40	Chuck	Get IC Scoping document signed by April 17 th RPC meeting. (see discussion notes # 9)	4/17
41	Jack	Check with Jim and report back on progress for PGAR scoping document. (see discussion	4/9/2013

		notes # 10)	4/30/2013
--	--	------------------------	----------------------

From 4/09/2013 meeting

42	Joe	There will be a CT review and will get comments back to industry on asphalt binder content by the end of this week	4/12/2013
---------------	----------------	---	----------------------

From 4/30/2013 meeting

43	Jack	Send copies of letters to Jim St. Martin re: RPA RHMA Scoping document letter and PGAR scoping document comments.	4/30/13 done
44	Peter	Get RPC co-chairs response to the RHMA/MPQP letter to industry 5/3/2013 (see discussion notes # 1)	5/03/2013
45	Peter	Peter to draft language for smoothness message/notification re: equipment certification and send to Jim and Jack for comments. (see discussion notes # 3) (comments back to Peter by the 9 th .)	5/07/2013
46	Jack	Industry will check to see if there is a need and interest for further training in Northern California on smoothness software. Get back to Peter. (see discussion notes # 3)	5/14/2014
47	peter	check to see what availability and cost for training would be for smoothness software training. (see discussion notes # # 3)	5/14/2013
48	Peter	Copy of the scoping document to be forwarded to Jack and Jim (see discussion notes # 8)	5/3/2013
49	Chuck	Intelligent compaction the progress at next meeting. (organize the sub task group??) (see discussion notes # 9)	5/14/2013
50	Jim and Jack	Intelligent compaction Industry needs to get selected co-chairs and notify Chuck and Peter. (see discussion notes # 9)	5/14/2013
51	Peter	Revised PGAR scoping document with responses to industry comments will be sent to industry by next meeting. (see discussion notes # 10)	5/14/2013
52	Chuck	asphalt rubber binder quality control – Report progress at next meeting. (organize the sub task group??) (see discussion notes # 11)	5/14/2013

53	Jim and Jack	Intelligent compaction Industry needs to get selected co-chairs and notify Chuck and Peter. (see discussion notes # 11)	5/14/2013
54	Jim	Work with Jack to send note to Chuck for 25% RAP for CPD (added at end of meeting in open discussion)	5/3/2013

Critique from this meeting:

What went well	What Needs Improvement
Stayed on task. Quiet key board	Chuck not here. Needs to be here for the whole meeting. Peter's computer link.

Critique from last meeting:

What went well	What Needs Improvement
Ended on time.	Everyone needs to be here for the whole meeting. Notify us if you know you will not be at the meeting.

#	Time	Topic and Presenter	Purpose and Process
1	0900	Opening and Introductions, Purpose of meeting	
2	0904	Agenda Review / Halverson/all	
3	0910	Status the upshot list	OK as written? Corrections needed? Assignments done?
4	0915	Dispute resolution report on the RHMA Scoping document	Current status, next steps

1. Dispute resolution report
 1. 1. Industry sent a letter to CT co-chairs.
 1. 2. Now industry is awaiting comments back from CT.
 1. 3. Caltrans intends to get a response back to CT this week.

5	0930	Review progress of Superpave Subtask Group	Current status, progress since last report, next steps
---	------	--	--

2. Review progress of Superpave Subtask Group
 2. 1. Next meeting is 15th at Southern Region Lab.

- 2. 2. Will start paving Monday, May 6. 500 tons bought.
- 2. 3. Other projects in various stages of submittal and review.
- 2. 4. Outcome
 - 2. 4. 1. No follow up needed – update at every meeting.

6		Review progress of Smoothness Subtask Group	Current status, progress since last report, next steps
---	--	---	--

- 3. Review progress of Smoothness Subtask Group
 - 3. 1. SSP has been posted.
 - 3. 2. CT now in the process of running reference device owned by UCPRC as well as high speed devices.
 - 3. 3. as well as high speed devices.
 - 3. 4. Reference profiler will set reference, and then the devices will be cross-correlated. Next step would be certification.

