The NHTS Academy

The [NHTS Academy](#) is a series of short, informational videos on NHTS topics of interest to new users and experienced analysts. The Academy has grown to four subject areas with eight videos.

The latest Academy addition is a section of three videos on **Trip Purpose**.

Getting Started

- [Introduction to the NHTS](#)
- [NHTS Compendium of Uses](#)
- [About the Add-on Program](#)

Additional Information

- [NHTS User's Forum](#)

Pooled Fund Deadline is July 1, 2014

With July quickly approaching, the 2015 NHTS Add-on Program Pooled Fund is open for participation by local, regional and state add-on partners for only a limited time.

Add-on partners are encouraged to collaborate with their public transit, health, air quality, er safety and other agencies to pool funds and interests to together address local issues. The on pooled funding agreement must be in place by July 1, 2014.

See the [Pooled Fund project page](#) for details including project background, objectives, s of work, benefits of participation, minimum funding level, project schedule, and FAQ.

Please contact Adella Santos or Brad Gudzinis with any questions.

- *Adella Santos*, NHTS Program Manager (adella.santos@dot.gov, 202-366-5021)
- *Brad Gudzinis*, NHTS Deputy Program Manager (brad.gudzinis@dot.gov, 202-366-5021)

Three New NHTS Academy Videos

The [NHTS Academy](#) has three new videos on the topic of **Trip Purpose**:

- Historical trip purpose development,
- Expanded trip purpose definitions including tips to home, and
- Trip purpose for urban planners: home-based and non home-based codes.

NHTS TRB Task Force Phase One Report

TRB's Transportation Research Circular E-C178: [Exploring New Directions for the National Household Travel Survey](#) summarizes input on the design of the next NHTS from the user community.
