|--|--|----------------|
| CLASSIFICATION TITLE | OFFICE BRANCH/SECTION | |
| Caltrans Heavy Equipment Mechanic Leadworker | Division of Equipment/Engineering & Prod/HQ Shop/ 3224 | |
| WORKING TITLE | POSITION NUMBER | EFFECTIVE DATE |
| Heavy Equipment Mechanic Leadworker | 932-032-3713- | |

As a valued member of the Caltrans team, you make it possible for the Department to provide a safe, sustainable, integrated, and efficient transportation system to enhance California's economy and livability. Caltrans is a performance-driven, transparent, and accountable organization that values its people, resources and partners, and meets new challenges through leadership, innovation and teamwork.

GENERAL STATEMENT:

In a shop environment, under the direction of a Caltrans (CT) Highway Mechanic Supervisor, acting in a lead capacity to a group of CT Heavy Equipment Mechanics, Automobile Mechanics, Helpers and Apprentices, makes accident damage estimates and job orders on incoming jobs, assigns jobs, checks work, gives instructions, aids with difficult mechanical problems, and performs hands-on work in the construction, inspection, diagnosis, repairing and servicing of automobiles, trucks, tractors, personnel hoists, spray equipment, loaders, graders, snowplows, pumps, air compressors, diesel and gasoline engines and similar equipment used in the Caltrans fleet. Completes various repair records and reports, uses computer equipment to input and retrieve data and does other related work. Incumbent will assume responsibility for reasonable safeguards, proper use and handling of materials, equipment and facilities. Must possess a valid class C driver's license.

TYPICAL DUTIES:

| Percentage | | Job Description |
|------------|---|--|
| 30% | E | Takes in and schedules repair work. E estimates completion dates, makes accident and repair/manufacturing estimates and shop job orders. Assigns and checks work, arranges for and inspects commercial repairs. Helps with difficult mechanical problems. Promotes safety standards and security of shop tools and repair and fabrication parts. Checks mechanics paper work and time entry for accuracy. Makes recommendations to supervisor regarding employee training and performance. |
| 30% | E | Does computer input and retrieval of job orders, time, shop job order detail reports, preventive maintenance scheduling, etc. Completes various repair records, calibration and maintenance records. Utilizes spread sheets for wiring harness projects. Provides operator and mechanic training when necessary. |
| 20% | E | Assembles, modifies, and fabricates wiring harnesses, equipment and components. Does various types of welding, prepares equipment for painting, and paints equipment |
| 10% | E | Diagnoses problems, makes repairs, and performs major overhauls on gas and diesel engines, transmissions, final drives, brake, electrical, and hydraulic systems, suspension and steering components, complex wiring manufacturing equipment, etc. |
| 05% | M | Performs scheduled preventive maintenance inspections and lubrication services on all types of automotive and heavy equipment and tools; i.e., loaders, graders, vehicle lifts, overhead cranes, wiring manufacturing equipment. |
| 05% | M | Pressure washes equipment, prepares equipment for sale, performs minor building repairs, does shop housekeeping, and properly disposes |

¹ESSENTIAL FUNCTIONS are the core duties of the position that cannot be reassigned.
MARGINAL FUNCTIONS are the minor tasks of the position that can be assigned to others.

SUPERVISION OR GUIDANCE EXERCISED OVER OTHERS

Acts as Leadworker to a crew of journey level mechanics, helpers, apprentices, laborers, service assistants or other employees.

ADA Notice

For individuals with sensory disabilities, this document is available in alternate formats. For information, call (916) 445-1233, TTY 711, or write to Records and Forms Management, 1120 N Street, MS-69, Sacramento, CA 95814.

