

Fiscal Year 2003/2004 Awarded Transportation Partnership and Transit Planning Grants

CT District	Grant Recipients	Project Name	County	Project Description	Grant Award
Partnership Planning Grants					
4	Metropolitan Transportation Commission (MTC)	Regional Goods Movement Study for the SF Bay Area	Multi Bay Area Counties	The Study will assess both the economic and employment impact of the goods movement industry on the Bay Area. The analysis will focus on the interaction among the trends in the goods movement industry, local policy decisions that affect the goods movement industry, and the industry's impacts on the regional economy.	yes
5	Santa Barbara County Association of Governments (SBCAG)	Highway 101 Implementation Public Participation Plan	Santa Barbara	This project will engage a public process consultant to develop a comprehensive, far-reaching public outreach effort that will educate and gather input from affected communities on effective solutions for resolving the mounting congestion on SR 101.	yes
5	Association of Monterey Bay Area Governments (AMBAG)	Central Coast ITS Coordinator for the Central Coast Region	San Benito, Monterey, and San Luis Obispo	To designate a regional ITS Coordinator for four counties of the Central coast Region through an ITS consulting firm that will assist in the promotion of ITS technologies in the region through outreach workshops.	yes
7	Southern California Association of Governments (SCAG)	Community Environmental Transportation Acceptability Process (CETAP) - External Corridors	Riverside	This project will identify and evaluate 4 key transportation corridors, plus define their associated problems, issues, opportunities and use conditions.	yes
-					
Transit Planning Grants - Statewide Planning Studies					
4	Metropolitan Transportation Commission (MTC)/San Mateo County Transit District (Sam Trans)	Senior Mobility Action Plan	San Mateo	The plan will address the transit needs of the senior community within San Mateo Co. A action plan will be developed as part of an extensive public participation process with input from stakeholders at the local, regional and statewide level.	yes
4	Metropolitan Transportation Commission (MTC)	Transit Oriented Development (TOD) at the Bay Area Transit Stations	Multi Bay Area Counties	This study will create a comprehensive set of information of adopted plans, development approvals, current planning processes, significant proposals, and land status (i.e., private vs. public ownership and vacant/developed status) at each of the rail stations, ferry terminals, and in select transit corridor in the Bay Area.	yes

Fiscal Year 2003/2004 Awarded Transportation Partnership and Transit Planning Grants

CT District	Grant Recipients	Project Name	County	Project Description	Grant Award
7	Southern California Association of Governments (SCAG)/SANDAG / SCRRRA / AMTRAK	Southern California Interregional Rail Study	Multi Southern CA Counties	The proposed Rail Study would provide a transportation model of forecasting rail trips between the SANDAG and SCAG regions. This project would provide a unique and useful tool for rail service providers and regional agencies to estimate current rail passengers traveling between the SANDAG and SCAG regions and to plan future interregional rail travel.	yes
11	San Diego Association of Governments (SANDAG)	Regional Short Range Transit Plan under a Consolidated Agency	San Diego	SB 1703 mandates that SANDAG be consolidated with the planning and programming functions of the regional of two transit districts.	yes
11	San Diego Association of Governments (SANDAG)	San Diego Station Car Pilot Program Study II	San Diego	SANDAG proposes to expand the study to integrate 2 additional multimodal stations. This project would augment the previous San Diego Car Pilot Project that was funded in FY 2002-03, and would expand transit access beyond the Coaster stations identified in the previous project.	yes
-
