**DELEGATION OF ALLOCATION AUTHORITY**  
**LOCAL ASSISTANCE ALLOCATIONS FOR PROJECT DEVELOPMENT COMPONENTS**  
**OF LOCAL GRANT PROJECTS**  
**RESOLUTION G-01-03 ALLOCATIONS**

**BACKGROUND**

On February 22, 2001, the California Transportation Commission delegated to the Department authority to allocate funds by Resolution G-01-03 for Project Development Components of Local Grant projects. In addition, the Commission delegated to the Department authority to advance the allocation by two years with the approval of the responsible regional agency. This authority allows the local agencies to begin work without waiting for the next CTC meeting to receive an allocation.

These Project Development Cost projects are included in the adopted State Transportation Improvement Program (STIP). The Department reports allocations on a monthly basis consistent with Resolution G-01-03.

**SUMMARY**

Pursuant to the authority granted by Resolution G-01-03, since the last report the Department made 38 separate allocations of State and Federal Funds totaling \$4,770,000, for 38 Project Development Components of Local Grant projects. Pursuant to the authority for advancing the allocation by two years, one of the allocations made during this report period, totaling \$90,000, was for a project scheduled for implementation in Fiscal Year (FY) 01-02 or 02-03. Of the 38 allocations, 34 were for local road projects (Attachment 1) and four were for local transit projects (Attachment 2).
