

Benton Community Visioning Comment Booklet

Your comments are important to us! Using the questions below as a guide, please provide your comments about the future of Benton.

GROWTH

1. Do you think Benton should grow as a community over the next 20 years? If yes, where and what type of growth? If no, why not?
2. Please mark on the maps where growth should or should not occur.
3. Review the BLM properties identified on the Visioning Exercise map and identify any specific uses you would like to see on those properties.

SERVICES AND AMENITIES

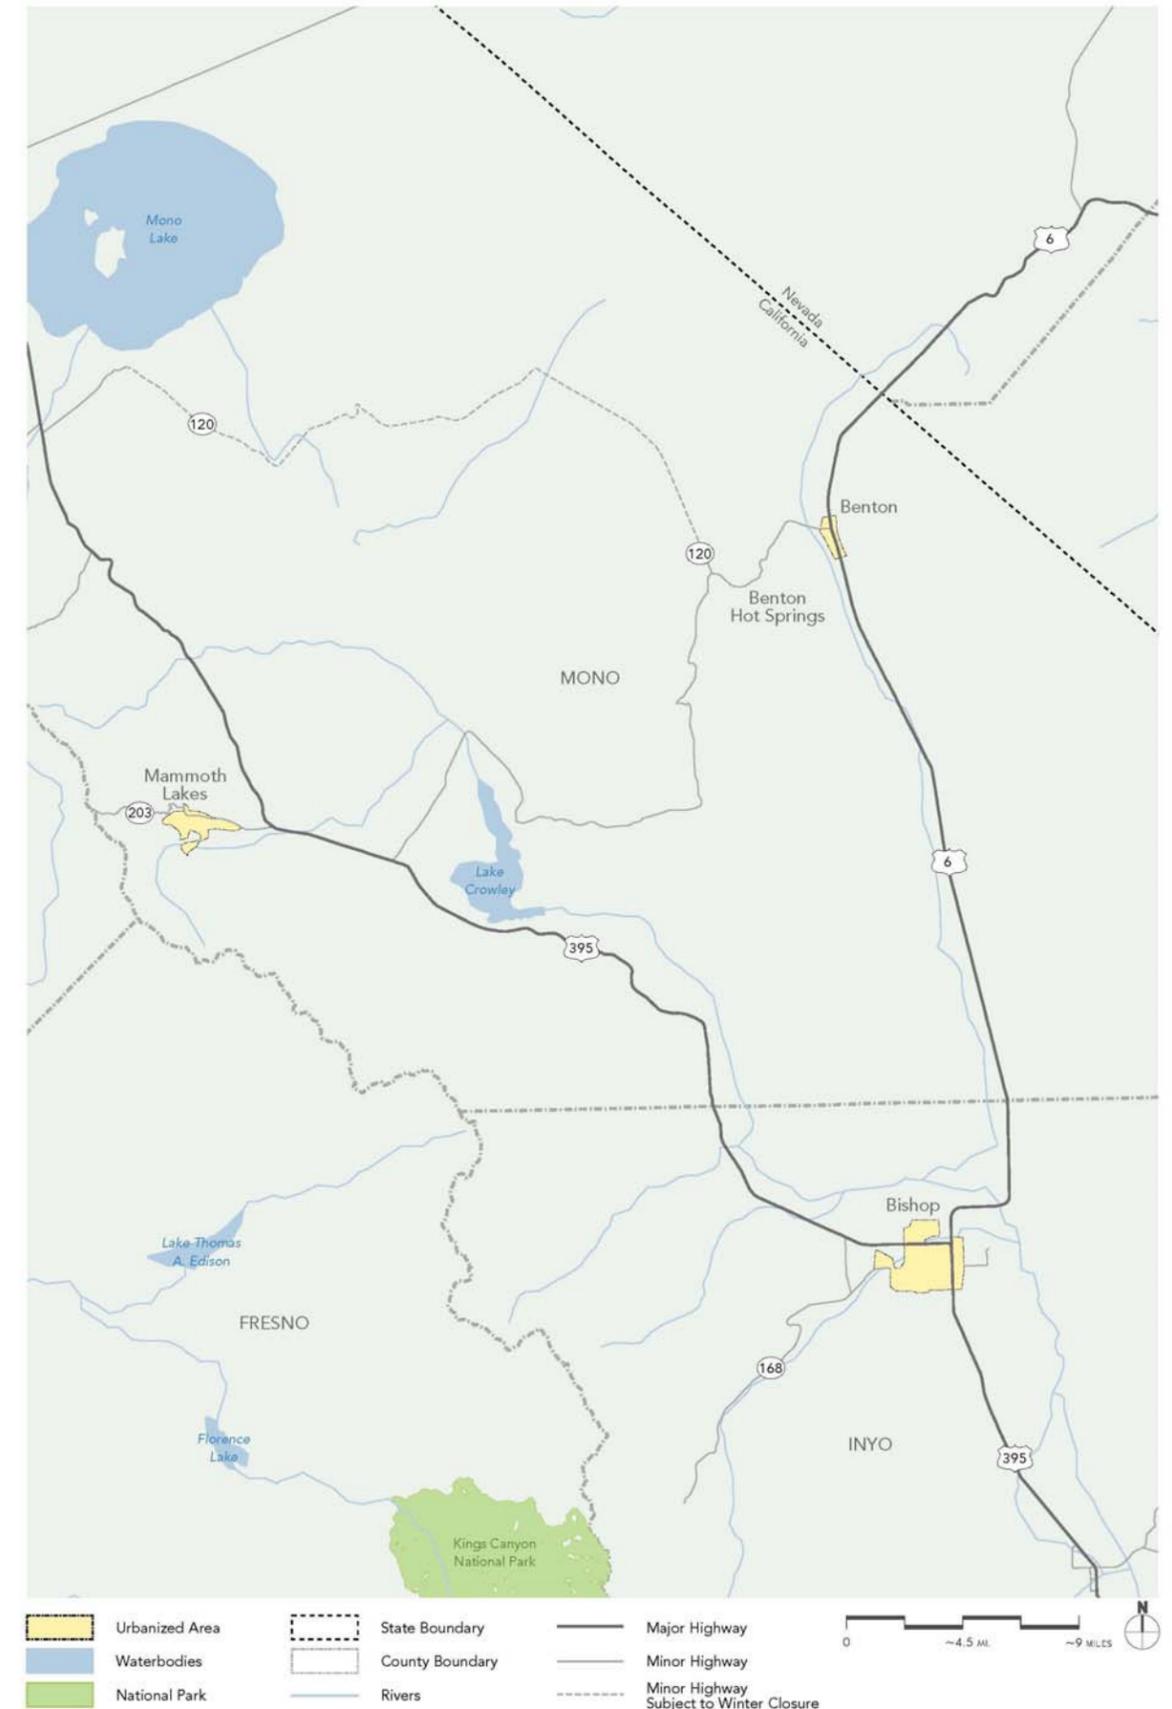

4. What additional community services or amenities are needed to improve the quality of life in Benton?
5. Would you support additional growth in Benton if it helped provide the necessary funds for these services or improvements?

CIRCULATION

6. Please describe, or identify on the Visioning Exercise map improvements that are needed to make it easier and safer to get around your community by car, bike, foot or other modes of transportation.

ACCESS TO RECREATION

7. Please identify significant recreation access points on the map that should be maintained over time.
8. Are there any recreation areas that that should be promoted to encourage, for example, recreation tourism?
9. Please identify any areas where access should be limited.
