comments: Caltrans must stop being the agent of big business. We don't want big rigs on our roads. We don't want our redwoods, any of them, destroyed or threatened. We don't want our wetlands and our endangered species competing being sacrificed so that some few people can make more money. It is way past the time when these ecologically devastating projects be stopped. Caltrans must not widen roads in Del Norte county, must not have a Willits bypass, and must not touch Richardson Grove!
