

POSITION DUTY STATEMENT

PM-0924 (REV 9/2013)

CLASSIFICATION TITLE Environmental Planner/Archaeology	OFFICE/BRANCH/SECTION 10/Maintenance & Planning Services Branch	
WORKING TITLE Archaeologist	POSITION NUMBER 931-156-4617-xxx	EFFECTIVE DATE

As a valued member of the Caltrans team, you make it possible for the Department to improve the mobility across California by being innovative and flexible; reporting to work as scheduled; working cooperatively with team members and others; and treating others fairly, honestly and with respect. Your efforts are important to each member of the team as well as those we serve.

GENERAL STATEMENT:

Under the supervision of a Senior Environmental Planner, the incumbent will attend field meetings; assists in providing oversight and guidance on technical reports prepared by the local agencies/consultants to insure compliance with state and federal laws and regulations; and providing guidance to local agencies during consultation with the State Historic Preservation Officer (SHPO) to support District responsibilities for Local Assistance. The incumbent is expected to plan and carry out the studies related to cultural resources.

TYPICAL DUTIES:

Percentage		Job Description
Essential (E)/Marginal (M) ¹		
35%	E	Assists in conducting background archaeological research utilizing existing files, databases and record search information. Organize, schedule and conduct field investigations in mountainous terrain and inclement weather conditions. Assess impacts to cultural resources from proposed projects and prepare clear and concise written reports to document survey findings. Insure reports comply with state and federal laws and regulations and Caltrans policies. Assist in the review of encroachment permit applications to insure cultural resource compliance is met. Work closely with associate or senior level staff to insure project compliance is met.
35%	E	Assist in attending field reviews to provide guidance to Local Agencies on required cultural resource studies. Review archaeological reports and provide oversight to consultants working on Local Agency projects to insure compliance with state and federal laws and regulations. Provide guidance on cultural resource issues for various planning projects.
15%	E	Coordinate with other agencies, organizations and Native American communities to obtain the necessary approvals to ensure compliance with applicable laws and regulations. Work with cities, counties, local governments and environmental organizations to secure approvals in a timely manner.
5%	E	Provide information on potential cultural resource issues as they relate to District Planning projects. Provide comments and/or guidance on Intergovernmental Review projects.
5%	M	Update and maintain cultural resource files and associated databases used for tracking District and Local Assistance projects. Develop and present training on cultural resource issues to Local Agencies and District staff.
5%	M	Prepare environmental documents to comply with CEQA, NEPA and other state and federal laws and regulations.

¹ESSENTIAL FUNCTIONS are the core duties of the position that cannot be reassigned.

MARGINAL FUNCTIONS are the minor tasks of the position that can be assigned to others.

SUPERVISION OR GUIDANCE EXERCISED OVER OTHERS

None. May provide guidance to student assistance and/or volunteers working for the Department. The incumbent may serve as an assistant to the Excavation Crew Chief, a Principal Investigator for Extended Phase I studies, a Consultant and Monitor and/or a Construction Monitor.

KNOWLEDGE, ABILITIES AND ANALYTICAL REQUIREMENTS

The Environmental Planner (Archaeology) requires: (a) knowledge or the ability to learn all of the environmental laws,

POSITION DUTY STATEMENT

PM-0924 (REV 09/2013)

regulations, and processes relating to cultural resource issues and an understanding of the similarities and differences of CEQA, NEPA and other pertinent environmental laws and regulations as they relate to cultural resource issues; (b) the ability to compile and analyze cultural resource issues; plan and conduct field surveys; evaluate the potential for significant impacts to these resources and look for creative solutions to decrease impacts; (c) the ability to prepare clear and concise written reports to professional standards; (d) the ability to establish and maintain cooperative relationships with city, county, regional, state, and federal agencies, Native American communities and (e) assist management in negotiations for environmental approval.

The incumbent must have the ability to clearly and effectively communicate both orally and in writing. The incumbent must be able to analyze and interpret data from scientific reports and field surveys to formulate logical conclusions. Good reasoning and negotiations skills are invaluable in this position.

The incumbent must have the ability to drive a motor vehicle safely, or be able to coordinate transportation needs with those that do.

Ability to use a computer and associated software (Word, Excel, Filemaker Pro, Access, GPS & ArcGIS).

RESPONSIBILITY FOR DECISIONS AND CONSEQUENCES OF ERROR

The incumbent will make decisions in collaboration with senior or associate level personnel relative to the collection and analysis of data and report content, including making recommendations to others regarding scope of studies and level of detail required to comply with various state and federal environmental laws and regulations. Error made in carrying out this responsibility could create delays in projects, required additional work to be done resulting in project cost increases and create poor working relationships with others. The incumbent must act in a courteous and professional manner and represent the Department in a positive light.

PUBLIC AND INTERNAL CONTACTS

The Environmental Planner (Archaeologist) has numerous contacts with individuals within the Department and other governmental and local agencies. These contacts are a result of consulting with outside experts, responding to environmental complaints, providing guidance to city and county engineering and planning agencies regarding cultural resource compliance, and coordinating with other members of the multidisciplinary team towards completion of the environmental document. The incumbent shall represent the Department in a professional, courteous manner and maintain a professional working relationship with internal and external partners.

PHYSICAL, MENTAL, AND EMOTIONAL REQUIREMENTS

The incumbent is expected to dress appropriately for the task being completed, and be flexible in dealing with changing work environments. The latter would include working outside in inclement/fair weather, traversing mountainous/uneven terrain, working before or after normal office hours, and sitting in an office for extended periods of time using a keyboard and/or video display terminal.

The employee may be required to work under stressful situations and be able to respond appropriately to irate individuals both in the field and in the office setting. The incumbent is expected to use good judgment and tact, be professional, logical and use effective negotiating skills. The incumbent is expected to be prompt when reporting to work, and treat others with fairness, honesty and respect.

WORK ENVIRONMENT

Employee will be required to work in both the field and office setting. While in the office the employee will work in a climate controlled office under artificial light. While in the field, terrain will vary from flat to mountainous and weather conditions will vary daily.

I have read, understand and can perform the duties listed above. (If you believe you may require reasonable accommodation, please discuss this with your hiring supervisor. If you are unsure whether you require reasonable accommodation, inform the hiring supervisor who will discuss your concerns with the Reasonable Accommodation Coordinator.)
