**KNOWLEDGE, ABILITIES AND ANALYTICAL REQUIREMENTS:**

Knowledge of: The planning process and general practices of transportation planning; research methods and techniques including conducting or participating in planning studies, and contemporary transportation, environmental, land use, social, economic, fiscal, legal, and political issues; effective public participation techniques. Ability to: Gather, compile, analyze, and interpret data; reason basically and creatively; develop formats to present and display data; use a variety of analytical techniques to propose solutions to or provide information regarding transportation problems; develop and evaluate alternatives; present ideas effectively orally and in writing; work effectively with others as an interdisciplinary team member; establish and maintain effective and cooperative working relationships with those contacted during the course of the work. Knowledge of the Department's mission, organization, policies, and procedures; Federal and State laws and regulations; concepts and terminology relating to transportation planning; sources of funding transportation programs.

Ability to: Perform all of the above and conduct studies related to State transportation planning; analyze problems and develop appropriate solutions; recommend effective courses of action; evaluate general planning proposals.

Analytical: Awareness and sensitivity to social, economic, and environmental conditions which affect transportation planning; ability to inspire the confidence of others; ability to further the recognition of the Department as a multimodal transportation organization.

**CONSEQUENCE OF ERROR/RESPONSIBILITY FOR DECISIONS:**

Transportation Planners do not transmit formal comments from the District without the approval of their supervisor. Transportation Planners represent Caltrans when communicating with our local transportation partners. Such representation often must occur without the opportunity to consult with your supervisor.

Failure to properly complete assigned tasks could result in project delays that might create delays through the project development process and potentially cause increased costs or the loss of the project.

**PUBLIC AND INTERNAL CONTACTS:**

Transportation Planners independently confer with the staff of local agencies (e.g.; cities and counties), consultants, and other Caltrans staff.

**POSITION DUTY STATEMENT**
