

**POSITION DUTY STATEMENT**

PM-0924 (REV 7/2014)

CLASSIFICATION TITLE Environmental Planner	OFFICE/BRANCH/SECTION 07-Division of Environmental Planning	
WORKING TITLE Environmental Planner (Generalist)	POSITION NUMBER 907-170-4640-XXX	EFFECTIVE DATE

As a valued member of the Caltrans team, you make it possible for the Department to provide a safe, sustainable, integrated, and efficient transportation system to enhance California's economy and livability. Caltrans is a performance-driven, transparent, and accountable organization that values its people, resources and partners, and meets new challenges through leadership, innovation and teamwork.

**GENERAL STATEMENT:**

Under the direct supervision of a Senior Environmental Planner, the incumbent working in a training capacity shall carry out the details of less complex studies which include reviewing and processing Categorical Exemptions, identifying environmental impacts and formulating mitigation measures for projects in a designated geographical area. As an interdisciplinary team member the incumbent shall participate in project development team meetings and make recommendations for the appropriate course of action in compliance with all State and Federal laws. A valid California drivers license is required.

**TYPICAL DUTIES:**

Percentage Essential (E)/Marginal (M) <sup>1</sup>	Job Description
70% E	Performs studies and prepares Categorical Exemptions for project proposals. Project proposals include the development of information on the effects proposed projects would have on the natural and man-made environment. Conducting these studies shall include field inspections of proposed sites, discussions with concerned citizens, and close work with various federal, state and local public agencies as well as other divisions within Caltrans. After collection, development and compilation of data, the following is completed: A Categorical Exemption which states the project is exempt by law from the requirements of the California Environmental Quality Act.
20% E	Reviews and prepares comments on miscellaneous Caltrans and local agency activities and documents as related to general environmental effects. In the review of the various types of project proposals, care must be exercised to determine possible effects on existing state and local transportation facilities and on proposed transportation projects and programs. Prepare task orders as needed for environmental services to be performed by a consultant and provide oversight to the consultant's efforts.
10% M	Reviews design work (e.g. engineering plans) to ensure consistency with the environmental compliance documentation. Design work to be reviewed includes Draft and Final Project Reports, Plans, Specifications, and Estimate packages. Responsible for updating division project logs with project status. Must maintain project file for the life of the project and provided monthly status update reports to the Senior Environmental Planner. Be aware of new regulations as they relate to the environmental process and attend job mandated training classes as necessary.

<sup>1</sup>ESSENTIAL FUNCTIONS are the core duties of the position that cannot be reassigned.

MARGINAL FUNCTIONS are the minor tasks of the position that can be assigned to others.

**SUPERVISION OR GUIDANCE EXERCISED OVER OTHERS**

This position does not supervise other employees.

**KNOWLEDGE, ABILITIES, AND ANALYTICAL REQUIREMENTS**

- The knowledge of basic principles of computer use including Windows, Excel, Power Point and Outlook.
- Utilize knowledge of research methods and analytical techniques used to identify potential environmental impacts for major transportation projects in preparation of the environmental document.
- The knowledge of environmental legislation, such as the California Environmental Quality Act and the National

**ADA Notice**

For individuals with sensory disabilities, this document is available in alternate formats. For information, call (916) 445-1233, TTY 711, or write to Records and Forms Management, 1120 N Street, MS-89, Sacramento, CA 95814.

## POSITION DUTY STATEMENT

PM-0924 (REV 7/2014)

---

### Environmental Policy Act.

- Working knowledge of principles of geography, historic preservation, air quality, biology and planning for conservation and preservation of natural resources, development of avoidance alternatives, mitigation techniques and strategies.
  - Have a solid working understanding of the relationship between transportation projects and environmental quality.
  - Write and communicate verbally and be able to convey data effectively to a variety of technical and non-technical people.
  - The ability to compile, analyze and evaluate environmental and land-use data to ascertain potential project and system impacts and identify and propose alternative courses of action.
  - The ability to prepare reports and recommendations; plan and carry out complex studies; prioritize their work; and respond to public comments.
  - Participate in public presentations; maintain cooperative relationships with city, county and other government agencies.
  - The ability to solicit outside expertise on specific environmental studies or phases of studies.
- 

### RESPONSIBILITY FOR DECISIONS AND CONSEQUENCES OF ERROR

The Environmental Analysis Team's recommendations are subject to review and concurrence of higher management. If plans and project proposals are developed without input from Environmental Planning and their significance is not analyzed, the results could do irreparable harm to existing resources. This would result in violations of state and federal laws such as California Environmental Quality Act, National Environmental Policy Act, Coastal Act of 1976, Federal Highway Act of 1968, and other environmental laws and could result in tort liability and discredit to the department.

---

### PUBLIC AND INTERNAL CONTACTS

In effectively carrying out the specific job assignments, the Environmental Planner must be able to interact with a wide range of people. The incumbent will participate in public meetings/hearings, assist with environmental document preparation and processing, coordinate with state, federal, and local agency contacts, and work closely with project engineers, other departmental units, private consultants and local agencies.

---

### PHYSICAL, MENTAL, AND EMOTIONAL REQUIREMENTS

- At their base of operation, employees could experience building temperature fluctuation due to periodic problems with the heating and air conditioning. Working hours will be set sometime between 6:30 a.m. and 6:00 p.m.
  - Overtime may be required, and vacations may be restricted, during peak times and fiscal year-end closing. Employees may be required to travel in state, but the travel it is not very frequent.
  - Employees may be required to sit for long periods of time using a keyboard and video display terminal. Must be able to organize and prioritize large volumes of varied documents. Employees may also be required to move large or cumbersome reports from one location to another.
  - Most of the jobs in the Division require interaction with many people. It is important that employees work with others in a cooperative manner. The ability to handle irate public in a calm manner and to resolve emotionally charged issues reasonably and diplomatically is required. The employee must demonstrate a sense of responsibility and commitment to public service.
  - The employee must deal effectively with pressure and maintain focus, and intensity yet remain optimistic and persistent, even under adversity.
  - The employee must be able to develop and maintain cooperative working relationships, considering and responding appropriately to the needs, feelings, and capabilities of different people in different situations, and treating others with respect. The employee must value cultural diversity and other individual differences in the workforce.
  - The employee must have the ability to multi-task, adopt changes in priorities, and complete tasks or projects with short notice. Employees must be able to concentrate in order to review and create documents and meet strict deadlines.
- 

### WORK ENVIRONMENT

While at their base of operation, employees will work, in a climate-controlled office under artificial light. Employees will be required to travel and work outdoors and may be exposed to dirt, noise, brush and/or extreme heat or cold temperatures.

---

I have read, understand and can perform the duties listed above. (If you believe you may require reasonable accommodation, please discuss this with your hiring supervisor. If you are unsure whether you require reasonable accommodation, inform the hiring supervisor who will discuss your concerns with the Reasonable Accommodation Coordinator.)
