ALLOCATIONS FOR LOCAL ASSISTANCE
STATEWIDE TRANSPORTATION ENHANCEMENT ACTIVITIES (STE-TEA) PROJECT

RESOLUTION FP-01-94

RECOMMENDATION

The California Department of Transportation (Department) recommends the California Transportation Commission (Commission) approve the following Resolution.

FINANCIAL RESOLUTION

Resolved, that \$1,253,000 in Statewide Transportation Enhancement Activity funds be allocated from the 2001 Budget Act, Item 2660-101-0890 for one (1) local assistance STE-TEA project in the City of Davis.

SUMMARY AND CONCLUSIONS

This Resolution allocates \$1,253,000 in Federal funds from 2001 Budget Act Item 2660-101-0890 for one (1) local STE-TEA project from the approved list.

This month's vote includes one (1) new local STE-TEA project at an estimated cost of \$1,253,000.

The Intermodal Surface Transportation Efficiency Act of 1991 requires that at least 10 percent of all Surface Transportation Program expenditures in each state be used for defined Transportation Enhancement Activities (TEA).

The Commission adopted guidelines for the Federal (TEA) Program through Resolution G-98-20 in October 1998. The Commission adopted the first round of Federal STE-TEA projects in June 2000. Resolution G-98-20 was superceded by Resolution G-00-18 in July 2000. Resolution G-00-18 defined and set up the Statewide Transportation Enhancement program, as one of three parts of the state share of the Federal TEA under TEA-21, through its 1998 TEA Program Redesign. A total amount of \$40 million is expected to be available over the Transportation Equity Act for the Twenty-first Century (TEA-21) period for STE.
