DELEGATION OF ALLOCATION AUTHORITY
LOCAL ASSISTANCE ALLOCATIONS FOR RSTP/CMAQ MATCH RESERVE PROJECTS
RESOLUTION G-98-25 ALLOCATIONS

BACKGROUND

On October 28, 1998, the California Transportation Commission delegated to the Department authority to allocate funds by Resolution G-98-25 for RSTP/CMAQ Match Reserve projects. This authority allows the local agencies to begin work without waiting for the next CTC meeting to receive an allocation.

These RSTP/CMAQ Match Reserve projects are included in the adopted State Transportation Improvement Program (STIP). The Department reports allocations on a quarterly basis consistent with Resolution G-98-25.

SUMMARY AND CONCLUSIONS

Pursuant to the authority granted by Resolution G-98-25, since the last report the Department made 56 separate allocations totaling \$1,885,000, for 55 RSTP/CMAQ Match Reserve projects. Fifty-one allocations, totaling \$1,754,000, were made in Fiscal Year (FY) 99-00. Five allocations, totaling \$131,000, were made in FY 00-01. A list of the allocations is attached.
