

POSITION DUTY STATEMENT

PM-0924 (REV 7/2014)

CLASSIFICATION TITLE Transportation Planner (Limited Term)	OFFICE/BRANCH/SECTION District 9 Transportation Planning Branch	
WORKING TITLE Transportation Planner	POSITION NUMBER 909-101-4768-XXX	EFFECTIVE DATE

As a valued member of the Caltrans team, you make it possible for the Department to provide a safe, sustainable, integrated, and efficient transportation system to enhance California's economy and livability. Caltrans is a performance-driven, transparent, and accountable organization that values its people, resources and partners, and meets new challenges through leadership, innovation and teamwork.

GENERAL STATEMENT:

In the District 9 Transportation Planning Branch, the Transportation Planner (TP) works under the direction of a Senior Transportation Planner (STP) and possible guidance of a lead-worker. The incumbent works on transportation planning tasks, products, projects and programs, and supports Geographic Information Systems (GIS). This work is subject to a variety of federal and state regulations, in cooperation/partnership with federal, state, local agencies and the general public.

This is a limited term position that may be extended or become permanent.

TYPICAL DUTIES:

Percentage	Essential (E)/Marginal (M) ¹	Job Description
35%	E	<p>System & Freight Planning</p> <p>Prepare and assist with System Planning products, including but not limited to Transportation Concept Reports, District System Management Plan and Project List, and specialized assignments. Assist in facilitating outreach with, and collecting comments from stakeholders as appropriate throughout document preparation. Utilize Arc GIS tools for creation of Planning products.</p> <p>Work with and assist Caltrans functional units and local partners to research multi-modal deficiencies and identify conceptual alternatives, conduct investigations, analyze socio-economic and land use impacts, analyze modal conditions, recommend multi-modal and complete streets improvements, and prepare reports/presentations reflecting current and future conditions of the State Highway System (SHS). Assist STP/lead-worker, who is liaison with HQ, for Active Transportation, Multi-modal, and Complete Streets programs. Maintain and assist with System data bases, as necessary.</p> <p>Interact with and assist district staff, stakeholders, freight advisory groups, and local/regional agencies for freight mobility on the SHS and document issues/recommendations in regional planning documents and elsewhere. Provide assistance to coordinate and review statewide freight planning documents/information, including input from district staff and others as noted above. Prepare and assist with submitting quarterly freight report to HQ documenting district workload products/activities. Update District Freight Fact Sheets.</p>
35%	E	<p>Regional Planning</p> <p>Assist in coordination with the Local Transportation (LTC), district, and HQ staff for Overall Work Plan (OWP) review, comment, and subsequent approval. Assist with the preparation and submission of Quarterly OWP progress reports to HQ. Assist in processing requests for reimbursement with district and HQ staff. Create and maintain records of billings and/or carryover. Assist with the review and administering of OWP amendments.</p>
20%	M	<p>Assist in preparation of summary for management of Caltrans-related LTC Agenda packet items. Assist in research/follow-up of questions, actions, or items requested of Caltrans. Review subsequent meeting minutes for accuracy, notifying STP/lead-worker and others accordingly.</p> <p>Assist the district GIS Coordinator in maintaining the District's GIS data base. Assist with and prepare presentations using graphs, charts, illustrations, and simulations. Assist in developing and coordinating the District's multimodal planning effort.</p>

POSITION DUTY STATEMENT

PM-0924 (REV 7/2014)

10% M Other duties as assigned within the specification of the classification.

ESSENTIAL FUNCTIONS are the core duties of the position that cannot be reassigned.
MARGINAL FUNCTIONS are the minor tasks of the position that can be assigned to others.

SUPERVISION OR GUIDANCE EXERCISED OVER OTHERS

None.

KNOWLEDGE, ABILITIES, AND ANALYTICAL REQUIREMENTS

The incumbent must have general knowledge about transportation planning and able to gather, compile, analyze, and interpret data to assist with formulating recommendations for effective courses of action. He/she must be able to write clearly, concisely and professionally for the intended purpose. He/she must be able to produce deliverables and meet agreed upon project milestones. He/she must be able to use personal computer software for writing, graphics, presentations and spreadsheet analysis. He/she must have well-developed communication skills, and be able to work independently and with groups, as well as closely follow verbal and written instructions. This position may require knowledge of and the ability to use special computer programs, such as ArcGIS and Highway Capacity Manual Software.

RESPONSIBILITY FOR DECISIONS AND CONSEQUENCES OF ERROR

The incumbent is expected to follow standardized practices and procedures and is responsible for the accurate, professional, and timely application of the work plan. An error or invalid decision could result in unnecessary delays to the transportation planning process; failure to meet required deadlines, loss of funding opportunities, and damage to Caltrans' credibility.

PUBLIC AND INTERNAL CONTACTS

This position requires regular contact with public, private, and government stakeholders, as well as frequent contact with Caltrans personnel within the District, in other districts, and HQ.

PHYSICAL, MENTAL, AND EMOTIONAL REQUIREMENTS

The incumbent may be required to work under stressful situations, both inside and outside the office setting and may require appropriate response to irate individuals. He/she must accept personal responsibility for successfully meeting delivery milestones and exercise sound, professional judgment and tact. He/she must report to work on time, treat others with respect, honesty, and fairness. He/she is also expected to be flexible since assignments and duties can change over time. He/she must have and exercise knowledge of Caltrans' Safety Manual and safe practices. He/she must be physically able to complete a variety of fieldwork and/or surveys in various outdoor environments and weather.

WORK ENVIRONMENT

The incumbent will primarily work in a professional office setting that is climate controlled with both natural and artificial light. Some fieldwork may be required that will involve various terrain. He/she will attend off-site meetings, hearings, and training, which may include some overnight travel. Overtime may be required.

I have read, understand and can perform the duties listed above. (If you believe you may require reasonable accommodation, please discuss this with your hiring supervisor. If you are unsure whether you require reasonable accommodation, inform the hiring supervisor who will discuss your concerns with the Reasonable Accommodation Coordinator.)
