Shift: 5/40 **Days Off:** Saturday/Sunday **Shift Start:** 0700 AM **Shift End:** 1530 PM

Pre-Requisite Skills: Class A Commercial Driver's License with Tank endorsement [N]

Job Description: Under direction by a Caltrans Maintenance Supervisor or leadworker, incumbent operates and services heavy equipment associated with the installation or replacement of pavement delineation on State highways throughout District 11, and works with the rest of the crew in performance of related activities. During storms, when delineation cannot be maintained, patrols for mudslides, plows snow, or performs other activities related to pavement delineation. The incumbent will work individually or with a crew, and may occasionally oversee other crewmembers. Incumbent will be required to work overtime including nights and weekends, may be required to work temporary and/or intermittent varied work shifts, and is expected to respond to emergency calls. The position requires out-of-town travel, approximately 8 weeks per year, usually in week-long increments. Responsible for operating/driving various Class I & II equipment in moving lane closures in a moving striping operation. In some cases do various levels of maintenance and repairs to paint striper. Works with a crew involved in placing highway markings and striping. Typical tasks include operating a variety Category 1 and Category 2 specialized trucks and equipment including but not limited to paint striper, paint tender, stencil truck, cone truck, forklift and 3/4 ton trucks. Maintains, calibrates, makes adjustments and cleans specialized paint equipment. Operates manual/power tools, performs manual labor tasks associated with most all traffic delineation and traffic guidance maintenance on the Caltrans State Highways Infrastructure. When not operating the specified equipment will perform duties normally assigned to a CT highway Maintenance worker. May be assigned to run a CMS truck during various delineation operations. Will perform manual labor and use power and hand tools while working in the assigned duties as well as other related tasks such as traffic control. Traffic control duties may include setting and picking up various types of closures, using traffic cones and advance warning signs, hand flagging traffic, and operating pilot vehicle and cone truck. Works with a crew involved in placing highway markings and striping. Typical tasks include using paint gun, laying down and picking up stencils, loading glass beads, cleaning and masking stencils, cleaning up equipment. Load paint and beads on striper and paint tenders. Able to transport a variety of objects less than or equal to 60 lbs. The incumbent keeps records such as pre and post operation reports on equipment operated; repair requests; night reviews; crew/time and material reporting forms; and material and fuel usage forms. Will also be required to clean equipment and work area at the conclusion of shift. Will assist in training new employees coming onto crew.
