cooperative working relationships, respond appropriately to difficult situations, recognize emotionally charged issues or problems, and cope with and respond to emergency situations such as traffic/weather conditions and other natural disasters. Will be required to deal tactfully and courteously with public and crew under stressful and possibly adverse conditions. Must be able to focus on precise work beyond the distractions of traffic, be emotionally stable, alert and aware at all times. Reason logically, draw valid conclusions, make appropriate recommendations, and adopt an effective course of action. May need to determine amounts of materials and length of time to accomplish a job. This position is responsible for working cooperatively with team members and supervisors to identify innovations that will increase productivity, reduce cost, and maintain or improve quality. This position must adhere to the customer service standards set by the unit and provide high quality service to both internal and external customers.

WORK ENVIRONMENT

The incumbent will be based at a Maintenance Station in a climate-controlled environment under artificial lights, but most of the duties and time will be spent outdoors operating equipment and/or performing manual labor. Weather conditions vary from cold, windy, and wet winter climate to a very hot and dry summer climate. May be exposed to dirt, dust, fumes, hot materials, chemicals, loud noises, inclement weather, steep uneven and/or unstable terrain, fast moving traffic, and/or extreme temperatures. May be required to sit or stand for long periods of time. May be exposed/put in stressful situations. Will be required to wear long pants and appropriate footwear in good condition, and must wear provided Personal Protective Safety Equipment including but not limited to shirt and/or vest, hard hat, safety glasses, gloves, face shield, respirator, ear plugs, as well as other safety devices deemed necessary. The incumbent will be required to travel extensively throughout the assigned area and may be required to travel and work in other areas in the District.

I have read, understand and can perform the duties listed above. (If you believe you may require reasonable accommodation, please discuss this with your hiring supervisor. If you are unsure whether you require reasonable accommodation, inform the hiring supervisor who will discuss your concerns with the Reasonable Accommodation Coordinator.)
