

PLEASE JOIN US at one of our upcoming public workshops in June and July, 2014. We will be presenting the Public Review Draft of the California Freight Mobility Plan (CFMP). The CFMP is a statewide plan that provides for safe, sustainable freight mobility and a system that facilitates the reliable and efficient movement of freight and people while ensuring a prosperous economy, social equity, and human and environmental health. To review the draft, provide feedback, and participate in the workshop, please attend one of the following events:
