

manual change transmittal

TITLE	PROJECT DEVELOPMENT PROCEDURES MANUAL	APPROVED BY  TIMOTHY L. CRAGES, Acting Chief	Date Issued: October 9, 2012
SUBJECT AREA	Fact Sheets for Exceptions to Mandatory Design Standards	ISSUING UNIT DIVISION OF DESIGN	Page 1 of 1
SUPERCEDES	September 25, 2000 Design Memorandum Fact Sheets for Exceptions to Mandatory Design Standards	DISTRIBUTION ON-LINE	

The official version of the Project Development Procedures Manual (PDPM) is the electronic version found on Caltrans Division of Design Website:
<http://www.dot.ca.gov/hq/oppd/pdpm/pdpmn.htm>.

The locations of revisions are not marked with a vertical line within the manual because the existing Fact Sheet guidance consists of a September 25, 2000, memorandum and attachment.

This manual change consists of a new APPENDIX BB – Fact Sheets for Exceptions to Mandatory Design Standards, along with a new fact sheet template. The guidance revisions include minor changes to terminology, updates to references, and removal of the use of metric units.

PDPM subscribers are encouraged to use the most recent manual version available on-line at the above website. Should a subscriber choose to maintain a paper copy of the manual, the subscriber is responsible for keeping their paper copy up to date and current.