POSITION DUTY STATEMENT

PM-0924 (REV 7/2014)

KNOWLEDGE, ABILITIES, AND ANALYTICAL REQUIREMENTS

Knowledge of: Methods, materials, tools and equipment used in construction, assembly, overhaul, repair, diagnosing and adjustment of gasoline and diesel powered automobiles, trucks, heavy construction and maintenance equipment, electrical systems and components; operating characteristics of the equipment listed above; laws and regulations pertaining to the construction, operation, and repair of highway construction and maintenance equipment, such as smog programs, crane and personnel hoist inspections, Biennial Inspection of Terminals (BIT) and handling and disposal of hazardous materials; occupational safety and health policies and procedures as defined in the Caltrans Injury and Illness Prevention Program and Code of Safe Practices; Equal Employment Opportunity principles; industry preventive maintenance concepts; the Caltrans Preventive Maintenance (PM) Program; wiring diagrams and schematics; and computer systems and electronic data collection systems and programs adequate to be successful in learning the Fleet Management System (FMS).

Skill in: Diagnosing malfunctioning equipment and determining corrective action to be taken; performing adjustments, repair, overhaul and fabrication of Caltrans equipment, including wiring equipment; and tactfully interacting with people. Strong background in electrical and computer data programs.

Ability to: Inspect, diagnose, repair, assemble and fabricate automotive and heavy equipment and components; advise in the selection of parts; estimate labor and repair/manufacturing costs; determine estimated completion dates; work safely in an equipment repair/assembly environment (inside or outside in a variety of weather conditions); demonstrate leadership in shop and personnel safety; perform welding; work from sketches and drawings; work in the field without direct supervision; verbally communicate, read and write in the English language as required for successful job performance; operate various types of Caltrans equipment for test purposes; drive moderate distances; plan and coordinate the work of other staff; act in a lead person capacity; analyze situations accurately and take effective action; handle multiple priorities and exercise patience when dealing with people; support and promote Caltrans' Equal Employment Opportunity concepts; learn the operation of the computer system used for the electrical data base and FMS, operating in the main frame and personal computer environment.

RESPONSIBILITY FOR DECISIONS AND CONSEQUENCES OF ERROR

Inaccurate estimation of repairs or poor judgment in assigning priorities, making repairs, assembly of equipment and checking completed work could result in damaged or unsafe equipment, costly re-work and excessive downtime. Unsafe equipment could lead to injury to state employees or the general public, excessive equipment down time could cause the operating departments to be unable to meet their workload requirements.

Incumbent is responsible for his/her actions, decisions, quality of completed work, and proper use of state time, equipment and materials. Improper performance of duties and/or failure to adhere to established policies, procedures and guidelines could lead to adverse action and possible termination.

This position has been designated as safety sensitive in accordance with Department of Personnel Administration Rules 599.960 and 599.961. Use of alcohol and/or drugs that impede the employee's ability to perform his or her duties safely and effectively could clearly endanger the health and safety of others, resulting in injury and or death.

PUBLIC AND INTERNAL CONTACTS

Low incidence of public contact, high incidence of internal contacts, contacts with maintenance and other operations personnel and commercial repair establishments.

PHYSICAL, MENTAL, AND EMOTIONAL REQUIREMENTS

Stand and walk on concrete flooring all day; frequently stoop, bend, kneel, crouch, push, pull, reach, twist, lift, carry, and climb; lift 20 lbs. repetitively, 20 - 50 lbs. frequently to occasionally, over 50 lbs. very rarely, and up to 40 lbs. overhead occasionally; use appropriate lifting devices; and request lifting assistance when necessary.

Ability to climb stairs carrying objects weighing up to 50 pounds occasionally.

POSITION DUTY STATEMENT

PM-0924 (REV 7/2014)

Possession of a class "C" driver's license and ability to travel to distant locations in inclement weather.

Ability to operate forklifts and hand operated material-handling devices.

Will be required to wear safety equipment including eye protection (safety glasses), ear protection, safety vest, and hard hat or bump cap etc. Must be able to wear protective clothing as required and furnished by the Division of Equipment.

WORK ENVIRONMENT

Incumbent will work in a shop environment with the possibility of short time in the field. Incumbent may / will be exposed to dirt, noise, uneven surfaces, hazardous materials and temperature changes. Incumbent may work with others or by himself/herself.

I have read, understand and can perform the duties listed above. (If you believe you may require reasonable accommodation, please discuss this with your hiring supervisor. If you are unsure whether you require reasonable accommodation, inform the hiring supervisor who will discuss your concerns with the Reasonable Accommodation Coordinator.)
