CAAP ALLOCATIONS – 2000 AERONAUTICS PROGRAM (2000-01)

RECOMMENDATION

The Department of Transportation (Department) recommends the California Transportation Commission (Commission) approve Resolution FDOA-2001-2, allocation of California Aid to Airports Program (CAAP) Funds for Fiscal Year (FY) 2000-01.

BACKGROUND

In March 2000, the Commission adopted the 2000 Aeronautics Program consisting of 74 projects and \$15,976,000. The 2000-01 year of the 2000 Aeronautics Program also includes eleven unallocated prior year projects for \$1,420,000. The attached resolution proposes allocating \$34,000 for one prior year project.

The overall cost for the Santa Ynez Airport project for the sealing of the runway and taxiway has been reduced. The County secured funding from a third party to seal the runway. This decreased the cost of the project by \$38,000.
