DELEGATION OF ALLOCATION AUTHORITY
LOCAL ASSISTANCE ALLOCATIONS FOR RSTP/CMAQ MATCH RESERVE PROJECTS
RESOLUTION G-01-05 ALLOCATIONS

BACKGROUND

On February 22, 2001, the California Transportation Commission (Commission) delegated to the Department of Transportation (Department) authority to allocate funds by Resolution G-01-05 for RSTP/CMAQ Match Reserve projects programmed in the State Transportation Improvement Program (STIP). In addition, the Commission delegated to the Department authority to advance the allocation by two years with the approval of the responsible regional agency. This authority allows the local agencies to begin work without waiting for the next Commission meeting to receive an allocation.

These RSTP/CMAQ Match Reserve projects are included in the adopted STIP. The Department reports allocations on a monthly basis consistent with Resolution G-01-05.

SUMMARY

Pursuant to the authority granted by Resolution G-01-05, since the last report the Department made 15 separate allocations totaling \$250,000, for 15 RSTP/CMAQ Match Reserve projects. Pursuant to the authority for advancing the allocation by two years, there was one allocation made during this report period, totaling \$72,000, for one project scheduled for implementation in Fiscal Years (FY) 01-02 or 02-03. A list of all of the allocations is attached.
