Upshot

I = Information, D= Decisions, A= Actions	
I	1. Research will be reprioritizing the list thorough another round of rankings, there are some ongoing projects that will be moved to the top tier.
A	2. A new Calendar in lotus notes called “PMC” has been created. Please use it by cc-ing PMC to all scheduled meetings.
I	3. Status updates are in orange in the Pavement Program Rock Products Committee Status Calendar. Need updates on time so reprographics can capture them for the next meeting.
I	4. Sub-task groups – need participant’s names to add to sub task groups.
I	5. Make sure to initial any comments added to the Workplan.
