

manual change transmittal

TITLE PROJECT DEVELOPMENT PROCEDURES MANUAL	APPROVED BY  TIMOTHY CRAGGS, Chief	Date Issued: December 22, 2014
		Page 1 of 1
SUBJECT AREA Freeway Agreements	ISSUING UNIT DIVISION OF DESIGN	
SUPERCEDES APPENDIX CC – Preparation Guidelines for Freeway Agreement	DISTRIBUTION ON-LINE	

The official version of the Project Development Procedures Manual (PDPM) is the electronic version found on Caltrans Division of Design Website:
<http://www.dot.ca.gov/hq/oppd/pdpm/pdpmn.htm>.

Changes were needed to provide guidelines for the preparation of freeway agreement exhibits and directions on how to determine the limits of freeway agreements. The templates were updated to reflect the 2014 Design Stewardship Agreement where Headquarters Division of Design delegated approval of freeway agreements to the District Directors.

The guidance revisions also include miscellaneous minor changes to remove inconsistency, update requirements, update references and correct formatting. The locations of revisions are not marked with a vertical line within the manual because the entire appendix was updated.

PDPM subscribers are encouraged to use the most recent manual version available on-line at the above website. Should a subscriber choose to maintain a paper copy of the manual, the subscriber is responsible for keeping their paper copy up to date and current. If you received this manual change transmittal by some method other than the subscription service for project development procedure updates and would like to become a subscriber, please visit:
