## FOR A NEW TRANSPORTATION ERA

Integration of State Plans, Regional Transportation Plans, and Regional Blueprint Planning in Relationship to SB 375 and AB 32 Goals

The California Department of Transportation (Caltrans) invites your input on the new **California Interregional Blueprint**. The **California Interregional Blueprint** will be the foundation of the next California Transportation Plan and will be responsive to SB 375 and AB 32 goals. Caltrans will host six workshops throughout the state to provide an opportunity for you to:

- influence **long-range transportation planning** goals, policies, and strategies; and
- provide input into the **statewide data modeling framework**.

The workshops feature informational presentations, large group discussions, and electronic polling (so that everyone can instantly see the group's response to questions that are posed).

For more information, e-mail Maria Mayer, MIG Inc., at [mariam@migcom.com](mailto:mariam@migcom.com) or call her at 510-845-7549 (voice) or 711 (TTY). If you need physical accommodations or other assistance, please contact Maria as soon as possible, but no later than 2 work days before the workshop you plan to attend.
