comments: NO to your projects to straighten just a couple of miles of 101 through Richardson Grove.

THIS IS A STATE PARK pedestrians cross the highway; people come from all over the world to enjoy our unique coastal redwoods!

Traffic calming lights at both ends would slow traffic down & create a safe passageway for people & for trucks. And it would be VERY COST EFFECTIVE!!!!

LET'S PUT PEOPLE OVER COMMERCE!!!!!!

And let's put our tax dollars to work with the hundreds of miles of existing roads which are in need of basic repair.

Northern California is rural we move here from all over the state for LIVABLE COMMUNITIES and because WE LOVE AND APPRECIATE THE NATURAL WORLD AND OUR REDWOODS.

The same comments apply to your project to widen and realign 197 & 199.
NO NO NO!!!!!!

Leave our rural environment alone.

Big trucks can traverse the state on HWY 5 it's set up for this traffic.

I live just off 101 and DO NOT WANT TRUCKS RUMBLING BY MY HOUSE AND MY COMMUNITY!!!!

There's plenty of work to keep Caltrans busy. LEAVE HUMBOLDT AND DEL NORTE COUNTIES ALONE!!!!
