

To all interested parties:

You are cordially invited to participate in a web survey that will help the California Department of Transportation (Caltrans) design an effective public participation plan for its statewide transportation plans and funding programs. Your input will be extremely valuable to Caltrans, and it will only take a few minutes of your time.

The survey will be available to fill out online through January 31, 2008. If you have any questions, please contact Leslie Snow, Sr. Transportation Planner, Caltrans Office of State Planning, leslie_snow@dot.ca.gov. Thank you in advance for helping us create meaningful opportunities for the public to participate in improving our transportation system!!

Please click on the following link to access the web survey:
