comments: I am against widening highway 101 by Richardson Grove. It would be a big mistake and after it is done, there is no going back to the beautiful way it is now.

I am also against any widening 199 by the Smith River.

Our scenic beauty in the short and long run will bring more good in the form of tourism, and the big trucks that will follow if these roads are widened, will decrease tourism.

Caltrans is the organization that should be reformed, not the roads.

Sincerely,

Gil Friedman