 - 3. 9. 3. Peter will check to see what availability and cost for training would be for smoothness software training. (see upshot # 47)

7		Review progress of RAP/RAS Subtask Group	Current status, progress since last report, next steps
---	--	--	--

- 4. Review progress of RAP/RAS Subtask Group
 - 4. 1. Next meeting is next Thursday.
 - 4. 2. Group is on hold because industry is not in agreement with the approach CT is taking.
 - 4. 3. CT and industry will have to agree on the direction they will go.
 - 4. 4. CT has done nothing with the spec, and is waiting more discussion with industry.

8		Review progress of Section 39 / VMA scoping document	Current status, progress since last report, next steps
---	--	--	--

- 5. Review progress of Section 39 / VMA scoping document
 - 5. 1. Tony sent the scoping document to CT.
 - 5. 2. Industry is waiting for response from industry.
 - 5. 3. This is pending completion of upshot # 19.

9		Review progress of Section 39 / WMA scoping document (Expedite)	Current status, progress since last report, next steps
---	--	---	--

6. Review progress of Section 39 / WMA scoping document (Expedite)

6. 1. Pending completion of Upshot 35 and 37.

10		Review progress of Modified Binder scoping document (Possibly expedite)	Current status, progress since last report, next steps
----	--	---	--

7. Review progress of Modified Binder scoping document (Possibly expedite)

7. 1. Scoping document has been recirculated to Industry.
7. 2. Caltrans awaiting return of comments back from industry – right now on track and on time.

11		Review progress of asphalt binder content scoping document (Possibly expedite)	Current status, progress since last report, next steps
----	--	--	--

8. Review progress of asphalt binder content scoping document (Possibly expedite)

8. 1. Tony working on this item. Copies were not sent to Jack and Jim.
8. 2. Outcome:
 8. 2. 1. Copy of the scoping document to be forwarded to Jack and Jim. (see upshot # 48)

12		Review progress of Intelligent Compaction scoping document	Current status, progress since last report, next steps
----	--	--	--

9. Review progress of Intelligent Compaction scoping document

9. 1. Sub task group needs to be set up for this.
9. 2. Scoping document has been signed.
9. 3. Outcome
 9. 3. 1. Chuck will get back to the group on the progress at next meeting. (see upshot # 49)
 9. 3. 2. Industry needs to get selected co-chairs and notify Chuck and Peter. (see upshot # 50)

13		Review progress of PGAR scoping document	Current status, progress since last report, next steps
----	--	--	--

10. Review progress of PGAR scoping document

10. 1. Industry is awaiting comments back.
10. 2. Outcome
 10. 2. 1. Revised scoping document with responses to industry comments will be sent to industry by next meeting. (see upshot # 51)

14		New items: (carried from April 9th) <ol style="list-style-type: none">1. Scoping document for asphalt rubber binder quality control2. Construction Procedure Directive for changing from dry weight of aggregate to total weight of mix.	
----	--	---	--

- 11. Scoping document for asphalt rubber binder quality control
 - 11. 1. Industry has sent initial comments to Caltrans.
 - 11. 2. Next step will be for CT to respond back to industry by the next meeting.
 - 11. 3. Outcome:
 - 11. 3. 1. Chuck will organize the sub task group, after hearing from industry on co chairs. (see upshot # 52)
 - 11. 3. 2. Industry will get back to Chuck with selection for co-chairs. (see upshot # 53)

- 12. Construction Procedure Directive for changing from dry weight of aggregate to total weight of mix
 - 12. 1. Comments are due May 2.
 - 12. 2. No one in industry has made any response yet.
 - 12. 3. Next step is for industry to send the letter by May 2 to Caltrans with any comments.

15	0950	Review upshot and bin list Halverson/all	
16		Next meeting date, location and expected outcome Halverson/all	
17	1000	Adjourn
