

manual change transmittal

TITLE	PROJECT DEVELOPMENT PROCEDURES MANUAL	APPROVED BY  TIMOTHY CRAGGS, Chief	Date Issued: 12/22/2014
SUBJECT AREA	Report Templates	ISSUING UNIT DIVISION OF DESIGN	Page 1 of 1
SUPERCEDES	Previous Templates	DISTRIBUTION ON-LINE	

The official version of the Project Development Procedures Manual (PDPM) is the electronic version found on Caltrans Division of Design Website:

<http://www.dot.ca.gov/hq/oppd/pdpm/pdpmn.htm>.

Changes were needed to update the milestones in the schedule table and clarify the instructions for the funding table. The revisions also include miscellaneous minor changes to remove inconsistency and correct formatting. All of the templates have been replaced. These are technical changes to the content that do not change the overall roles and responsibilities for completing the report. There are many instances where the template topics may not match the appendix; the templates reflect the current practice and take precedence over the appendix.

PDPM subscribers are encouraged to use the most recent manual version available on-line at the above website. Should a subscriber choose to maintain a paper copy of the manual, the subscriber is responsible for keeping their paper copy up to date and current. If you received this manual change transmittal by some method other than the subscription service for project development procedure updates and would like to become a subscriber, please visit:
