SUPERCEDES CHAPTER 9 – Project Initiation	DISTRIBUTION ON-LINE	

The official version of the Project Development Procedures Manual (PDPM) is the electronic version found on Caltrans Division of Design Website:
<http://www.dot.ca.gov/hq/oppd/pdpm/pdpmn.htm>.

Changes were needed to correct and enhance the guidance for using a Damage Assessment Form (DAF) and reflect the correct description for the Director's Order (DO). The guidance revisions also include miscellaneous minor changes to remove inconsistency, update requirements, correct terminology, update references and correct formatting. The locations of revisions are denoted by a vertical line within the outside margin of the manual.

Some of the references found in the PDPM have hyperlinks that connect to Caltrans intranet pages which are not displayable to the general public. Until such time that the specific reference becomes available on the internet, the user will have to contact their district liaison, Caltrans project manager, or the appropriate Headquarters division to inquire about the availability of the reference.

PDPM subscribers are encouraged to use the most recent manual version available on-line at the above website.
